CIRCULAR

This is for the information of the concerned that as per the demand from the undergraduate students to expose them to NEET style, higher order questions as they have to face the entrance examination in future, following decisions were taken in the College Council meeting :-

1. All Heads of Departments are directed to ensure that undergraduates are trained in higher order MCQs. At the end of every unit, faculty will conduct a session or quiz with NEET style questions.
2. The Medical Education Unit will train faculty in preparing scenario-based questions.
3. All departments are encouraged to prepare question-banks of higher order MCQs.
4. The MEU will train faculty in uploading these MCQs to the MOODLE platform on MGIMS Classroom

Dr. N. M. Gangane
Dean
