

MAHATMA GANDHI INSTITUTE OF MEDICAL SCIENCES, SEVAGRAM

EXAMINATION REFORMS

MGIMS follows guidelines for Internal assessment as mandated by MUHS Nashik. Attendance records and marks of internal assessment have to be submitted online to the university. Record keeping of internal assessment is monitored by University officials by regular on-site visits. Students are expected to see their evaluated answer books and sign.

After MUHS had introduced double evaluation, all undergraduate and postgraduate theory answer books are assessed by two independent examiners at the CAP centre. These compiled results are sent to the Results section of the University. Here, the best of the two scores is considered as the final score of the candidate for that paper.

Further, the revaluation of papers has been discontinued. Retotalling of marks has however been permitted on payment of a certain fee to the university. Students also get to see a photocopy of their answer books on payment of a stipulated fee to the University.

Use of ICT and computerization of results processing system has resulted in speedy and accurate proceedings like-

- Student Registration to issuance of hall ticket
- OMR and Barcode Technology in answer sheets
- Results processing and publication

Examination procedures

All undergraduate / postgraduate, internal as well as university theory examinations are being conducted in the Centralized Exam Hall of MGIMS, Sevagram, every academic year, summer and winter.

All Internal assessment exams including part completion test, terminal and prelim exams are conducted for respective subjects. The concerned Heads of department of all the professional year makes the time table and conveys the information to students as well as to the Incharge, Centralized Exam Hall.

The whole examination hall is divided into nine blocks with a seating capacity of 30 students in each block having a total seating capacity of 270 students at a time as per the university norms. The Strong Room in examination hall is fully equipped and has 24 hrs CCTV surveillance facility.

Processes integrating IT:

A total of 16 CCTV cameras are installed in the examination hall. Two CCTV cameras in each hall with direct CCTV coverage with the University.

A large LCD monitor 40" is installed inside the office of the examination hall. All the 16 blocks in view of CCTV camera is visible in that LCD monitor.

Two jammers are also installed in the examination halls so that all electronic equipment will be blocked including mobiles.
