

# **MAHATMA GANDHI INSTITUTE OF MEDICAL SCIENCES, SEVAGRAM**

## **LIST OF ALUMNI CONTRIBUTIONS MADE DURING THE YEAR**

The MGIMS alumni contribute in several ways in their endeavour to give back to their Alma Mater

1. Financial /kind: Alumni of the 1978 batch contributed generously towards the construction of a new hostel block and renovation of departments. These are pictures which show the Bhumi poojan before the construction of the alumni block for hostel.

2. In the past also, alumni have contributed towards development of their adopted villages in cash and kind.
3. Alumni fund students who come from economically weaker sections by paying for their tuition fees or books

### **Donation of books /Journals/volumes**

Parents of students or alumni contribute towards donation of books for the bookbank, which allows poor students to borrow books for the duration of their course.

### **Student placement and student exchanges**

Alumni provide career guidance in different specialities. This is done through social media like Facebook and Whatsapp, where bonds between seniors and juniors are nurtured. Here, alumni support students who wish to specialize further or migrate abroad. Alumni provides guidance to students who wish to appear from different entrance examinations.

### **Institutional endowments**

Alumni institute prizes for good academic performance or good research. Here is a list of academic awards instituted by alumni or in their memory
