## **IMPORTANT**

1. We do not have management quota seats at MGIMS, Sevagram
2. We have not authorized any person or institute on behalf of Kasturba Health Society and Mahatma Gandhi Institute of Medical Sciences, Sevagram to speak about admission in the institution.
3. All the candidates will be selected through NEET 2016 merit only.

## I. COURSE INFORMATION

The duration of study for the M.B.B.S. Degree extends over a total period of 4½ years with four university examinations. The institute is affiliated to Maharashtra University of Health Sciences Nashik (MUHS) for undergraduate and Postgraduate courses. The medium of instruction and examination is English.

After completing the MBBS Course the students are required to undergo one year internship training programme. Before the internship training, it is obligatory for them to apply for provisional registration of the Maharashtra Medical Council. The internship training period is organized for 1 year as per the norms of Medical Council of India and MUHS.

## II. ADMISSION TO M.B.B.S. COURSE

Admission to the M.B.B.S. course of Mahatma Gandhi Institute of Medical Sciences is made according to the rules & regulations of the Kasturba Health Society (the parent body) and the institute (MGIMS). These are subject to alterations, amendments and modifications as may be considered necessary from time to time as per directions from supreme court, MCI, Maharashtra University of Health Sciences, Nashik and the competent authorities of KHS/MGIMS. Any issue not dealt in this prospectus will be dealt with, when arising, fully and finally by the competent authorities of KHS/MGIMS.

### 1. ELIGIBILITY FOR APPLICATION

A candidate will be eligible for admission to First year M.B.B.S. course of MGIMS on fulfillment of following conditions:

1.1. **The candidate must have qualified in the NEET 2016**

1.2. The candidate must be an **Indian National**

The candidate is required to produce proof in support of his/her nationality from competent authority e.g. District Magistrate or Metropolitan Magistrate (format of Nationality certificate: **Annexure 1/2a/2b**) or a valid passport. **The original receipt of the application for preparation of passport will also be considered provisionally at the time of admission, however at a later date the candidate has to submit a photocopy of valid passport for enrollment in MUHS, Nashik.**

1.3. A candidate must attain 17 years of age on or before 31st December, 2016. The S.S.C. or equivalent examination certificate clearly endorsing the date of birth will only constitute valid proof of the date of birth of the candidate.

- 1.4. The candidate should be medically fit to undergo the professional course. He/She will have to undergo a medical examination at Kasturba Hospital of MGIMS during the time of admission.
- 1.5. The candidate must have passed 12th standard examination under 10+2 system of Maharashtra State Higher Secondary Education Board or an equivalent examination of any recognized Indian Board/University with Physics, Chemistry, Biology and English in **first attempt**.
  - 1.5.1. **General category candidates** (All those not mentioned in 1.5.2) must secure a minimum of 50% marks taken together in Physics, Chemistry and Biology and he/she should have passed Physics, Chemistry, Biology and English in **first attempt** (format of attempt certificate: **Annexure 3**).
  - 1.5.2. **Constitutional reservation:** Candidates belonging to Scheduled castes (SC), Scheduled Tribes (ST), Vimukta Jati (V.J.), Nomadic Tribe (N.T.) and Other Backward Class (O.B.C) including Special Backward Class (SBC) should have obtained not less than 40% of total aggregate marks in Physics, Chemistry and Biology taken together in the qualifying Examination. He/she must have passed Physics, Chemistry, Biology and English in **first attempt** (format of attempt certificate: **Annexure 3**).
  - 1.5.3. **Physically Handicapped candidates:** must secure a minimum of 45% marks taken together in Physics, Chemistry and Biology and he/she should have passed Physics, Chemistry, Biology and English in **first attempt** (format of attempt certificate: **Annexure 3**).
- 1.6. It is the candidate's responsibility to see that he/she possesses the required qualification for admission to M.B.B.S. course. In case any lacuna is found after admission and enrolment is denied by the Maharashtra University of Health Sciences, Nashik, to which the Institute is affiliated, the Institute shall not be responsible for any loss, direct or indirect to the student on this account.

	92	14	14

\* Yearly rotation of 1 seat in Maharashtra and Non Maharashtra

### 3. CATEGORIES

- 3.1. **GENERAL:** Those candidates who do not claim to be considered under any reservation in their application form, shall be considered under general category. Those candidates, who claim under any reserve category but their claim is rejected, will also be considered under general category.
- 3.2. **RURAL:** Rural claim will not be considered unless all original rural certificates (**Annexure 4-7**) duly signed are produced at the time of verification of certificates for admission. Otherwise candidates will be transferred to general category. Please note that those applying under rural category cannot apply under any other reservation. **For deciding the eligibility of a candidate for consideration under rural category, all of the following criteria must be fulfilled at the time of admission**
- 3.2.1. The parents of the candidate must be bonafide residents of a village which does not come under Municipality or Notified area or Town Area Committee. (**Annexure 4**)
- 3.2.2. Names of both the parents of the candidate **must** be in the latest voters list of the **village of residence**. (**Annexure 4**)
- 3.2.3. **All means** of earning of both the parents must be either from the village of residence or from a village situated in the same district, to which the village of their residence belongs. (**Annexure 5**).
- 3.2.4. Candidate must have done Pre-High school (first to 8th standard) education for **at least 4 continuous years from a school** located either in the village of residence or in a village situated in the same district, to which the village of the residence belongs. (**Annexure 6**).
- 3.2.5. Candidate must have passed 10th std. examination from a **High school** located either in the village of residence or in a village situated in the same district, to which the village of the residence belongs. (**Annexure 7**)
- 3.3. **CONSTITUTIONAL RESERVATION**
- 3.3.1. 50% seats are reserved for the candidates belonging to SC / ST / VJ / NT/ OBC (including SBC) categories. The candidate claiming the reservation under any of these categories shall produce at the time of verification: **original caste certificate, caste validity certificate and a non-creamy layer certificate** (where applicable). For details of

the certificates, please refer to clause 8 under heading '**Verification of Certificates and Admission**' and also **Annexure 8 to 12**

- 3.3.2. Candidates producing Caste validity certificate for constitutional reservation from appropriate authority of Maharashtra state only, are eligible to apply under Maharashtra constitutional reservation seats provided they also fulfill condition as specified under 2.1.1 above (**Annexure 11a**)
- 3.3.3. Candidates producing Caste validity certificate for constitutional reservation from appropriate authority of **respective state only**, are eligible to apply under constitutional reservation seats provided they also fulfill condition as specified under 2.1.1 above (**Annexure 11b**)
- 3.3.4. Constitutional reservation will not be considered unless duly signed and prepared **caste certificate, caste validity certificate and a non-creamy layer certificate** (where applicable, issued on or after 1st April 2016 and valid up to 31<sup>st</sup> March 2017) are produced at the time of admission/verification. Such candidates will then be considered under General category as per their merit and **no additional time will be given for preparation / production of these certificates.**

#### 3.4. **PHYSICALLY HANDICAPPED (PH)**

- 3.4.1. As per G.R. No. SRV-1997/P.K.12/97/16-A dated 2.5.1998 **Three percent (3%)** seats are reserved for Physically Handicapped candidates.
- 3.4.2. As per MCI guidelines letter no. MCI-34(1)/2003-Med/11773, dated 14/7/2003 persons having '**locomotary disability of lower limbs**' ranging between **50-70%** are only eligible to take admission to Health Science Courses. The candidate with disability of lower limbs more than 70% will not be eligible for admission in any category. **Persons who are visually handicapped, hearing disabled and locomotary disabled involving upper limb are also not eligible to apply for M.B.B.S. Course in any category.**

**In case any seat in this 3% quota remains unfilled on account of unavailability of candidates with locomotary disability of lower limbs between 50% to 70% then any such unfilled seat in this 3% quota shall be filled up by persons with locomotary disability of lower limbs**

**between 40% to 50% - before they are included in the annual sanctioned seats for General Category candidates.**

3.4.3. For seeking the benefit of reservation under PH, the candidate must bring along proof of his/her disability in original to the MGIMS scrutiny committee at the time of verification of certificates/counselling. The candidate should present himself /herself before a Medical Board comprising of at least one Expert/Specialist from the specialty of Orthopaedics of a Central Government Hospital/ Medical Institution in Delhi & Union Territories or from State Medical Boards in the States and obtain a valid disability certificate **(Annexure 13)** from the Medical Board. The certificate should have been issued **within three months prior to presenting his application for seeking admission in the medical course. In other words, the last valid disability certificate of the candidate from a Medical Board should not be more than three months old from the date of submitting his or her application for seeking admission in the reserved category for physically handicapped candidates.** (e.g. If the date of submission of application is 1st March 2016 then this certificate should have been issued on or later than 1st Dec 2015).

3.4.4. Verification of certificate will be carried out by Medical Board of the Institute at the time of admission at MGIMS. The Medical Board after ascertaining his/her disability will also certify that the candidate is physically fit to undergo the course, despite his/her disability.

#### **NOTE**

- If original caste, cast validity, non creamy layer, rural claim, physically handicapped certificates from duly mentioned authorities with proper seal/s and dispatch number are not submitted / produced by the candidates claiming admission under reserved category at the time of verification, admission, the candidates opting for reservation categories shall be considered as general category candidates.
- No additional time will be given for preparing or production of any certificate / document, once called for verification / counselling.

### 3.5. **MAHARASHTRA GOVERNMENT SEATS**

**Two seats** are reserved for nominees of Govt. of Maharashtra and these will be filled as per directions given by the Maharashtra Government.

### 3.6. **SEATS EARMARKED FOR THE “CENTRAL POOL SCHEME” FOR GOVERNMENT OF INDIA**

3.6.1. Four Seats are earmarked for the “Central Pool Scheme” for Government of India.

3.6.2. The selection of candidates is made by the Government of India, Ministry of Health & Family Welfare, Directorate General of Health Service (Medical Education Cell), Nirman Bhavan, New Delhi.

**Mahatma Gandhi Institute of Medical Sciences, Sevagram shall not accept any application or entertain any enquiry for seats earmarked for the “Central Pool Scheme” for Government of India.**

3.7. **KASTURBA HEALTH SOCIETY:** The seats are reserved for the children of Society’s confirmed employees and the members of Kasturba Health Society.

## 4. **INSTRUCTIONS FOR FILLING THE APPLICATION FORM**

4.1. Candidates seeking admission to M.B.B.S. course of MGIMS should fill the application form online.

4.2. It will be the responsibility of parents/guardian to certify that the information provided by the candidate is correct. Filling up of application form by the candidate should be done under the active guidance of parents / guardian.

## 5. **DETERMINATION OF MERIT**

5.1. Merit shall be determined on the basis of NEET eligibility score of the year of admission

5.2. In order to be eligible for admission to MBBS/BDS Courses for a particular academic year, it shall be necessary for a candidate to obtain minimum of marks at 50th percentile in National Eligibility Cum Entrance Test to MBBS/BDS Courses held for the said academic year. However, in respect of candidates belonging to Scheduled Castes, Scheduled Tribes, Other Backward Classes, the minimum marks shall be at 40th percentile. In respect of candidates with locomotory disability of lower limbs terms of Clause 3.4 above,

the minimum marks shall be at 45th percentile. The percentile shall be determined on the basis of highest marks secured in the All India common merit list in National Eligibility Cum Entrance Test for admission to MBBS/BDS courses.

- 5.3. Provided when sufficient number of candidates in the respective categories fail to secure minimum marks as prescribed in National Eligibility Cum Entrance Test held for any academic year for admission to MBBS/BDS Courses, the Central Government in consultation with Medical Council of India and Dental Council of India may at its discretion lower the minimum marks required for admission to MBBS/BDS Courses for candidates belonging to respective categories and marks so lowered by the Central Government shall be applicable for the said academic year only.

5.4. **The inter-se-merit of candidates for tie-breaking**

In case of two or more candidates obtaining equal marks in the NEET - 2016, the inter-se-merit of such candidates shall be determined in order of preference as follows:

- 5.4.1. Candidates obtaining higher marks in Biology (Botany & Zoology) in the Test.
- 5.4.2. Candidates obtaining higher marks in Chemistry in the Test.
- 5.4.3. Candidates with less number of attempted wrong answers in all the subjects in the Test.
- 5.4.4. Candidates older in age to be preferred.

## **6. MERIT LIST**

Merit list as per NEET score 2016 will be displayed by 6 times the number of seats in each category on the MGIMS website ([www.mgims.ac.in](http://www.mgims.ac.in)). The dates for verification of certificates for selected candidates and waitlisted candidates will also be displayed on the website of MGIMS. The candidates are advised to visit the website daily for updated information.

## **7. PROCEDURE FOR SELECTION**

- 7.1. **The eligibility list based on NEET merit is expected to be announced by the 29<sup>th</sup> August, 2016, on MGIMS website.**
- 7.2. The complete list of all the eligible candidates will be prepared category wise and selection will be made strictly on the basis of merit within each category.

- 7.3. Merit list with 6 times the number of seats in each category will be available on our website [www.mgims.ac.in](http://www.mgims.ac.in).
- 7.4. **In case the published merit list in any category is exhausted and the seats are still vacant, they will be filled in by the candidates from the complete merit list prepared for all eligible candidates, as above.**
- 7.5. The selection against all reserved seats shall be exclusive of the selection of candidate of these categories in general merit category. However, only those candidates will be considered in general merit category who have secured not less than 50% in Physics, Chemistry and Biology taken together in qualifying examination (10+2).
- 7.6. If the seats remain vacant in any of the categories 2.2 II : a to g (Distribution of Seats, constitutional reservation clause 2.2) and if no further candidate is available in that particular category then, the remaining seats will be filled in from among the candidates of their respective group where the vacancies exist, by inter-se-merit. The groups are as follows:
- 7.6.1.
- 7.6.1.1. Scheduled Castes and Scheduled Caste converted to Buddhism (S.C.)
  - 7.6.1.2. Scheduled Tribes including those living out-side specified area (S.T.)
- 7.6.2.
- 7.6.2.1. Vimukta Jati (V.J./DT A)
  - 7.6.2.2. Nomadic Tribes 'B' (N.T.-1)
- 7.6.3.
- 7.6.3.1. Nomadic Tribes 'C' (N.T.-2)
  - 7.6.3.2. Nomadic Tribes 'D' (N.T.-3)
  - 7.6.3.3. Other Backward Classes including SBC\* (O.B.C.)

\*Hon'ble High Court Mumbai had stayed admission to Special Backward Class (SBC) category as a separate quota and therefore, vide Govt. Circular from Department of Social Welfare, Cultural affairs and Sports no CBC -1095 / WS 1264 / BCD-5 dated 24th October 1995, the persons belonging to SBC are to be considered as OBC candidates and they will be required to produce Non-Creamy Layer certificate.

- 7.6.4. If the seats still remain vacant then: The remaining seats will be filled in from among the common inter-se-merit of the categories 2.2. II : a to g. (constitutional reservation clause 2.2).
- 7.7. In case of Physically Handicapped candidates, if any seat in this 3% quota remains unfilled on account of unavailability of candidates with locomotory disability of lower limbs between 50% to 70% then any such unfilled seat in this 3% quota shall be filled up by persons with locomotory disability of lower limbs between 40% to 50% - before the seat is included in the annual sanctioned seats for General Category candidates.

## 8. VERIFICATION OF CERTIFICATES AND ADMISSION

- 8.1. The selected candidates shall be informed of the date of verification of certificates/ Counselling by website/email/mobile.

The Library subscribes to 106 international and 58 National Journals. In view of the importance of medical services, this library functions from 9:00 AM. upto 10.00 PM on all week days. Facility of internet & photocopying of the literature is available in the Library.

### III. CODE OF CONDUCT

1. The general control of students is vested with the Dean.
2. Students admitted to MGIMS are expected to Exhibit high standards of academic interest and responsible behavior, befitting professional level of maturity.
3. Students admitted to MGIMS are expected to follow the code of conduct as follows
  - a. wearing khadi clothes
  - b. consume vegetarian meals
  - c. eschew smoking, drinking and other intoxicants
  - d. participate in community prayer, shramdan and such other activities as may be prescribed from time to time
  - e. must be free from any prejudice regarding, caste, creed or untouchability
  - f. girl students must tie their hair and boy students should have tidy hair when at work in the college and hospital.
4. Residing in the hostels of the Institute is compulsory for all students.
5. Students after admission to the Institute are given an Orientation Training Course for a fortnight in Sevagram Ashram for getting sensitized to Gandhian ideology. If it is found that they are unable to adjust themselves to the environment, their admission may be cancelled.
6. Attendance in the Social Service camp, whenever it is held is essential, failing which the student may not be allowed to appear in the University Exam.
7. Students who do not maintain a satisfactory standard in academics or in the observance of code of conduct or discipline shall neither be allowed to hold office in extracurricular bodies or be eligible for scholarship or given any other assistance.
8. Students should maintain 75% attendance with minimum 80% in practical to be eligible to appear in the university examination.
9. Permission must be taken from the Dean for any leave or absence from classes or to go out of station. All students must report to the warden before leaving and on return from leave. In case of illness during leave a medical certificate must be sent immediately.
10. All illness should be reported to the Warden at the earliest.
11. Students must pay for all damages caused by them to books and property of the Institute.

12. Fees shall be paid on the date notified by the Dean's office. Mess fees shall be paid in advance for 6 months with term fee. Balance if any, shall be refunded at the time of leaving.
13. **Ragging in any form is absolutely forbidden and as per the provisions of Maharashtra Act XXXIII known as "Maharashtra Prohibition of ragging Act of 1999", students indulging in ragging can be punished under the Act resulting in suspension, and even expulsion from the Institute and imprisonment.**

#### **Prevention of Ragging:**

**Ragging is a cognizable offence and is forbidden in any form. Anyone indulging in ragging will be punished under the act resulting in suspension, expulsion from the institute and imprisonment. The punishment for ragging will be mentioned in the college leaving certificate.**

**The Supreme Court has defined the ragging as under:**

**Clause No.6: Any disorderly conduct whether by words spoken or written or by an act which has the effect of teasing treating or handling with rudeness any other student, indulging in rowdy or in disciplined activities which cause or are likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student or asking the students to do any act or perform something which such student will not do in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student. The cause of indulging in ragging is deriving a sadistic pleasure or showing off, power, authority or superiority by the seniors over their juniors or fresher.**

#### **Punishable ingredients of Ragging**

- Abetment to ragging
- Criminal conspiracy to rag
- Unlawful assembly and rioting while ragging
- Public nuisance created during ragging
- Violation of decency and morals through ragging
- Injury to body, causing hurt or grievous hurt
- Wrongful restraint

- Wrongful confinement
- Use of criminal force
- Assault as well as sexual offences or even unnatural offences
- Extortion
- Criminal trespass
- Offences against property
- Criminal intimidation
- Attempts to commit any or all of the above mentioned offences against the victim(s)
- Physical or psychological humiliation

### **Punishments**

Depending upon the nature and gravity of the offence as established by the Anti-Ragging Committee of the institution, the possible punishments for those found guilty of ragging at the institution level shall be any one or any combination of the following:

- Suspension from attending classes and academic privileges.
- Withholding / withdrawing scholarship/ fellowship and other benefits
- Debarring from appearing in any test / examination or other evaluation process.
- Withholding results
- Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.
- Suspension / expulsion from the hostel
- Cancellation of admission.
- Rustication from the institution for period ranging from 1 to 4 semesters
- Expulsion from the institution and consequent debarring from admission to any other institution for a specific period.
- Fine of Rs 25,000 to Rs 1 lakh.

- **Collective Punishment:** When the persons committing or abetting the crime of ragging are not identified, the institution shall resort to collective punishment.
14. The candidate after taking admission to this Institute shall have to give an undertaking counter signed by his/her parents that he/she shall not indulge in any activity which amounts to ragging and if he/she is found guilty he/she shall be punished as per the disciplinary rules of Mahatma Gandhi Institute of Medical Sciences, Sevagram. **(Annexure 14-17)**
  15. Fees shall be paid on the date notified by the Dean's office. After the said date, fees will be acceptable only within a period of one month with a late fee fine as notified. After this period the name of the student will be struck off from the Institute Roll. The student may be readmitted on the payment of **Rs 1000** as readmission fee alongwith clearance of all dues.
  16. Continuous absence from the classes for over one month without any valid reason will make the student liable to be removed from the institute Rolls. He/she may however be readmitted with valid reason on the payment of **Rs 1000** as readmission fee in addition to clearing all dues.
  17. As per MUHS, Nashik every student has to attend a minimum of 80% practical and 75% theory classes to be eligible for appear in University examination.

### **Disclaimer/Warning:**

1. Student not producing correct original documents with proper seal/s as mentioned in this prospectus by 5 pm on the date of verification / admission, will be disqualified and he/she will automatically lose claim for admission to the MBBS course 2016 of MGIMS, Sevagram, Wardha, Maharashtra.
2. If original caste, caste validity, non creamy layer, rural claim, physically handicapped certificates from duly mentioned authorities with proper seal/s and dispatch number are not submitted/ produced by the candidates claiming admission under reserved category at the time of verification, admission, the candidates opting for reservation categories shall be considered as open category for admission to the MBBS course 2016 of MGIMS, Sevagram, Wardha, Maharashtra.
3. Persons providing false information on application form, impersonating or trying to appear in the counseling through forged means or by producing fabricated/ tampered documents will be disqualified / dealt with as per law of the country and prosecuted.
4. Any canvassing, directly or indirectly for procuring seat or influencing staff by unfair means would lead to serious consequences including disqualification of the candidates.

## OBJECTIVES

### MEDICAL EDUCATION

- To evolve an integrated pattern of medical education
- To provide value-based and cost-effective medical education with a community oriented approach
- To teach and train doctors with a focus on rural orientation

### HEALTH SERVICE

- To provide state-of-the-art health care facilities at affordable cost
- To evolve a comprehensive health care delivery system consonant to the needs of the community
- To empower the community by involving them in their own healthcare
- To provide accessible and affordable health care, primarily to under privileged rural communities

### RESEARCH

- To conduct appropriate and community-based research on priority health issues
- To promote research in Indian systems of medicine along with allopathic medicine.

## 1. INTRODUCTION

### ***Mahatma Gandhi Institute of Medical Sciences, Sevagram***

#### **'A Medical College with a Difference'**

The Mahatma Gandhi Institute of Medical Sciences, Sevagram is India's first rural medical college. Nestled in the karmabhoomi of Mahatma Gandhi, in Sevagram, this Institute was founded by Dr Sushila Nayar in 1969. It is attached to Kasturba Hospital, which has the distinction of being the only hospital in the country which was started by the Father of the Nation himself.

In the spirit of its Founder, the Mahatma Gandhi Institute of Medical Sciences, Sevagram today is committed to the pursuit of professional excellence by evolving an integrated pattern of medical education and it seeks to provide accessible and affordable health care primarily to underprivileged rural communities.

#### **MGIMS : Quality Medical Education**

The institute strives to produce doctors of high clinical competence, professional attitudes and ethical behavior. The Institute believes that Gandhian values and principles are relevant even today and it displays a fierce commitment to advancement of medical education without losing the humane touch.

We, at MGIMS, are conscious of the fact that medical education needs to maintain the right balance in the eternal triangle of 'quality, quantity and equity'. In our perennial quest to attain the perfect blend, we never forget that these three arms are not in conflict, and equity cannot be kept in abeyance. The students at MGIMS are drawn from all parts of the country and come from all kinds of social backgrounds. Every effort is made to acquaint the medical student to the real rural India. Our approach to medical education with the spotlight on rural community oriented education makes our doctors sensitive to the felt needs of the people they would be serving in their future. Our students are expected to adhere to professional norms which include altruism, compassion, empathy, accountability, honesty and integrity.

#### **Unique code of conduct**

The students and staff of the Institute adhere to a unique code of conduct, where they are expected to wear hand-woven khadi, participate in shramdan and attend an all-religion prayer every Friday evening. Non-vegetarian food, alcohol and tobacco are taboo.

Soon after admission to the MBBS course, the students live in Gandhiji's Ashram for 15 days, where they are oriented to Gandhian ideology and learn the Gandhian way of life. Drawn from different geographical and cultural backgrounds of the country, this phase helps them get acquainted with each other and respect mutual differences.

#### **Departments and Disciplines**

The Institute offers degrees and diplomas in 20 postgraduate disciplines, 19 of which are presently recognized by the Medical Council of India and PhDs in Nine departments is recognized by Maharashtra University of Health Sciences, Nashik (MUHS). The Institute follows all the norms laid down by the Medical Council of India and by the affiliating University, Maharashtra University of Health Sciences, Nashik for quality medical education. However, to achieve its specific objectives, it has made some curricular innovations which are unique and have stood the test of time now for many years.

The Institute boasts of a well equipped library which is a recognized resource library for HELLIS network in Western India. Students have access to computers and internet. Drawn

from all parts of India, MGIMS has the services of committed, trained full time teachers and physicians, many of whom have won prestigious National and International awards.

### **Community Orientation and Rural Service**

This institute was established to evolve a pattern of medical education to train doctors with a community focus. During the first year, students adopt families in a nearby village and live with the villagers for a fortnight in their surroundings. Here they survey the villagers, understand their social and health related problems and impart health education. The students are made responsible for the health care of the families allotted to them and they follow them up till the end of their medical training. They develop a bond with the villagers and this experience fills them with compassion and a sense of commitment towards serving poor rural communities.

Since 1991, the Institute has asked all its graduates to serve for two years in rural areas. 79 non-governmental organizations have joined hands with the institute to fulfill this dream. Young graduates are posted at these NGOs and provide services to the needy. This rural service is a **mandatory** criterion for applying for post-graduation in this Institute.

The Report of the Task Force on Medical Education of the National Rural Health Mission spells out the need to draw upon MGIMS Sevagram's initiatives and experience in curriculum innovation and rural placement of its graduates. It suggests launching a participatory exercise with MGIMS and other like-minded institutions, so that national guidelines can be formulated. Several such visionary and innovative education strategies which started from the Institute have now been adopted by the government.

### **Research**

The focus of the Institute has been on community based medical research. Quality research has been the hallmark of this rural institute and the large number of funded projects awarded to the various departments is ample testimony to the potential of the researchers. We have consistently received funding from the Indian Council of Medical Research, Department of Science and Technology, Department of Biotechnology, WHO, UNICEF, USAID, Fogarty AIDS Research and Training Program, USA, Canadian Institute of Health Research, Population Health Research Institute, Canada, National Institutes of Health (NIH), National Heart Lung Blood Institute (NHLBI) and other such organizations. Being located in Sevagram has never been a hurdle in acquiring either funds or facilities as the enthusiasm and the dedication of the faculty surpasses all other deterrents. Each year, the large numbers of national and international peer reviewed publications from this Institute provide evidence of excellence in research.

Over the last four decades, the MGIMS faculty has been striving hard to imbibe the philosophy which makes it pursue excellence in academics, healthcare and research, more than mundane needs and money; and to maintain excellence in quality. Today, MGIMS has impressive academic standards and excellent research facilities. In the 46 years of its existence, 2415 doctors have graduated from the hallowed premises of MGIMS. Our alumni, spread far and wide across the globe, continue to bring laurels to their Alma Mater.

### **KASTURBA HOSPITAL**

#### **Rural Health Care**

The hospital primarily caters to the rural populace. Almost three-fourths of the patients who visit our hospital come from rural backgrounds. The patient load comes to us not only from Vidarbha in Maharashtra, but also from adjoining parts of Andhra Pradesh, Madhya Pradesh and Chhatisgarh. Kasturba Hospital is a rural institute but it does not lack in any of the modern health care amenities and is able to provide health services at affordable costs. Kasturba Hospital offers the benefits of modern technology with compassionate health care.

The Hospital has state-of-the-art intensive care units in Medicine, Surgery, accidental / emergency, Obstetrics and Gynecology and Pediatrics which provide excellent critical

care. A well equipped hemodialysis unit is available for patients of renal failure. The Sri Satya Sai Accident and Emergency Unit provides succour to patients of trauma. The Institute has the only Blood Component Unit in the district which provides components not only to patients in Kasturba hospital, but also to adjoining private hospitals. Facilities for MRI, CT Scan and Mammography are available. The Institute also has a Linear accelerator, digital subtraction angiography and brachytherapy to its armamentarium, which is used for treatment of cancer patients. A computerized radiotherapy system has also been procured. The Alcohol and Drug De-addiction centre seeks to rehabilitate patients who are addicted to drugs and alcohol. The Pathology, Microbiology and Biochemistry laboratories have in-house facilities to conduct a battery of diagnostic tests. All departments of the hospital are connected by an advanced Hospital Information System. A neurosurgery department has also been started from the year 2009. Joint replacements, spine surgeries are routinely performed.

The Govt. of Maharashtra has initiated Rajiv Gandhi Jeevandayee Arogya Yojana (RGJAY) for improving the access to healthcare for poor patients. This scheme has commenced in Kasturba Hospital since 22<sup>nd</sup> November 2013.

### **Community Service and Health Care**

The Institute's commitment to the community is well known. Community-based programmes have been consistently implemented to enhance health care services. The Department of Community Medicine has adopted three primary health centres and developed a model of decentralized healthcare delivery at village level through **Community-based Organizations and the Panchayati Raj Institutions. It has formed 277 Self-help groups, 12 Kisan Vikas Manch and 88 Kishori Panchayats in the adopted villages.** Through innovative strategies, family life education is provided to adolescent girls in all the program villages. The Department of Community Medicine was given the Global Safe Motherhood Award in 2001 by the White Ribbon Alliance for Safe Motherhood and Global Council, USA in recognition of its Suraksha Aichi campaign in nearby villages. WHO has designated the Dr Sushila Nayar School of Public Health at MGIMS as a WHO Collaborating Centre for Research and Training in Community Based Maternal, Newborn and Child Health.

The health insurance scheme of the institute has won several accolades as it seeks to create health consciousness in the community. A villager can insure himself and his family by paying Rs 350 a year and in return he gets 50% subsidy in OPD and indoor bills. In 2013-14, 17292 families (78853 members) around Sevagram volunteered to obtain health insurance from this hospital. Similarly 40 villages were totally insured and 67116 rural people were insured under this scheme. No other medical institution has achieved this kind of coverage so consistently over the years and at so affordable a rate.

### **AWARDS AND RECOGNITION**

The National Rural Health Mission has lauded the 'positive contribution of MGIMS in maternal health activities conducted in partnership with the Government of India'. In 2006, the Institute was awarded the Mahaveer Award for Excellence in the Sphere of Education and Medicine by the Hon'ble President of India. The Institute was bestowed with the National Award for Innovative Hospital and Health Care Management by the Bombay Management Association in 1990. MGIMS has been included among the top 20 best Medical Colleges of the country by the INDIA TODAY survey in May 2008. A survey conducted by the National Medical Journal of India in 1996 ranked the Institute as second in research in Maharashtra. According to a survey (July 2014) by Outlook magazine, MGIMS has been ranked 17th in the list of top 25 medical schools of the country. The monthly Magazine "**Careers 360**" which is India's largest higher education & career counseling portal and gives bird's eye view of the popular study destinations across the globe has ranked Mahatma Gandhi Institute of Medical Sciences 10th in the list of India's Best Private Medical Colleges based on student's quality, output, impact and learning.

**The Institute has been accredited grade A by NAAC in recognition of its academic, research & health care activities.**

Over the last four & half decades, the MGIMS faculty has been striving hard to imbibe the philosophy which makes it pursue excellence in academics, healthcare and research, more than mundane needs and money; and to maintain excellence in quality. Today, MGIMS has impressive academic standards and excellent research facilities. In the 46 years of its existence, 2415 doctors have graduated from the hallowed premises of MGIMS. Our alumni, spread far and wide across the globe, continue to bring laurels to their Alma Mater.

Any Institute is recognized not by the pillars of its building, but by its faculty and their achievements. Drawn from all parts of India, MGIMS can boast of eminent full time teachers and physicians, many of whom have won prestigious National and International awards. Five of our faculty have received the Dr. B.C. Roy National award. While our Former Director, Dr. Sushila Nayar, was the recipient of the highest award of Medical Person cum statesman, Ex Deans Dr. J.S. Mathur and Dr. P. Narang received the award in the category of eminent medical teacher, Dr. B.C. Harinath for developing the specialty and Dr. P.B. Behere in the category of 'Socio- Medical Relief'. Three of the teachers, Dr. S. Chhabra, Dr. B.S. Garg and Dr. MVR Reddy have received best teacher awards from Maharashtra University of Health Sciences, Nashik for the years 2006, 2007 and 2011 respectively. Dr. S. Chhabra has also received Distinguished Community Services Award for emergency obstetric care from International Federation of Gynaecology & Obstetrics.

  - b) Who have served in the Armed Force Medical Service in the field areas/border areas/ modified field areas/ counter insurgency areas/ operational areas for at least three years. The authority to issue certificate of completion of three years of service for the above will be the Deputy Director General, Armed Forces Service (Planning and Training) on behalf of DGAFMS. *(These medical officers of Indian Armed Forces will be made available for full time training at MGIMS, Sevagram and their pay/ allowances will be paid by Indian Armed Forces. They will not claim for any stipend from MGIMS, Sevagram. They will however, make payments towards all the fees and other dues, as prescribed by the MGIMS, Sevagram administration from time to time).*
- vi) In case any candidate mentioned under iv a & b above shifts/change place of posting without getting appointed by the Dean MGIMS, Sevagram before the completion of 1 year posting, his/her priority status will automatically shift to second priority (as '5.4 v' above) in the merit list.
- vii) At the time of selection for P.G. Degree / Diploma Course each selected student who has completed only one year or less than one and half year of rural service **by 31<sup>st</sup> December, 2015** shall deposit an amount of Rs. 1 Lakh in cash or local cheque or DD for Rs. 1 Lakhs which will be kept as Security Deposit with Kasturba Health Society in lieu of balance rural service of more than 6 months or one year which has to be completed after completion of the P.G. Degree / Diploma courses. The said amount will be refundable on completion of prescribed rural service along with simple interest to be calculated at the rate applicable at the nationalized bank savings account from time to time.
- viii) The students who have completed one and half year or more but less than two years of rural service by **31<sup>st</sup> December, 2015** on selection shall deposit an amount of INR 50,000/- in cash or local cheque or DD for **Rs. Fifty Thousand** which will be kept as Security Deposit with the Kasturba Health Society in lieu of balance rural service of 6 months or less which has to be completed after completion of the P.G. Degree / Diploma courses. The said amount will be refundable on completion of prescribed rural service along with simple interest to be calculated at the rate applicable at the nationalized bank savings account from time to time.

- ix) The candidates who have not completed two years of rural service before **31/12/2015** shall give a bond on Rs 100 stamp paper that total \_\_\_\_\_ days of rural service is balance. I shall complete this balance rural service after the completion of PG course or service of the institute whatsoever the condition be. I am depositing Rs.1,00,000 / Rs.50,000 in lieu of the balance rural service. I understand that if I fail to complete the balance rural service the above deposited amount will be forfeited.
- x) The candidate shall complete his/her remaining rural service within 24 months of completion of the post graduate course or service of the institute whatsoever the condition be.
- xi) The posting of the students (covered in point '5.4 iv' above) who have to complete the remaining part of rural service at an NGO recognized by MGIMS or at a PHC of Maharashtra has to be given by Dean, MGIMS.
- xii) The posting of the students, covered in point '5.4 v' above, who have to complete the remaining part of rural service at PHC/ Govt. Hospital in a rural area and catering to the rural population should be by the respective State Government with information to Dean, MGIMS, Sevagram.
- xiii) If the selected candidate fails to fulfill the terms and conditions of the executed Bond (covering points vii, viii & ix above), the Institute shall have the right to retain the security deposits of Rs. 1 Lakh or Rs. 50,000/- as the case may be.
- xiv) The candidates who are not able to give such Bonds and deposits of Rs.1 Lakh or Rs. 50,000/- are allowed to have an option to complete two years rural service prior to application for the P.G. Course, in which case they will not be required to give a bond and security deposit but will appear for PG counseling / interview only after the completion of the 2 years rural service.
- xv) **After Completion of one year bond period, if the Institution further requires the services of the candidate, that additional period of the service at MGIMS will be considered towards the pending rural service as of 31<sup>st</sup> December, 2015. However, to fulfill this condition the candidate will have to serve at MGIMS for**
- \* 6 months if the pending rural service is up to one month;**
  - \* one year if pending rural service is more than one month but up to six months**
  - \* and two years if pending rural service is more than 6 months upto one year**
- 4.5. The students who resign from the opted PG seat resulting in lapse of seat will have to deposit Rs.10,00,000/- (Rupees Ten Lacs only) and in addition they will not be eligible to apply for PG seats for next 3 years in this Institution.
- 4.6. **After the successful completion of the post graduate course all the candidates who have taken admission in the post graduate courses of the Institute**
- \* shall serve the institute if so required by the Institute for a minimum uninterrupted period of one year (365 days).**
  - \* At the time of admission to PG Degree / Diploma Course each selected student will be required to sign a bond to the effect that he/she will serve the institute for a period of one year after the successful completion of the post graduate course and join within 15 days of from the date of the order issued by the authorities of the Institute.**

- \* **Failing to serve the institute accordingly to the satisfaction of the Authorities of MGIMS he/she will be required to pay Rs. 50,00,000/- (Rupees fifty lacs only) in cash for the default.**
- \* **The in service candidates will have to produce the no objection certificate from their respective Governments that they will be allowed to serve in the institute for one year after completion of the P.G.course.**

4.7. The applicants who are already admitted or registered for P.G. Degree/ Diploma of the MUHS or any other University or Institution must have had resigned and got relieved from the respective courses in which they were admitted before they appear for counseling of PG admissions at MGIMS.

## 5. Non Eligibility:

The candidate will be declared non-eligible

- 5.1. If he / she does not fulfill any of the criteria as mentioned in **4** above.
- 5.2 If he / she is working in the NGO/PHC recognized by the Institute but is not officially posted there by the Dean of MGIMS, Sevagram.]
- 5.3 Candidates who have not obtained MMC/MCI registration.
- 5.4 Candidates who had been admitted to PG course and resigned/left/not joined which resulted in lapse of a seat.
- 5.5 Candidates who are previously registered and are pursuing/have completed the PG degree/diploma course or have obtained PG degree/diploma in same subject.
- 5.6 Candidates who are registered for PG degree / diploma and have not passed the course.
- 5.7 Candidate having more than three extra attempts in the University examination during entire MBBS course.

## 6. Reservation:

6.1. **Constitutional:** 50% seats are reserved for the candidates belonging to the following categories:

i. Scheduled Castes and Scheduled Caste converts to Buddhism (SC)	13.0 percent
ii. Scheduled Tribes (ST)	7.0 percent
iii. Vimukta Jati ( VJ/DT A )	3.0 percent
iv. Nomadic Tribes 'b' (NT1)(before Jan 90 & equi. castes)	2.5 percent
v. Nomadic Tribes 'c' (NT2)(Dhangar & equi.castes)	3.5 percent
vi. Nomadic Tribes 'd' (NT3)(Vanjari & equi.castes)	2.0 percent
vii. Other Backward Classes (OBC) including SBC*	19.0 percent
<b>Total</b>	<b>50.0 percent</b>

\* **Applicants belonging to Special Backward Category:** Hon'ble High Court Mumbai had stayed admission to Special Backward Category as a separate quota and therefore, vide Government Circular from Social Welfare, Cultural Affairs and Sports Department No. CBC-1095/WS/264/BCW-5 dated 24th

October 1995, the persons belonging to Special Backward Category (SBC) are to be considered as OBC candidates.

- 6.1.1 As detailed below seats remaining vacant from various categories under constitutional reservation will be filled in by inter-se merit of that particular group as per the Government regulations and if the seats still remain vacant they will be offered first to students of any of the reservation category and then to Open category students as per merit.

## **INTER-SE MERIT GROUP**

### **Group I:**

1. Scheduled castes and Scheduled caste converts to Buddhism (S.C.)
2. Scheduled Tribes (S.T.)

### **Group II:**

1. Vimukta Jati (V.J./DT á' )
2. Nomadic Tribes 'b' (NT1)

### **Group III :**

1. Nomadic Tribes 'c' (NT2)
2. Nomadic Tribes 'd' (NT3)
3. Other Backward Classes (O.B.C.) including SBC

**Note:** The candidate should have claimed the constitutional reservation in the original application form. No request for the change of category under which applied for will be entertained after the submission of application to the Institute. Caste claim will not be accepted if requisite caste certificate & caste validity certificate is not submitted at the time of verification of certificates.

## **6.2. Physically Handicapped (PH) :**

- 6.2.1 As per G.R. No. SRV-1997/P.K.12/97/16-A dated 2.5.1998 Three percent (3%) seats are reserved for Physically Handicapped candidates (locomotory disability of lower limbs). Persons who are visually handicapped, hearing disabled and loco motor disability involving upper limb are not eligible to apply.
- 6.2.2 As per MCI guidelines letter no. MCI-34(1)/2003-Med/11773, dated 14/7/2003 persons having 'locomotory disability of lower limbs ranging between 50-70% are eligible to take admission to Health Science Courses. But those with more than 70% disability of lower limbs will not be eligible for admission in any category or Open seat.
- 6.2.3 In case any seat in this 3% quota remains unfilled on account of unavailability of candidates with locomotory disability of lower limbs between 50% to 70% then any such unfilled seat in this 3% quota shall be filled up by persons with locomotory disability of lower limbs between 40% to 50% - before they are included in the annual sanctioned seats for General Category candidates (No. MCI.18 (1)/2008-Med./54470 dated 25<sup>th</sup> March, 2009).
- 6.2.4 **For seeking the benefit of reservation under PH the candidate should submit proof of his/her disability to the MGIMS scrutiny committee at the time of verification of Certificates by way of a certificate in prescribed proforma from Civil Surgeon of a District Hospital/Medical Board/Medical Superintendent of a Government Medical College/Hospital in Maharashtra;**

or from the Director of All India Institute of Physical Medicine and Rehabilitation, Haji Ali, Mumbai;. (Format given in the Annexure: II) The certificate should have been issued within three months prior to presenting his application for seeking admission. In other words, the last valid disability certificate of the candidate from a Medical Board should not be more than three months old from the date of submitting his or her application for seeking admission in the reserved category for disabled candidates. (eg: If the last date of submission of application is 14<sup>th</sup> December, 2015 then this certificate should have been issued on or later than 14<sup>th</sup> September, 2015)

- 6.2.5 Verification of the disability and certificate will be carried out by Medical Board of the Institute at the time of admission at MGIMS. The Medical Board after ascertaining his/her disability will also certify that the candidate is physically fit to undergo the course, despite his/her disability.

## 7. Procedure for Applying for P.G. Admission:

- 7.1. Before applying, the candidates are advised to go through the Prospectus **available on the website [www.mgims.ac.in](http://www.mgims.ac.in)** and the instructions and rules given therein very carefully and fill in the application form completely. Incomplete applications will not be considered and no correspondence will be entertained.
- 7.2. Applications for admission to the course are required to be filled by downloading application form from the website [www.mgims.ac.in](http://www.mgims.ac.in) and the hard copy/printout of the filled application form should be submitted to the Dean's office along with Rs. 2000/- in cash or a demand draft of Rs. 2000/- drawn in favour of '**Dean, MGIMS, Sevagram**'.
- 7.3. The print out/hard copy of the filled in application, complete in all respects, accompanied with all the relevant documents and Fee of Rs.2000/- should reach the Office of Dean, Mahatma Gandhi Institute of Medical Sciences, Sevagram-442102, Wardha (Dist), Maharashtra on or before 28/12/2015. The applications received after the closing date will not be considered and no correspondence will be entertained.**
- 7.4. The allotment of the Post Graduate seat depends on the merit and the availability of seat in the subject at the time of the counseling.
- 7.5. No request for the change of category under which applied for will be entertained after the submission of application to the Institute.
- 7.6. Candidates in employment must forward their application through proper channel.
- 7.7. Any candidate giving false information in any form or in respect to educational qualification, experience, rural service etc. will be disqualified for admission and legal action may be taken.

## 8. Certificates Required:

The application form duly filled in should be accompanied with **one set of attested photo copies** of following documents.

- i. Nationality Certificate (**See Annexure III**) issued by District Magistrate / Additional District Magistrate / Chief Metropolitan Magistrate or photo copy of Valid Passport duly attested by Dean or Domicile Certificate having endorsed with nationality as Indian on it or Birth certificate having endorsed with nationality as Indian on it.
- ii. Marks Sheets of First Professional, Second Professional and Final Professional (Part I & Part II) MBBS
- iii. Passing / Degree Certificate of MBBS
- iv. Internship completion certificate
- v. Certificate of Registration with State or Medical Council of India
- vi. College Leaving Certificate for those who have not done MBBS from MGIMS
- vii. Attempt certificate of First Professional, Second Professional and Final Professional (Part I & Part II) MBBS
- viii. Copy of Gazette for change in name (**if applicable**)
- ix. Migration Certificate for the candidates of Universities other than Maharashtra University of Health Sciences, Nasik.
- x. Educational Gap (After qualifying Degree) Affidavit by student certified by Executive magistrate / Notary (**See Annexure IX**) (**if applicable**)
- xi. Certificate from Head of Institute showing that the Medical College / Institute from which the candidate has passed MBBS Examination is recognized by Medical Council of India
- xii. Certificate of Completion of Rural Service (as per the formats given in the **Annexures I A & B**)
- xiii. Posting letter in case of candidates who have served / serving in PHC / Government Rural Hospital from District Health Officer (DHO)
- xiv. Relieving / No objection Certificate for in-service candidates
- xv. Affidavit on Rs 100/- stamp paper stating reason for submission of duplicate copy of any document (**See Annexure VIII**) (**if applicable**).

#### **If Applicable**

- xvi. **Caste Certificate:** The candidates claiming reservation of caste under SC /ST / VJ/ NT1, 2 or 3 / OBC, including SBC, should produce a caste certificate signed by Sub Divisional Officer / Tehsildar/ equally competent officer authorized to issue certificate as per the format given in **Annexure IV (A, B & C)**.
- xvii. **Caste Validity Certificate:** Caste validity certificate from the caste certificate scrutiny committee signed by Divisional / District Social Welfare Officer of the division/district from where the caste certificate has been issued.

#### **Please note that**

1. The caste Validity certificate is meant for validating the caste certificate and it mentions the number of caste certificate. Therefore the caste certificate which is being presented for caste claim should have the number which the caste validity certificate is validating. (**Annexure V**)
2. The Caste validity certificate should have its own certificate number and date with round seal of the officer.

3. The Caste/Tribe validity Certificate Issuing Authorities are as mentioned below:

**For the candidates producing caste validity certificate from Maharashtra State**

- Divisional Caste Scrutiny Committee of respective Divisional Social Welfare Office for Candidates belonging to Scheduled Caste, Scheduled Caste converts to Buddhism, Vimukta Jati (VJ), Nomadic Tribes b,c,d and Other Backward Class (including SBC).
- Commissioner/Jt. Commissioner, Tribe Scrutiny Committee of respective Region for Candidates belonging to Scheduled Tribes.

**For the candidates producing caste Validity certificate from the States other than Maharashtra**

- District Social Welfare Officer / Deputy Collector / Collector (format given in **Annexure V** )

**Note:** For candidates seeking admission under reserve category, admission will not be done without proper Caste Certificate, Caste Validity Certificate, & Non Creamy Layer Certificate, if applicable.

- xviii. **Non-Creamy layer certificate:** The candidates seeking admission under VJ, NT1, NT2, NT3, OBC and SBC categories have to submit Non creamy layer certificate valid up to 31<sup>st</sup> March 2016 (format given in **Annexure VI**). The Non-Creamy Layer Certificate should be issued by the Sub-Divisional Officer of the District.
- xix. Physically handicap certificate (format given in **Annexure II**)

**NOTE**

- **IF ORIGINAL CASTE, CASTE VALIDITY OR NON CREAMY LAYER CERTIFICATES FROM DULY MENTIONED AUTHORITIES WITH PROPER SEAL/S AND DISPATCH NUMBER ARE NOT SUBMITTED / PRODUCED BY THE CANDIDATES CLAIMING ADMISSION UNDER CONSTITUTIONAL RESERVATION AT THE TIME OF VERIFICATION, THE CANDIDATES OPTING FOR RESERVATION CATEGORIES SHALL BE CONSIDERED AS OPEN CATEGORY CANDIDATES.**
- **CLAIM UNDER PHYSICALLY HANDICAPPED CATEGORY SHOULD BE MADE IN THE APPLICATION FORM SUPPORTED BY THE PROPER PHYSICALLY HANDICAPPED CERTIFICATE AS PER PROSPECTUS.**
- **NO ADDITIONAL TIME WILL BE GIVEN FOR PREPARING, PRODUCTION OF ANY CERTIFICATE / DOCUMENT, ONCE CALLED FOR VERIFICATION / COUNSELLING. HOWEVER, THE DECISION OF THE SELECTION COMMITTEE IN THIS REGARD WILL BE FINAL AND BINDING.**

**9. Preparation of Merit List:**

- 9.1. The merit list of the candidates will be prepared by the Dean, Mahatma Gandhi Institute of Medical Sciences, Sevagram after the last date of receipt of applications and notified on the college notice board at a later date.
- 9.2. Any objection or representation received within 6 hours of the notification of the merit list would be considered by the Dean who shall, if necessary, make modifications after placing the objections or representations before the P.G.

Selection Committee and the final merit list will again be notified on the college notice board before the counseling.

## 10. Determination of Merit:

10.1. The Merit will be determined by adding up the marks obtained at First Professional, Second Professional and Final Professional (Part I & Part II) MBBS examination along with the actual marks obtained in the subject in which the candidate has applied.

10.2. For candidates coming from any University other than Maharashtra University of Health Sciences, Nasik (MUHS), the marks obtained will be compiled after conversion to the subject wise pattern of the marks of MUHS, Nasik.

For example if a candidate has secured 180 marks out of maximum of 300 marks allotted to the subject by 'x' University from where he/she has graduated & if the maximum marks of this subject in Maharashtra University of Health Sciences, Nasik are 400 the marks for the tabulation of merit would be :

$$\frac{400 \times 180}{300} = 240$$

10.3. For the purpose of calculation in the subjects which are not separate at the M.B.B.S. level, the marks of the main subject under which the allied subject have been included as per Medical Council of India will be taken. For example marks obtained in Surgery for allied subjects, like Radiology, Anesthesiology & Orthopedics and marks obtained in Medicine for allied subjects like Psychiatry & Skin & VD.

10.4. The total marks obtained after calculation as mentioned above (12.1 to 12.3) will be tabulated for merit after making the following additions or deductions as the case may be:-

- a) 10 Additional marks will be awarded to each candidate who has completed rural service for 24 months or more by **31<sup>st</sup> December, 2015**.
- b) 7 Additional marks will be awarded to each candidate who has completed 18 months of rural service but less than 24 months by **31<sup>st</sup> December, 2015**. For each extra attempt, a deduction of 5% of the maximum marks of the subject in which candidate has failed will be made from the above aggregate.
- c) 10 additional marks will be added in the total marks of each candidate who has completed one year compulsory rotatory internship from Mahatma Gandhi Institute of Medical Sciences, Sevagram.

### 10.5. Tie Breaker :

In case of two or more candidates obtaining equal marks the inter-se-merit of such candidates will be determined in the order of preference as under:

1. The candidate with higher aggregate marks (converted into percentage) at First, Second and Third M.B.B.S. Examination (Part-I & II) taken together shall be preferred. If the tie still persists,
2. The candidate with higher aggregate marks (converted into percentage) at Third M.B.B.S. Examination (Part-I & II) will be preferred. If the tie still persists,

3. The candidate with higher aggregate marks (converted into percentage) at Second M.B.B.S. Examination will be preferred. If the tie still persists,
4. An older candidate will be preferred over a younger candidate.
5. While considering I, II, III MBBS marks and aggregate for above purpose, grace marks and/or NSS marks will not be taken into **account**.

## **11. Verification of original certificates and allotment of seat:**

- 11.1. All the candidates should be present at the Committee Room of the Dean's Office on the date & time given in the admission notice for the current year with original certificates and one set of attested photo copy of the certificates.
- 11.2. The Selection shall be on the basis of merit prepared with M.B.B.S. marks and personal appearance at the time of counseling. The above rules covered in items numbers 5 to 12 shall be applicable to all selections.
- 11.3. The Selection Committee shall consist of:
 

i. President, Kasturba Health Society	-	Chairman
ii. Dean, MGIMS	-	Member Secretary
iii. Medical Superintendent, Kasturba Hospital	-	Member
iv. Head of the concerned Department	-	Member

In the absence of the President, the Dean will be in the Chair.

The quorum for the meeting shall be of three members

This Committee will call candidates in person for Counseling and verification of original documents.

- 11.4. Selection will not solely depend on the merit in the examinations but shall be subject to the final selection of the candidate by the selection committee. However, the counseling with the selection committee does not carry any marks.
- 11.5. i) A candidate absent at the time of the first counseling will not be considered for admission and will not be eligible for any subsequent counseling for that academic year.
- ii) A candidate who is present but does not opt for a seat (if available) in the first counseling will not be eligible for any subsequent counseling for that academic year.
- iii) If any candidate to whom a seat has been allotted in the 1<sup>st</sup> round does not join the college and course seat so allotted, it will be presumed that such a candidate is not interested in the admission process and for all further round(s) of admission; such candidate shall not be considered for allotment of any seat whatsoever. The seat so allotted to such a candidate who does not join, will be presumed to be a vacant seat as on and from the next date after the date set out as the last date for joining the college in terms of such allotment. Such a vacant seat will be allotted to any other candidate on merit in the next round of counseling.
- iv) It is made clear that even if a candidate to whom a seat has been allotted in the 1<sup>st</sup> round wants a betterment of his/her choice, such a candidate must initially accept the allotment and join the college by completing the necessary formalities as set out by these Rules, failing which such a candidate will be left out of the entire admission process of the current academic year 2016- 2017.

- 11.6 Failure of the candidate in making full and correct statements in the application form and/or suppression of any information would lead to disqualification of the candidate, even at later date. Such a candidate will be debarred from the entire selection process.
- 11.7 It is responsibility of every candidate to submit proper documents. Any attempt to submit documents which are not genuine will lead to cancellation of the admission of the candidate, forfeiture of the fees, deposits and expulsion of the candidate from the college by the Competent Authority or by his authorised official. The name of such candidate/s shall be deleted from the Merit List and he/she will not be eligible for further rounds of the selection process and will be debarred from the selection process. All such action against the candidate if leads to lapse of seat then additional penalty of Rs.10,00,000/- (Rupees Ten Lacs Only) will be recovered from the candidates. If deemed fit even criminal proceeding may be initiated by the Competent Authority against such candidates/their parents.
- 11.8 If any candidate/ authorised representative or person accompanying is found obstructing the counseling and/or admission process, or trying to influence in unlawful manner/creating nuisance, the candidate shall be liable for disqualification from the process of selection and appropriate legal action will be taken. The decision taken by the Competent Authority in this respect shall be final and binding.
- 11.9 The registration once granted is valid only if the teacher and the Dean are satisfied about regularity, diligent pursuance of studies by the student as well as good conduct.
- 11.10 All candidates selected for admission shall be subject to the disciplinary rules of the Institution, MUHS, Nashik, MCI and Government.
- 11.11 Maharashtra University of Health Sciences, Nashik shall take the decision regarding eligibility, enrollment and registration and granting of the term of selected candidates. The selection of a candidate by the Competent Authority at a later date does not place any onus to accord approval for grant of term.
- 11.12 Canvassing directly or indirectly for the allotment of seat would disqualify the candidate for admission. Influencing the staff by unfair means, will lead to cancellation of allotted seat and such candidate will also face disqualification for appearance in the subsequent years.
- 11.13 A candidate selected for postgraduate course will not be allowed to change subject/college/institute on mutual basis as per the MCI rules/MUHS regulations.
- 11.14 In all matters regarding admission and interpretation of the rules for P.G. Selection the decision of the Selection Committee shall be final.
- 11.15 All matters of dispute will be legally dealt within the jurisdiction of Wardha Court.

## **12. Preference:**

- 12.1. First preference will be given to the Institutional Candidates. Institutional Candidates mean candidates who have passed the M.B.B.S. examination from Mahatma Gandhi Institute of Medical Sciences, Sevagram.
- 12.2. Candidates from outside the Institute will be considered after admission of the Institutional Candidates, provided they fulfill all the eligibility criteria as given in Item number 5.

### 13. Duration & Training of Courses:

- 13.1. It will be a three years residency system for degree course and two years for Diploma Course (as per MCI rules). Degree course after Diploma in the same subject will also be for two years.
- 13.2. The period of training as a Postgraduate student will be a full time assignment and the candidate shall put in regular attendance for the period prescribed by Mahatma Gandhi Institute of Medical Sciences, Sevagram to the entire satisfaction of his / her guide and Head of the Department. It is mandatory for all Post Graduate students to attend minimum 80% of training during each year starting from 1st May to 30th April. Any candidate who fails to fulfill the said criteria, term of such candidates shall be extended till such time, the said candidate fulfills 80 % attendance as specified above.
- 13.3. In case students' term is extended they will have to complete the extended term with required attendance. However, stipend will be paid for only 36 months in case of Degree and 24 months in case of diploma.
- 13.4. Every Candidate who joins M.D. /M.S. course is required to submit a plan of thesis approved by the Institutes Ethics Committee within 6 months of his/her joining the course or by the last date prescribed by MUHS, Nasik, whichever is earlier. He/she is required to submit the final thesis after completion of 2 1/2 year of his/her joining the course or as per the requirement of the University.
- 13.5. The candidate will be eligible to take the M.D./M.S. final examination only after approval of his/her thesis by the University.
- 13.6. All candidates are required to put in 6 complete terms of training in the concerned department after registration for degree and 4 terms in Diploma courses.
- 13.7. All the Students admitted to the post Graduate course shall maintain a log book which is mandatory as per the affiliating university, Maharashtra University of health Sciences, Nashik. The aim of the log-book is to evaluate the training program on a day to day basis so as to ascertain the eligibility of the candidate to appear for the final university examination for the degree / diploma. Following are the objectives of maintaining the log book:
  1. To help the Resident to maintain the day to day record of work done by him / her.
  2. To enable the faculty to have first hand information about the work done by the resident and suggest improvement for better performance.
  3. To confirm the participation in post graduate training activities like ward rounds, presentation of scientific articles at journal club, case clinics, post graduate seminars, clinical symposia and book reviews.
  4. Assessing the skills acquired by residents in patient care, teaching and research.
  5. To confirm level and degree of participation in research activities.
6. ASSESSMENT OF RESIDENCY

The resident will maintain a record of work which is to be verified by the Unit Head / In-charge of the activity and Head of the department on term basis. Based on the record of the work, the Head of department will certify the satisfactory completion of training annually under intimation to the Head of the Institution.

## 14. Fees and Security Deposits:

### 14.1. PAYABLE AT THE TIME OF ADMISSION ONLY:

Admission Fee	Rs. 5,000
Institute Caution Money	Rs. 5,000
Library Deposit	Rs. 5,000
Hostel Caution Money	Rs. 5,000
Mess Deposit	Rs. 5,000
MGIMS News Bulletin	Rs. 100
Medical Checkup fees	Rs. 500
University Development Fee	Rs. 50
University Enrolment and Eligibility	As per university norms
University MKCL Fee	Rs. 50
Internet Charges	Rs. 1,000

### 14.2. PAYABLE ANNUALLY:

Yearly Development charges (Part of tuition fee)	Rs. 5,000
Sports, Games and Gymnasium	Rs. 1,000
Health Insurance for students not receiving	Rs. 3,500

Hostel - Maintenance including Depreciation	Rs. 1,500

14.4 **Cancellation** : If any candidate cancels his/her admission, an amount of Rs. 5,500/- (Admission Fee Rs. 5000/-, Medical checkup fee Rs. 500/-) as Processing fee will be deducted. Hostel & Mess charges will be deducted as per use.

14.5 **Refund** : After completion of PG diploma/degree course, original receipt will be compulsorily needed for refund of caution and security money. No refund will be given without the original receipt.

## 15. Leave:

The registered P.G. Students can avail leave as follows:

- 15.1. Those registered for P.G. Degree/diploma courses can avail 15 days Earned leave and 15 days Casual leave for each year starting from 1<sup>st</sup> May to 30<sup>th</sup> April. Casual leave cannot be carried over from one year (as specified above) to another year, however earned leave can be carried over but cannot be encashed by taking accumulated earned leave at the end of P.G. Course as preparatory leave.
- 15.2. Thus a candidate registered for P.G. degree course can avail a total of 90 days leave during the three years course, whereas the candidate registered for P.G. Diploma course can avail a total of 60 days leave during the entire course of two years. This leave has to be availed within the prescribed duration of the P.G. course i.e. up to the 30<sup>th</sup> April of the last year of the course. It cannot be carried over after that. Any candidate who avails leave more than that

specified above, the total tenure will be extended by one or more terms as the case may be.

- 15.3. Normally Casual leave for more than 3 days at a time will not be sanctioned.
- 15.4. There is no provision of sick leave, special leave, maternity leave and any preparation leave before examination.

## **16. Hostel Accommodation:**

- 16.1. Hostel accommodation is available within the campus of the Institute.
- 16.2. The Hostel Accommodation is allotted by the Hostel Warden.
- 16.3. Mess/Canteen facilities are available in the campus.
- 16.4. Married P.G. hostel accommodation is available for the married P.Gs who are living with their spouses. The charges for Married P.G. hostel are Rs. 5,550/- month with extra charges for electricity and water.

## **17. Library:**

The MGIMS Library has been identified as Resource Library in the Western Region. It functions as Regional Medical Library within HELLIS Network. The Library subscribes to 151 international and 61 National Journals. In view of the importance of medical services, this library functions from 8:00 AM. upto 10.00 PM on all week days. Facility of internet & photocopying of the literature is available in the Library.

## **18. Discipline & Code of Conduct:**

- 18.1 Students admitted to MGIMS are expected to Exhibit high standards of academic interest and responsible behavior, befitting professional level of maturity.
- 18.2 The students are required to follow the following code of conduct of the institute.
  - i. Wearing Khadi
  - ii. Consume only vegetarian food.
  - iii. Eschew smoking, drinking and use of all other intoxicants.
  - iv Participate in Community Prayer, Shramdan & such other community activities as may be prescribed from time to time.
  - v. Be free from any prejudice regarding, caste, creed or untouchability.
- 18.3 If any student is found guilty of breach of discipline or code of conduct or violating any other rule of the Institute he/she will be liable to disciplinary action which could be cancellation of registration and expulsion from the Institute.
- 18.4 If any student is found engaged or engaging in any activity against female / male gender of any age which would fall within the purview of offence under provisions of Indian Penal Code, Protection of Children from Sexual Offence Act or any other type of law in existence, he would require to face disciplinary proceedings and he or she can be expelled from the Institute and his/her registration would be cancelled. Besides this, report would be lodged against him/her to police for prosecution.
- 18.5 If any student is found engaged or engaging in any type of act which would fall within the purview of offence under information and technology Act or if he uses electronic equipments, mobile , lap-top or any other mode of communication in any form which would fall within the purview of offence, in that case for such act, report would be lodged against him by the institute to police and disciplinary

action would be taken which may result in cancellation of registration and or expulsion from the Institute.

- 18.6 Students must pay for all damages caused by them to books and property of the Institute.
- 18.7 Fees shall be paid on the date notified by the Dean's office. Mess and electricity charges shall be paid in advance for 6 months with term fee. Balance if any, shall be refunded at the time of leaving.
- 18.8 Continuous absence from the duties allotted by the guide/HOD for more than one month without permission or any valid reason would make the student liable for removal from the college rolls.
- 18.9 In case of dispute in the matter of allotment of seat/course/institution or any other matter pertaining to the provisional selection or cancellation of admission, the decision of the Competent Authority shall be final and binding.
- 18.10 Legal Jurisdiction: All disputes pertaining to the PG selection process shall fall within the jurisdiction of Wardha Court only.
- 18.11 **Prevention of Ragging:** Ragging is a cognizable offence and is forbidden in any form. Anyone indulging in ragging will be punished under the act resulting in suspension, expulsion from the institute and imprisonment. The punishment for ragging will be mentioned in the college leaving certificate.

The Supreme Court has **defined the ragging** as under:

**Clause No.6** : Any disorderly conduct whether by words spoken or written or by an act which has the effect of teasing treating or handling with rudeness any other student, indulging in rowdy or in disciplined activities which cause or are likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student or asking the students to do any act or perform something which such student will not do in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student. The cause of indulging in ragging is deriving a sadistic pleasure or showing off, power, authority or superiority by the seniors over their juniors or freshers.

**Punishable ingredients of Ragging:-**

- Abetment to ragging;
- Criminal conspiracy to rag;
- Unlawful assembly and rioting while ragging;
- Public nuisance created during ragging;
- Violation of decency and morals through ragging;
- Injury to body, causing hurt or grievous hurt;
- Wrongful restraint;
- Wrongful confinement;
- Use of criminal force;
- Assault as well as sexual offences or even unnatural offences;
- Extortion;
- Criminal trespass;
- Offences against property;
- Criminal intimidation;
- Attempts to commit any or all of the above mentioned offences against the victim(s);
- Physical or psychological humiliation.

**Punishments:**

Depending upon the nature and gravity of the offence as established by the Anti-Ragging Committee of the institution, the possible punishments for those found guilty of ragging at the institution level shall be any one or any combination of the following:

- Suspension from attending classes and academic privileges.
- Withholding/withdrawing scholarship/ fellowship and other benefits.
- Debarring from appearing in any test/ exam or other evaluation Process.
- Withholding results
- Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.
- Suspension/ expulsion from the hostel
- Cancellation of admission.
- Rustication from the institution for period ranging from 1 to 4 semesters
- Expulsion from the institution and consequent debarring from admission to any other institution for a specific period.
- Fine of Rs. 25,000/- to Rs.1 lakh.
- Collective punishment: When the persons committing or abetting the crime of ragging are not identified, the institution shall resort to collective punishment.

**19. Awards:**

1. Shri Sumat Prasad Parmeshwari Das Jain Memorial Silver Medal for topping the merit list for the selection of postgraduate students among the regular batch for the year under consideration.
2. Sagar Gupta memorial Award of Rs.10,000/- (Rupees Ten Thousand) for topping the merit list among the students admitted for postgraduate course in Surgery for the year under consideration.
3. Sh. Kulbhushan and Urmil Vohra cash award for standing second in the merit list among the students admitted for postgraduate course in Surgery for the year under consideration.
4. Smt Urmil Vohra Silver medal and cash award for the P.G. Student who tops the merit list among the Students admitted for Postgraduate course in department of Medicine for the year under consideration.

5.00-5.30 PM	Post-test & Valedictory	Dr Bhupendra Mehra

**WORKSHOP ON 'DEVELOPING GOOD STUDY SKILLS'****Date:** 25 October 2015 (Sunday)**Time:** 9.00 a.m. - 5.00 p.m.**Faculty:** Anshu, MVR Reddy, Subodh S Gupta, Abhishek Raut, Puja Bang**PROGRAMME**

9.00 - 9.45 a.m.	Introduction to workshop	Anshu
9.45-10.00 a.m.	Learning styles VARK questionnaire	Puja
10.00 -10.45 a.m.	Habits of successful students	Abhishek, Puja
10.45-11.00 a.m.	<b>TEA BREAK</b>	
11.00- 11.30 a.m.	Why do I forget what I study?	Anshu, Subodh
11.30-11.50 a.m.	Using learning strategies to match your learning style	Puja
11.50-12.30 p.m.	Knowing how you learn	Subodh, Puja
12.30-1.00 p.m.	Time management for a healthy work and life balance	MVR Reddy
1.00-1.30 p.m.	<b>LUNCH</b>	
1.30-2.00 p.m.	How do you read?	Anshu
2.00-2.15 p.m.	Concept maps	Abhishek
2.15-2.45 p.m.	Cornell's note taking technique	Anshu
2.45-3.30 p.m.	Learning together	Abhishek, Subodh
3.30-3.45 p.m.	<b>TEA BREAK</b>	
3.45-4.00 p.m.	Best practices in writing answers	Abhishek
4.00-4.30 p.m.	The wonders of viva voce	Anshu
4.30-4.45 p.m.	Take home messages	Subodh
4.45- 5.00 p.m.	Feedback and Valedictory session	All faculty

## **THE WHITE COAT ARMY**

### **An MGIMS undergraduate students' initiative against tobacco and alcohol**

In July 2015, a few undergraduate students from 2012, 13 and 14 batches of MGIMS formed a team called 'The White Coat Army' under the guidance of Dr Dharav Shah, an Assistant Professor of Psychiatry at MGIMS. The group's objective was to increase awareness about tobacco and alcohol addiction among the masses.

The main questions that the group addresses are:

- Causes of alcohol and tobacco attributable deaths, other than liver damage and cancer.
- How addictions impair the quality of life even when the person is still alive
- Addressing common misconceptions such as: 'It is better to start taking little amount of alcohol to improve one's health'.
- How addictions actually increase stress in the long run
- The addictive nature of alcohol and tobacco-. Why it is advisable to not touch the first drink.
- Giving hope that quitting addiction is possible- Informing about the help available through Psychiatry Department and Alcoholics Anonymous. Giving few tips on quitting.
- How to help family members who are addicted

### **What does the White Coat Army do?**

- The White Coat Army started conducting awareness campaigns for patients and their relatives who visited our hospital in the departments of Medicine, Pediatrics, Obstetrics & Gynecology and Psychiatry.
- The team members conducted 3-4 awareness talks per week in rotation and thus covered 1147 people in one month.
- The team has also conducted two sessions for the newly admitted students of 2015 batch, focusing mainly on ways to deal with peer pressure and stress management.
- Four team members expanded their work and have conducted sessions for school children in their respective hometowns, covering around 300 students.
- The team has conducted a survey assessing the role of alcohol ban implementation and its efficacy in the Indirawadi area of Wardha.
- The team has recently started visiting nearby villages and has organized campaigns in Ekurli and Padegaon, including a special session on World Anti Tobacco Day.

### **Evaluation of work**

The team used retro-pre questionnaires to assess the impact of their work on the audience as well as the participating volunteers. The results obtained are summarized below.

### Awareness about common causes of deaths attributable to alcohol

Disease/ event	Pre presentation (n=27)	Post presentation (n=27)	Fisher's Test (p value)
Suicide	6	16	<b>0.02</b>
Stroke	4	13	<b>0.02</b>
Cancer	13	22	<b>0.04</b>
Murder	8	15	0.11
Accidents	13	19	0.20
Heart attack	10	14	0.44
Liver damage	17	21	0.44

Our talks significantly increased awareness that alcohol also causes deaths through cancers, suicides and strokes.

### Awareness about common causes of deaths attributable to tobacco

Disease/ event	Pre presentation (n=27)	Post presentation (n=27)	Fisher's Test (p value)
Stroke	3	12	<b>0.02</b>
Heart attack	8	15	0.11
Cancer	21	25	0.38
Tuberculosis	13	17	0.45

### Stand about drinking alcohol in their personal life

	Pre- presentation	Post- presentation
Currently I consume alcohol; and I will continue to drink it	1	0
Currently I consume alcohol in control; but I will stop it now	3	5
Currently I don't consume alcohol; but I have a wish to try it atleast once.	1	0
Currently I don't consume alcohol; and I will never touch it	20	21
Did not answer	6	5

### Stand about chewing / smoking tobacco in their personal life

	Pre presentation	Post presentation
Currently I take tobacco in control; & I will continue to take it	1	0
Currently I take tobacco in control; but I will stop it now	4	5
Currently I don't take tobacco; but I have a wish to try it atleast once.	1	0
Currently I don't take tobacco; and I will never touch it	17	19
Did not answer	8	7

**Impact on student volunteers:**

Retrospective post-then-pre self-assessment showed that there was significant enhancement in the knowledge as well as skills of students.

**Retro – Pre Feedback from student volunteers (n=18)**

(Rated on scale of 1 to 7)

Domain of Knowledge/ Skill set	Average ratings		Paired T test.	P value
	Pre activity	Post activity		
What all are the adverse consequences of alcohol & tobacco use	3.61	6.22	9.270	<b>&lt;0.0001</b>
Magnitude of the addiction problem in our society	4.28	6.44	6.237	<b>&lt;0.0001</b>
Why working on preventive strategies is important for solving the problem of substance addiction?	3.33	6.39	7.801	<b>&lt;0.0001</b>
Why using alcohol is not a smart way of recreation? How it increases stress in the long run?	4.39	6.5	6.767	<b>&lt;0.0001</b>
Your ability to counsel a youngster on why not to use addictive substances like alcohol or tobacco	2.39	5.89	12.907	<b>&lt;0.0001</b>
Your ability to counsel a person addicted to alcohol on how to quit it.	2.33	5.78	9.981	<b>&lt;0.0001</b>
Your ability to counsel the wife or a family member of an addict, on how to respond to his behaviour and how to help him quit	2.28	5.89	18.028	<b>&lt;0.0001</b>

- Few of the members have taken up research projects in independent groups aiming to make village school kids addiction free.
- So far, we have reached 2600 people through our campaigns and plan to expand its reach to nearby villages, schools and colleges.

## **INTRODUCTION**

### ***Mahatma Gandhi Institute of Medical Sciences, Sevagram***

#### **'A Medical College with a Difference'**

The Mahatma Gandhi Institute of Medical Sciences, Sevagram is India's first rural medical college. Nestled in the karmabhoomi of Mahatma Gandhi, in Sevagram, this Institute was founded by Dr Sushila Nayar in 1969. It is attached to Kasturba Hospital, which has the distinction of being the only hospital in the country which was started by the Father of the Nation himself.

In the spirit of its Founder, the Mahatma Gandhi Institute of Medical Sciences, Sevagram today is committed to the pursuit of professional excellence by evolving an integrated pattern of medical education and it seeks to provide accessible and affordable health care primarily to underprivileged rural communities.

#### **MGIMS : Quality Medical Education**

The institute strives to produce doctors of high clinical competence, professional attitudes and ethical behavior. The Institute believes that Gandhian values and principles are relevant even today and it displays a fierce commitment to advancement of medical education without losing the humane touch.

We, at MGIMS, are conscious of the fact that medical education needs to maintain the right balance in the eternal triangle of 'quality, quantity and equity'. In our perennial quest to attain the perfect blend, we never forget that these three arms are not in conflict, and equity cannot be kept in abeyance. The students at MGIMS are drawn from all parts of the country and come from all kinds of social backgrounds. Every effort is made to acquaint the medical student to the real rural India. Our approach to medical education with the spotlight on rural community oriented education makes our doctors sensitive to the felt needs of the people they would be serving in their future. Our students are expected to adhere to professional norms which include altruism, compassion, empathy, accountability, honesty and integrity.

#### **Unique code of conduct**

The students and staff of the Institute adhere to a unique code of conduct, where they are expected to wear hand-woven khadi, participate in shramdan and attend an all-religion prayer every Friday evening. Non-vegetarian food, alcohol and tobacco are taboo.

Soon after admission to the MBBS course, the students live in Gandhiji's Ashram for 15 days, where they are oriented to Gandhian ideology and learn the Gandhian way of life. Drawn from different geographical and cultural backgrounds of the country, this phase helps them get acquainted with each other and respect mutual differences.

#### **Departments and Disciplines**

The Institute offers degrees and diplomas in 20 postgraduate disciplines, 19 of which are presently recognized by the Medical Council of India and PhDs in Nine departments is recognized by Maharashtra University of Health Sciences, Nashik (MUHS). The Institute follows all the norms laid down by the Medical Council of India and by the affiliating University, Maharashtra University of Health Sciences, Nashik for quality medical education.

However, to achieve its specific objectives, it has made some curricular innovations which are unique and have stood the test of time now for many years.

The Institute boasts of a well equipped library which is a recognized resource library for HELLIS network in Western India. Students have access to computers and internet. Drawn from all parts of India, MGIMS has the services of committed, trained full time teachers and physicians, many of whom have won prestigious National and International awards.

### **Community Orientation and Rural Service**

This institute was established to evolve a pattern of medical education to train doctors with a community focus. During the first year, students adopt families in a nearby village and live with the villagers for a fortnight in their surroundings. Here they survey the villagers, understand their social and health related problems and impart health education. The students are made responsible for the health care of the families allotted to them and they follow them up till the end of their medical training. They develop a bond with the villagers and this experience fills them with compassion and a sense of commitment towards serving poor rural communities.

Since 1991, the Institute has asked all its graduates to serve for two years in rural areas. 75 non-governmental organizations have joined hands with the institute to fulfill this dream. Young graduates are posted at these NGOs and provide services to the needy. This rural service is a mandatory criterion for applying for post-graduation in this Institute.

The Report of the Task Force on Medical Education of the National Rural Health Mission spells out the need to draw upon MGIMS Sevagram's initiatives and experience in curriculum innovation and rural placement of its graduates. It suggests launching a participatory exercise with MGIMS and other like-minded institutions, so that national guidelines can be formulated. Several such visionary and innovative education strategies which started from the Institute have now been adopted by the government.

### **Research**

The focus of the Institute has been on community based medical research. Quality research has been the hallmark of this rural institute and the large number of funded projects awarded to the various departments is ample testimony to the potential of the researchers. We have consistently received funding from the Indian Council of Medical Research, Department of Science and Technology, Department of Biotechnology, WHO, UNICEF, USAID, Fogarty AIDS Research and Training Program, USA, Canadian Institute of Health Research, Population Health Research Institute, Canada, National Institutes of Health (NIH), National Heart Lung Blood Institute (NHLBI) and other such organizations.

Being located in Sevagram has never been a hurdle in acquiring either funds or facilities as the enthusiasm and the dedication of the faculty surpasses all other deterrents. Each year, the large numbers of national and international peer reviewed publications from this Institute provide evidence of excellence in research.

Over the last four decades, the MGIMS faculty has been striving hard to imbibe the philosophy which makes it pursue excellence in academics, healthcare and research, more than mundane needs and money. Today, MGIMS has impressive academic standards and excellent research facilities. In the 46 years of its existence, 2415 doctors have graduated from the hallowed premises of MGIMS. Our alumni, spread far and wide across the globe, continue to bring laurels to their Alma Mater.

## **KASTURBA HOSPITAL**

### **Rural Health Care**

The hospital primarily caters to the rural populace. Almost three-fourths of the patients who visit our hospital come from rural backgrounds. The patient load comes to us not only from Vidarbha in Maharashtra, but also from adjoining parts of Andhra Pradesh, Madhya Pradesh and Chhatisgarh. Kasturba Hospital is a rural institute but it does not lack in any of the modern health care amenities and is able to provide health services at affordable costs. Kasturba Hospital offers the benefits of modern technology with compassionate health care.

The Hospital has state-of-the-art intensive care units in Medicine, Accident & Emergency, Surgery, Obstetrics and Gynecology and Pediatrics which provide excellent critical care. A well equipped hemodialysis unit is available for patients of renal failure. The Sri Satya Sai Accident and Emergency Unit provides succour to patients of trauma. The Institute has the only Blood Component Unit in the district which provides components not only to patients in Kasturba hospital, but also to adjoining private hospitals. Facilities for MRI, CT Scan and Mammography are available. The Institute also has a Linear accelerator, digital subtraction angiography and brachytherapy to its armamentarium, which is used for treatment of cancer patients. A computerized radiotherapy system has also been procured. The Alcohol and Drug De-addiction centre seeks to rehabilitate patients who are addicted to drugs and alcohol. The Pathology, Microbiology and Biochemistry laboratories have in-house facilities to conduct a battery of diagnostic tests. All departments of the hospital are connected by an advanced Hospital Information System. A neurosurgery department has also been started from the year 2009. Joint replacements, spine surgeries are routinely performed.

The Govt. of Maharashtra has initiated Rajiv Gandhi Jeevandayee Arogya Yojana (RGJAY) for improving the access to healthcare for poor patients. This scheme has commenced in Kasturba Hospital since 22nd November 2013.

### **Community Service and Health Care**

The Institute's commitment to the community is well known. Community-based programmes have been consistently implemented to enhance health care services. The Department of Community Medicine has adopted three primary health centres and developed a model of decentralized healthcare delivery at village level through Community-based Organizations and the Panchayati Raj Institutions. It has formed 276 Self-help groups, 12 Kisan Vikas Manch and 90 Kishori Panchayats in the adopted villages. Through innovative strategies, family life education is provided to adolescent girls in all the program villages. The Department of Community Medicine was given the Global Safe Motherhood Award in 2001 by the White Ribbon Alliance for Safe Motherhood and Global Council, USA in recognition of its Suraksha Aichi campaign in nearby villages. WHO has designated the Dr Sushila Nayar School of Public Health at MGIMS as a WHO Collaborating Centre for Research and Training in Community Based Maternal, Newborn and Child Health.

The health insurance scheme of the institute has won several accolades as it seeks to create health consciousness in the community. A villager can insure himself and his family by paying Rs 350 a year and in return he gets 50% subsidy in OPD and indoor bills. In 15, 17755 families (81069 members) around Sevagram volunteered to obtain health insurance from this hospital. Similarly 40 villages were totally insured and 75281 rural people were insured under this scheme. No other medical institution has achieved this kind of coverage so consistently over the years and at so affordable a rate.

### **AWARDS AND RECOGNITION**

The National Rural Health Mission has lauded the 'Positive contribution of MGIMS in maternal health activities conducted in partnership with the Govt. of India'. In 2006, the Institute was awarded the Mahaveer Award for Excellence in the Sphere of Education and Medicine by

the Hon'ble President of India. The Institute was bestowed with the National Award for Innovative Hospital & Health Care Management by the Bombay Management Association in 1990. MGIMS has been included among the top 20 best Medical Colleges of the country by the INDIA TODAY survey in May 2008. A survey conducted by the National Medical Journal of India in 1996 ranked the Institute as second in research in Maharashtra. According to a survey (July 2014) by Outlook magazine, it has been ranked 17th in the list of top 25 medical schools of the country.

**The Institute has been accredited grade A by NAAC in recognition of its academic, research & health care activities.**

Over the last four and half decades, the MGIMS faculty has been striving hard to imbibe the philosophy which makes it pursue excellence in academics, healthcare and research, more than mundane needs and money; and to maintain excellence in quality. Today, MGIMS has impressive academic standards and excellent research facilities. In the 46years of its existence, 2415 doctors have graduated from the hallowed premises of MGIMS. Our alumni, spread far and wide across the globe, continue to bring laurels to their Alma Mater.

Any Institute is recognized not by the pillars of its building, but by its faculty and their achievements. Drawn from all parts of India, MGIMS can boast of eminent full time teachers and physicians, many of whom have won prestigious National and International awards. Five of our faculty have received the Dr. B.C. Roy National award. While our Former Director, Dr. Sushila Nayar, was the recipient of the highest award of Medical Person cum statesman, Ex Deans Dr. J.S. Mathur and Dr. P. Narang received the award in the category of eminent medical teacher, Dr. B.C. Harinath for developing the specialty and Dr. P.B. Behere in the category of 'Socio- Medical Relief'. Three of the teachers, Dr. S. Chhabra, Dr. B.S. Garg and Dr. MVR Reddy have received best teacher awards from Maharashtra University of Health Sciences, Nashik for the years 2006, 2007 and 2011 respectively. Dr. S. Chhabra has also received Distinguished Community Services Award for emergency obstetric care from International Federation of Gynaecology & Obstetrics.

**ADMINISTRATION:**

Shri D. S. Mehta	-	President, Kasturba Health Society
Dr. B.S. Garg	-	Secretary, Kasturba Health Society
Dr. K.R. Patond	-	Dean, Mahatma Gandhi Institute of Medical Sciences
Dr. S. P. Kalantri	-	Medical Superintendent, Kasturba Hospital

**Administrative Staff at Dean Office**

Mrs. Sangeeta Narang	-	Administrative Officer & Rural posting
Mrs. Trupti Das	-	Awards, Scholarship, Fees, Refund, Mentor – Student
Mrs. Manisha Honale	-	Personnel Section (Teaching) (Posted at Secretary office)
Mrs. Vishwas Ranade	-	Personnel Section (Non-Teaching)
Mr. M. G. Jose	-	UG & PG - enrolment & eligibility, Examination Certificates, NOC & clearance, Results, Order of payment for Intern & PG,

Mr. Sandeep	-	UG&PG fee record, Clinical Posting, Anti-ragging work, Issue of Certificate, Interns Stipend, Entry in HIS, Railway Concessions, Filing
Mr. Satish Katarkar	-	UG Admission
Mr. Jayant Jumde	-	Website update, Compilation of Information and Miscellaneous and Admission Cell

## **MGIMS FACULTY :**

Dr. K.R. Patond - Dean

### **ANATOMY**

1	Dr. M. R. Shende	Professor & H.O.D.
2	Dr. Asoke Kumar Pal	Professor (Cytogenetics)
3	Dr. Aditya M. Tamekar	Professor
4	Dr. J. E .Waghmare	Assoc. Professor
5	Dr. V.R. Wankhede	Assoc. Professor
6.	Mr. Pradeep Bokariya	Asstt. Professor
7.	Dr. Bharat R. Sontakke	Asstt. Professor
8.	Dr. Vijay K. Gujar	Asstt. Professor
9.	Dr. Shweta Talhar	Asstt. Professor

### **PHYSIOLOGY**

1.	Dr. A. R. Choudhary	Professor & H.O.D.
2.	Dr. Shobha Pajai	Assoc. Professor
3.	Dr. Nishant V. Bansod	Assoc. Professor
4.	Dr. Sachin M. Pawar	Assoc. Professor
5.	Dr. Ruchi Kothari	Asstt. Professor
6.	Dr. Vinod Shende	Asstt. Professor

### **BIOCHEMISTRY**

1.	Dr. M.V.R. Reddy	Director Professor & H.O.D.
2.	Dr. Satish Kumar	Professor
3.	Dr. Kalyan Goswami	Professor
7.	Dr. Kanchan Mohod	Assoc. Professor
4.	Dr. Pranita J. Waghmare	Asstt. Professor
5.	Dr. Ashwini Kamble	Asstt. Professor

### **JBTDRC**

1	Dr. B.C. Harinath	Director, JBTDRC & Hon. Professor
---	-------------------	-----------------------------------

### **FORENSIC MEDICINE**

1.	Dr. B.H. Tirpude	Professor & H.O.D.
2.	Dr. P.N. Murkey	Professor
3.	Dr. I. L. Khandekar	Professor
4.	Dr. P.R. Zopate	Asstt. Professor

- V. Tirumala Prasad Silver Medal
- M/s Kothari Book Depot Silver Medal
- Late Shri Kesharao G. Babhulkar cash award Rs 1500.
- Running Trophy instituted by 1974 batch of MGIMS

##### **4.1.2 Second in first Professional**

- MGIMS Bronze Medal.

##### **4.1.3 Anatomy**

- First : MGIMS Silver Medal  
'Dr. Sushila Nayar Smriti Puraskar' cash award Rs 6500/-
- Second : MGIMS Bronze Medal

##### **4.1.4 Physiology**

- First : M/s Instrument & Chemical Pvt. Ltd. Silver Medal
- Second: MGIMS Bronze Medal

##### **4.1.5 Biochemistry**

- First : Shri Bhaskara Chinnaiah Gold Medal
- Second: MGIMS Bronze Medal

## 4.2 SECOND PROFESSIONAL :

### 4.2.1 First in Second Professional :

- Dr. Shaila Savakare Memorial Silver Medal
- Late Shri Kesharao G. Babhulkar cash award Rs 1500
- Running Trophy instituted by 1974 Batch of MGIMS

### 4.2.2 Second in Second Professional:

- Dr. E. M. Hech Bronze Medal

### 4.2.3 Microbiology

- First : MGIMS Silver Medal
- Second: MGIMS Bronze Medal

### 4.2.4 Pharmacology

- First : MGIMS Silver Medal
- Second: M/s I. G. E. Co. Bombay Bronze Medal

### 4.2.5 Forensic Medicine

- First : MGIMS Silver Medal
- Second: MGIMS Bronze Medal

### 4.2.6 Pathology

- First : MGIMS Silver Medal
- Second: M/s Kashinath Navghare Bronze Medal

## 4.3 FINAL PROFESSIONAL (PART-I)

### 4.3.1 First in final Professional (Part -1) :

- MGIMS Silver Medal & Smt. Urmil Vohra cash prize Rs 600/-

### 4.3.2 Second in final Professional (Part -1) :

- MGIMS Bronze Medal

### 4.3.3 Community Medicine

- First : MGIMS Silver Medal  
Dr. Prasad Vidwans Memorial Prize of Rs. 301  
Lalit B. Mahajan Memorial Prize of Rs 101
- Second: M/s Chandak Instruments Corporation Bronze Medal

### 4.3.4 Ophthalmology

- First : Shri Yogendra Pal Silver Medal
- Second: M/s Central Scientific Co. Bronze Medal

### 4.3.5 ENT

- First : Shri V.N. Chaturvedi cash prize Rs 5000/-  
Shri G.S.Kakade Silver Medal
- Second: MGIMS Bronze Medal

## 4.4 FINAL PROFESSIONAL (PART-II)

- 4.4.1 **First in final Professional (Part -II)**
- Rajyapal of Gujrat Gold medal for standing first and satisfactory performance throughout the study period.
  - Late Shri Keshao Rao G. Babhulkar cash award Rs. 2000
  - Dr. Anand Karkhanis Silver Medal
- 4.4.2 **Second in final Professional (Part -II)**
- MGIMS Bronze Medal
- 4.4.3 **Surgery**
- First : Dr V. Sabnis Silver Medal
  - Second: M/s Bond & Sons Bronze Medal
- 4.4.4 **Medicine**
- First : Shri L. R. Pandit Gold Medal  
Shri Ramchandra Rao Balkrishnapant  
Deshpande Memorial Silver Medal  
Dr. B. K. Mahajan Silver Medal  
Late Shri Birbal Jain Silver Medal
  - Second: MGIMS Bronze Medal
- 4.4.5 **Pediatrics**
- First : Dr. I. D. Singh Silver Medal
  - Second: MGIMS Bronze Medal
- 4.4.6 **Midwifery & Gynecology**
- First : Smt. Anjana B. Mahajan Silver Medal
  - Second: MGIMS Bronze Medal
- 4.5 **BEST STUDENT**
- Dr. P. R. J. Gangadharam Gold Medal.
- 4.6 **SOCIAL & MOST CHEERFUL STUDENT**
- Dr. M. L. Mehrotra Pure Silver Medal.

## INTERNSHIP

### Rules Governing Internship Training Programme for Final Year pass out MBBS Candidates under the Faculty of Medicine

#### A: OBJECTIVES OF INTERNSHIP TRAINING PROGRAMME:

At the end of training, the Intern shall be able to:

- i) Diagnose clinically common disease, make timely decision for referral to higher level.
- ii) Use discreetly the essential drugs, infusions, blood or its substitutes and laboratory services
- iii) Manage all type of emergencies - medical, surgical, obstetric, neonatal and paediatric
- iv) Demonstrate skills in monitoring of the National Health Programmes and schemes
- v) Develop leadership qualities
- vi) Render services to chronically sick and disabled.
- vii) Render specific services to the cases from the tribal and backward regions of the State

#### Internship Training Programme applicable to the Students passed final year in Jan 2010 & Onwards

Community Medicine	60 Days
Medicine including 15 days of Psychiatry	60 Days
Surgery including 15 days Anaesthesia	60 Days
Obst./Gynae. Including Family Welfare Planning	60 Days
Paediatrics	30 Days
Orthopaedics including PMR	30 Days
ENT	15 days
Ophthalmology	15 days
Casualty	15 days
Elective posting (1X15 days)	15 days
Internship Orientation Programme	05 days

#### Subjects for Elective posting will be as follows:

- i) Dermatology and Sexually Transmitted Diseases.
- ii) Tuberculosis and Respiratory Diseases.
- iii) Radio – Diagnosis
- iv) Forensic Medicine
- v) Blood Bank
- vi) Psychiatry

**Note: Structure internship with college assessment at the end of the internship.**

#### B: LEAVE FOR INTERNS:

- (i) No kind of leave or absence is permitted to an Intern except as may be permitted by the Medical Council of India. Total number of leave will be maximum 12 days per year
- (ii) They cannot take more than 6 days leave at a time.

#### C: LOG BOOK:

It shall be compulsory for an Intern to maintain the record of procedures done/assisted/observed by him/her on day-to-day basis in a prescribed log-book. Failure to produce log-book, complete in all respects duly certified by the concerned authority to the Dean/Principal at the end of Internship Training Programme, may result in cancellation of his or her performance in any or all disciplines of Internship Training Programme. The intern shall maintain a record of work, which is to be verified and certified by the medical officer/ Head of the Unit under whom he works.

**D: Satisfactory completion shall be determined on the basis of the following:**

- a. Proficiency of knowledge required for each case Score 0-10
- b. The competency in skills expected to manage each case:
  - I. Competency for performance of self performance
  - II. of having assisted in procedures
  - III. of having observed Score 0-10
- c. Responsibility, punctuality, work up of case, involvement in treatment, follow-up reports Score 0-10
- d. Capacity to work in a team (Behaviour with colleagues, nursing staff and relationship with paramedicals) Score 0-10
- e. Initiative, participation in discussions, research aptitude Score 0-10

Poor / Fair / below average / average / above average / excellent 0 2-3 3-4 5-6 7-8 9-10

The assessment will be done by respective head of unit /medical officer and entered in log book itself at the end of posting.

**E: EVALUATION:**

**Evaluation of Interns for assessing eligibility for issuing Internship Completion Certificate by Heads of the Medical Colleges:**

The evaluation system shall assess the skills of a candidate while performing the minimum number of procedures as enlisted with an objective that successful learning of these procedures by a candidate will enable him to conduct the same in his actual practice.

- ii) The evaluation shall be done on or before the completion of the posting in following disciplines:
  - a. Medicine and Allied: Medicine Department
  - b. Surgery and Allied: Surgery Department
  - c. Obstetrics & Gynaecology: Obst.& Gyn. Department
  - d. Community Medicine: Community Medicine Department

Following the evaluation, the concerned Head of the Department will submit the statement of marks obtained by the candidate, to the University and the concerned Head of the Institution, within one week from the date of completion of evaluation with signature of the candidates against the marks obtained. A candidate shall have the right to register his grievance in any aspects of conduct of evaluation/award of marks, separately to the concerned Head of the Department and Head of the Institution, within three days from the date of completion of his evaluation. If a candidate is declared as unsuccessful in any of the disciplines he shall be required to repeat the posting in the respective discipline for a period of 30% of the total number of days/months, prescribed for that discipline in Internship Training/posting.

## **POST GRADUATE**

### **Courses Available:**

#### ***Degrees***

Anatomy, Physiology, Biochemistry, Pathology, Microbiology, Pharmacology, Forensic Medicine, Community Medicine, General Medicine, Pediatrics, Psychiatry, General Surgery, Orthopedics, Ophthalmology, Otorhinolaryngology, Obstetrics & Gynecology, Anesthesiology, Radiodiagnosis, Radiotherapy & Skin & V.D.

#### ***Diplomas***

D.P.M., D.C.H., D. Ortho, D.O.M.S., D.L.O., D.G.O., D.M.R.D., D.A., D.D.V.L.

All above courses are recognized by MCI. The total number of seats available for admission will be determined in accordance with the Medical Council of India regulations

#### ***Ph.D.***

Anatomy, Physiology, Biochemistry, Pathology, Microbiology, Pharmacology, Community Medicine, Orthopaedics, Obst. & Gynae.

### ***Courses duration & Training:***

1. It will be a three years residency system for degree course and two years for Diploma Course (as per MCI rules). Degree course after Diploma will also be for two years.
2. The period of training as a post graduate student will be a full time assignment & the candidate shall put in regular attendance for the period prescribed by Mahatma Gandhi Institute of Medical Sciences to the entire satisfaction of his/her guide & Head of the Department.  
It is mandatory to all Post Graduate students to attend minimum 80% of training during each year starting from 1st May to 30th April. Any candidate who fails to fulfill said criteria, term of such candidates shall be extended till such time, said candidate fulfills 80 % attendance during a year as specified above.
3. In case students' term is extended they will have to complete the extended term with required attendance. However, stipend will be paid for only 37 months in case of Degree and 25 months in case of diploma.
4. Every Candidate who joins M.D. /M.S. course is required to submit a plan of thesis approved by the Institutes Ethics Committee within 6 months. Of his /her joining the course or by last date prescribed by MUHS, Nashik, whichever is earlier. He /she is required to submit the final thesis after completion of 2 ½ year of his/her joining the course or as per the requirement of the University.
5. The candidate will be eligible to take the M.D. /M.S. final examination only after approval of his/her thesis.
6. All candidate are required to put in 6 complete terms of training in the concerned department after registration for degree & 4 terms in diploma course.
7. All the students admitted to the post graduate course shall maintain a log book which is mandatory as per the affiliating university, MUHS, Nashik. The aim of log-book is to evaluate the training program on a day to day basis so as to ascertain the eligibility of the the candidate to appear for the final university examination for the degree/diploma. Following are the objectives of maintaining of the log book:
  1. To help the resident to maintain the day to day records of work done by him/her.
  2. To enable the faculty to have first hand information about the work done by the resident & suggest improvement for better performance .
  3. To confirm the participation in post graduate training activities like ward rounds , presentation of scientific article at journal club, case clinics, post graduate seminars, clinical symposia & book reviews .
  4. Assessing the skills acquired by residents in patients care, teaching & research.

5. To confirm level & degree of participation in research activities.

**Leave Rule for P.G.**

The registered P.G. Students can avail leave as follows:

1. Those registered for P.G. Degree/diploma courses can avail 15 days Earned leave and 15 days casual leave for each year starting from 1st May to 30th April. Casual leave cannot be carried over from one year(as specified above) to another year. However earned leave can be carried over but cannot be encashed by taking accumulated earned leave at the end of PG course as preparatory leave.
2. Thus a candidate registered for PG degree can avail a total of 90 days leave during the three years course, whereas the candidate registered for PG diploma course can avail a total of 60 days leave during entire course of two years. This leave has to be availed within the prescribed duration of the PG course i.e. up to the 30th April of the last years of the course. It cannot be carried over after that .Any candidate who avails leave more than that specified above, the total tenure will be extended by one or more terms as the case may be.
3. Normally Casual leave for more than 3 days at a time will not be sanctioned.
4. There is no provision of sick leave, maternity leave and preparation leave (before examination).

## CODE OF CONDUCT

- 1 The general control of students is vested with the Dean.
- 2 Students admitted to MGIMS are expected to Exhibit high standards of academic interest and responsible behavior, befitting professional level of maturity.
- 3 Students admitted to MGIMS are expected to follow the code of conduct as follows
  - i) wearing khadi clothes ii) consume vegetarian meals iii) eschew smoking, drinking and other intoxicants iv) participate in community prayer, shramdan and such other activities as may be prescribed from time to time v) must be free from any prejudice regarding, caste, creed or untouchability vi) girl students must tie their hair and boy students should have tidy hair when at work in the college and hospital.
- 4 Residing in the hostels of the Institute is compulsory for all students.
- 5 Students after admission to the Institute are given an Orientation Training Course for a fortnight in Sevagram Ashram for getting sensitized to Gandhian ideology. If it is found that they are unable to adjust themselves to the environment, their admission may be cancelled.
- 6 Attendance in the Social Service camp, whenever it is held is essential, failing which the student may not be allowed to appear in the University Exam.
- 7 Students who do not maintain a satisfactory standard in academics or in the observance of code of conduct or discipline shall neither be allowed to hold office in extracurricular bodies or be eligible for scholarship or given any other assistance.
- 8 Students should maintain 75% attendance with minimum 80% in practical to be eligible to appear in the university examination.
- 9 Permission must be taken from the Dean for any leave or absence from classes or to go out of station. All students must report to the warden before leaving and on return from leave. In case of illness during leave a medical certificate must be sent immediately.
- 10 All illness should be reported to the Warden at the earliest.
- 11 Students must pay for all damages caused by them to books and property of the Institute.
- 12 Fees shall be paid on the date notified by the Dean's office. Mess fees shall be paid in advance for 6 months with term fee. Balance if any, shall be refunded at the time of leaving.
- 13 **Ragging in any form is absolutely forbidden and as per the provisions of Maharashtra Act XXXIII known as "Maharashtra Prohibition of ragging Act of 1999", students indulging in ragging can be punished under the Act resulting in suspension, and even expulsion from the Institute and imprisonment.**

### **Prevention of Ragging :**

**RAGGING IS A COGNIZABLE OFFENCE AND IS FORBIDDEN IN ANY FORM. ANYONE INDULGING IN RAGGING WILL BE PUNISHED UNDER THE ACT RESULTING IN SUSPENSION, EXPULSION FROM THE INSTITUTE AND IMPRISONMENT. THE PUNISHMENT FOR RAGGING WILL BE MENTIONED IN THE COLLEGE LEAVING CERTIFICATE.**

**The Supreme Court has defined the ragging as under:**

**Clause No.6 : Any disorderly conduct whether by words spoken or written or by an act which has the effect of teasing treating or handling with rudeness any other student, indulging in rowdy or in disciplined activities which cause or are likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student or asking the students to do any act or perform something which such student will not do in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student. The cause of indulging in ragging is deriving a sadistic pleasure or showing off, power, authority or superiority by the seniors over their juniors or fresher.**

**Punishable ingredients of Ragging**

- Abetment to ragging
- Criminal conspiracy to rag
- Unlawful assembly and rioting while ragging
- Public nuisance created during ragging
- Violation of decency and morals through ragging
- Injury to body, causing hurt or grievous hurt
- Wrongful restraint
- Wrongful confinement
- Use of criminal force
- Assault as well as sexual offences or even unnatural offences
- Extortion
- Criminal trespass
- Offences against property
- Criminal intimidation
- Attempts to commit any or all of the above mentioned offences against the victim(s)
- Physical or psychological humiliation

**Punishments**

Depending upon the nature and gravity of the offence as established by the Anti-Ragging Committee of the institution, the possible punishments for those found guilty of ragging at the institution level shall be any one or any combination of the following:

- Suspension from attending classes and academic privileges.
- Withholding / withdrawing scholarship/ fellowship and other benefits
- Debarring from appearing in any test / examination or other evaluation process.
- Withholding results
- Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.
- Suspension / expulsion from the hostel
- Cancellation of admission.

- Rustication from the institution for period ranging from 1 to 4 semesters
  - Expulsion from the institution and consequent debarring from admission to any other institution for a specific period.
  - Fine of Rs 25,000 to Rs 1 lakh.
  - **Collective Punishment:** When the persons committing or abetting the crime of ragging are not identified, the institution shall resort to collective punishment.
- 14 The candidate after taking admission to this Institute shall have to give an undertaking counter signed by his/her parents that he/she shall not indulge in any activity which amounts to ragging and if he/she is found guilty he/she shall be punished as per the disciplinary rules of Mahatma Gandhi Institute of Medical Sciences, Sevagram.
- 15 Fees shall be paid on the date notified by the Dean's office. After the said date, fees will be acceptable only within a period of one month with a late fee fine as notified. After this period the name of the student will be struck off from the Institute Roll. The student may be readmitted on the payment of **Rs 1000** as readmission fee alongwith clearance of all dues.
- 16 Continuous absence from the classes for over one month without any valid reason will make the student liable to be removed from the institute Rolls. He/she may however be readmitted with valid reason on the payment of **Rs 1000** as readmission fee in addition to clearing all dues.
- 17 As per MUHS, Nashik every student has to attend a minimum of 80% practical and 75% theory classes to be eligible for appear in University examination.

### **RULES AND REGULATIONS**

Following rules and regulations as amended from time to time, are applicable to all medical students.

#### **1) General Rules:**

1. The general control of students is vested in the Dean.
2. Students admitted to the Institute are expected to:-
  - i. Lead simple life
  - ii. Wear Khadi
  - iii. Take vegetarian meals
  - iv. Eschew smoking, drinking and any other intoxicants.
3. Students after admission to the Institute are given an Orientation Training Course for a fortnight in Sevagram Ashram to introduce them to Gandhian thought and way of life. If they are found unable to adjust themselves to the environment, their admission may be cancelled.
4. During the 1st Semester, attendance in the Social Service Camp is essential, failing which the student may not be allowed to appear in the University Exam.
5. Students who do not maintain a satisfactory standard in academic or in the observance of college code of discipline shall not be allowed to hold office in extracurricular bodies or be eligible for scholarship or any the assistance.

#### **2) Rules for class attendance:**

1. Regular and punctual attendance at lectures, demonstration, laboratory work, clinics and class examinations is essential. Students who do not have 75 percent attendance or whose progress and conduct are not satisfactory, may not be allowed to appear at the University Examination.
2. There shall be no condoning for shortage of attendance.
3. All students are required to note that they fulfil the attendance requirements to avoid unpleasantness at the time of registering for the examination.
4. Continuous absence from the classes for over one month with out any valid reason will make the student liable to be removed from the college Rolls. He may however be readmitted on the payment of Rs. 1000/- as readmission fee in addition to clearing all dues.
5. **It has become mandatory to send quarterly attendance to the university after which it will not be possible to change the attendance so students have to ensure that they fulfil the attendance in each quarter. In case their attendance is short it will be informed to their parents.**
6. When the teacher enters the classroom the students should rise and remain standing till they are asked to sit or till teacher sits down. When the attendance is taken by the teacher, each student as his/her name or roll number is called must rise up from his/her seat and answer to his/her name.
7. No student shall be allowed to leave the classroom without the permission of the teacher or until the class is concluded.
8. Students are expected to assemble in the classroom five minutes before the appointed hour when the roll shall be called and the absence of any student noted.
9. Students are not permitted to remain in the lecture hall except during the hours of instruction.

### 3) Dress Rules:

1. Only khadi clothes are permitted
2. Dress should be neat and clean.
3. Girls with hair longer than shoulder length, should have their hair put up.
4. Aprons are compulsory for boys and girls.
5. Gaudy dresses should not be worn.

### 4) Leave Rules:

1. Student leaving the hostel on Sundays & Holidays must apply and take permission to do so from hostel authorities and should not proceed on leave till it is sanctioned.
2. The student shall submit application in duplicate to the officers nominated by Dean for permitting the students to go on leave, on working days separately for Preclinical, Paraclinical, Final part I and Final part II. The post graduate students shall take leave sanction from their respective Head of the Departments.
3. The leave will be sanctioned by the respective teachers names of whom will be circulated to the students and the student shall inform the sanction of such leave to the concerned departments.

4. The officers shall also send a copy each of such sanction to the Warden / Lady Hostel Supdt. and student section for record.

5) **Hostel Rules:**

1. Residence in the hostel of the Institute is compulsory for all Under Graduate students.
2. Postgraduate students will be given accommodation in the hostel if the rooms are available and that will be done as per the rules.
3. The rent of the hostel shall be paid in two equal installments as per the prospectus along with term fees.
4. Students on allotment of the rooms will take over the charge of the rooms including the glass-pans, electric installation and the furniture. Any damage or breakage during the occupation period will be charged from the student concerned.
5. A student must hand over the charge before leaving the room with all fitting, fixture and furniture intact to the Warden J.N. Hostel (Boys) / Supdt. Ladies Hostel.
6. Students in their own interest are strictly prohibited from keeping money, jewelary or any other valuables in their rooms. They should also ensure that they lock their rooms while going out as a safety against possible thefts. Hostel authorities will not be held responsible for any loss. A student should report to the hostel authorities immediately for investigation if his/her lock is tempered with or broken or a theft has taken place. No student shall report such matter directly to the police.
7. Keeping unauthorized occupants including friends and relatives in the hostel is not permitted.
8. Student must keep his/her room clean and tidy. He / She must throw hair, papers, fruit-skin or any other kind of refuse articles in the waste paper basket provided for and then should throw in the dustbin provided outside.
9. He / She must remain properly dressed and not commit any nuisance, shouting, and playing of Radios, Gramophones etc. loudly in the room / hostel campus which will be seriously viewed.
10. He /she must not spoil soil or disfigure any part of the building, compound, garden etc.
11. He / she shall leave the bath room and latrine after use as clean as he / she would like to have when he/she visits the place.
12. Wastage of water must be avoided by closing the taps when not in use.
13. Meals are not allowed to be taken in rooms unless a student is ill or it is permitted by the Warden / Supdt. Ladies hostel. **In case of the rule is violated a fine of Rs 100 may be imposed.**
14. Wastage of food must be avoided. Any leftover food on the plate must be thrown in the dustbin before washing his/ her plate by the student. Chocking of wash – basins must be prevented by them.
15. Student must not interfere with any electrical installation in hostel. Use of electric Iron and applications for making tea etc. is permitted in the utility room only. No other electrical appliances are permitted in the Hostel. Students must see that

the lights and fans are switched off when the rooms are unoccupied, failing which they will be liable for disciplinary action. Abuse and wasteful use of electric current or unauthorized fitting of any connection will make them liable for penalty and disciplinary action.

16. No male student is allowed in the inside of the Girls Hostel and vice-versa, except on official occasions when mixed gathering are allowed.
17. Guests, friends or relatives of the same sex may be allowed on Sundays and Holidays at specified hours notified by the hostel authorities to visit in the respective hostels. They will not be allowed to do so on working days and during college hours unless specifically permitted by the hostel authorities.
18. No visitors shall stay in the hostel unless they are permitted by the hostel Authorities in writing.
19. No student is allowed to remain absent from the hostel after 10.00 p.m. (Girls) and 10.30 p.m. (Boys) without the permission of hostel authorities.
20. Permission must be taken from teacher In charge authorized for permitting leave of absence from classes or to go out of station. All students must report to the warden on return from leave. In case of illness during leave a medical certificate must be sent immediately.
21. Ragging in any form is absolutely forbidden and is punishable by fine, rustication or expulsion from the Institute.
22. All illness should be reported to the Warden as early as possible.
- 23. Students should ensure that any personal issue of married students (related to wife /husband) or boyfriend/girlfriend should not disturb the tranquility of the hostel, it should be sorted out at their personal level or by their families.**

#### **6) Disciplinary Rules:**

1. A disciplinary committee of the college will be formed consisting of the faculty Members nominated by Dean
2. This committee shall handle all charges of misconduct against the students.
3. The Committee is empowered to consider all disciplinary charges and to recommend penalties.
4. The Dean shall finally decide the disciplinary action.
5. Any student who disobeys a lawful order given by the Dean, shall be subject to disciplinary action
6. A Student committing any breach of discipline as specified below will render himself / herself liable for disciplinary action :-

#### **MINOR MISCONDUCTS**

- 1) Absence from lectures/clinics/practical/training programmes without any valid reason/permission. Found indulging in ragging of juniors.
- 2) Overstay of sanctioned leave/vacation.
- 3) Any conduct/action due to which the fellow inmates are disturbed.**
- 4) In spite of repeated instructions if the hostel premises is kept unclean by the inmate**

- 5) Absence from other place/activity officially requiring the presence of the students

### **MAJOR MISCONDUCTS**

- 6) Absence from hostel, without leave/permission.
- 7) Absence from university exam without any valid reason like sickness/hospitalization etc.
- 8) Prolonged absence from college without permission from college.
- 9) Absence from college exams without valid reason.
- 10) Using unfair means in tests/examinations/practical.
- 11) Use of criminal force to fellow students.
- 12) Neglect of studies and unsatisfactory progress in academics.
- 13) Disobedience of orders and insubordination to teaching staff.
- 14) Grouping under the banner of religious or political outfits should be avoided. Nobody should try to force their belief or habits on other students.
- 15) Violation of standing orders or any other orders of Dean.
- 16) Smoking & Drinking in the college campus is not permitted. Violations of this act shall be cause for discipline.
- 17) Any student, who uses, possesses, consumes, is demonstrably under the influence of, or sells any liquor, in violation of law shall be subject to discipline.
- 18) Any student who, uses, possesses, consumes, is demonstrably under the influence of, or sells any narcotic drug or controlled substance, in violation of law, shall be subject to discipline.
- 19) Any student who significantly disrupts any college function by intentionally engaging in conduct that renders it difficult or impossible to continue such a function in an orderly manner, shall be subject to discipline.
- 20) Any student who, while in any college facility or participating in a college related program, commits theft or possesses stolen property, or commits robbery, shall be subject to discipline.
- 21) Any student who causes or attempts to cause physical damage to property owned, controlled, or operated by MGIMS, or to property owned, controlled, or operated by another person while said property is located on college facilities, shall be subject to discipline.
- 22) Any student who in this or any other manner is guilty of malicious mischief shall be subject to discipline.
- 23) Any student who, while in any college facility or participating in a college related program, shall interfere by force or violence with, or intimidate by threat of force or violence, another person who is in the peaceful discharge or conduct of his/her duties or studies, shall be subject to discipline.
- 24) Any other breach of discipline not mentioned above but contrary to any provision of the Code of Conduct, Dean's order or Notices/Instructions issued from to time.

### **7. Penalties and Punishments**

The competent authorities to award penalties/punishments will be as approved by Dean.

**a) Removal from College Rolls**

A student will be removed from the rolls of the College by the appropriate authority on the grounds of :-

1. Unsatisfactory disciplinary conduct.
2. Unsatisfactory progress during training.
3. Absence from college and /or failure to appear in University examinations

**b) Suspension from College**

1. A student may be suspended for a term or more on academic grounds as decided by the College Council.
2. A student may be suspended for a term or more by the college authorities on disciplinary or administrative reasons.
3. On suspension or being struck off college rolls the student will vacate the hostel within 48 hours and proceed directly to the place of residence of his parent (s) or his legal guardian if parents are not alive.
4. The college has no liability, whatsoever, if the student proceeds elsewhere.

**c) Fine**

Fine of Rs 250 can be imposed on minor offenses by the Warden or Head of Department. A fine up to Rs 1000 will be imposed by the Dean.

**d) Publication of Punishment and Penalties**

Major/Serious punishments and penalties will be published in the College notice board.

**8. Undertaking**

All the students will sign the undertaking as given below before occupying the rooms in the hostel.

**“I have read all the rules and I agree to abide by the same and shall be liable for disciplinary action if I violate any of them.”**

## **Basic Neonatal Care and Neonatal Resuscitation Training Workshop Department of Pediatrics**

For the last 22 years, the Department of Pediatrics, MGIMS has been a pioneer in the country by initiating and regularly conducting Basic Neonatal Care and Neonatal Resuscitation training workshops for last 23 years for the final year MBBS students, a unique activity in the country.

Over the time, we have evolved this activity based on various principles of adult learning and tried to make it more learner friendly. We dropped off most didactic lectures and incorporated extensive hands on learning of the skills on the mannequins. On the first day we organize a one day Basic Neonatal Care workshop in which we discuss various basic, nevertheless important, aspects of newborn care like prevention and management of hypothermia, feeding of normal and low birth weight babies, neonatal jaundice, neonatal sepsis, respiratory distress, danger signs etc.

On the second day, we organize a one day Neonatal Resuscitation Training Workshop. In this, we make small groups of 8 students each where they can interact with the facilitator faculty, give feedback to each other and could learn together. We break the whole newborn resuscitation algorithm into specific individual skills and start with how to prepare for the birth. The whole class learns the same topic simultaneously by first watching a video demo together as a large group and then breaking down into small groups and practising the skills at their own table. As the day passes by, we move from preparation for birth, routine care at birth, initial steps of resuscitation, bag-mask ventilation and chest compressions, to advanced care.

The response has been overwhelming and students completely love this workshop. We also invite the foreign students from Maastricht University, Netherlands who are posted for their 6 weeks internship at the Pediatrics Dept. Their feedback is also extremely gratifying and they are thrilled at the richness of the learning experience.

**Adopted village visit**  
**Monthly Report for month \_\_\_\_\_, \_\_\_\_\_**

25. Mental Health

## **SAMPLE PBL CASE: Dept of Community Medicine**

Posting 1 - PBL Case 1

### **What are the services available for me?**

During her routine visit to a family, Auxiliary Nurse Mid -wife (ANM) Anita is told that 24 year old Meena is 5 months pregnant. On asking her Anita discovers that she has never got her health check -up done after becoming pregnant.

Anita : Come for your health check up to the Anganwadi center in your village during the next village health nutrition day.

Mother -in -law of Meena : I had been advising her to visit Anganwadi Center to register her pregnancy and also to meet you. But, she did not follow my advice.

Meena : What are the services available? Why should I come there?

Anita explains the services that Meena will receive during her pregnancy including screening for danger signs and counseling.

### **Resources:**

- Park's Textbook of Preventive and Social Medicine

Chapters: Health Programs in India, Preventive Medicine in Obstetrics, Paediatrics and Geriatrics, Nutrition and Health

- Textbook of Public Health and Community Medicine; AFMC, Pune, Page No.: 809 - 825

- Guidelines for Antenatal Care and Skilled Attendance at Birth by ANM/LHV/SN

- A brief on Village Health and Nutrition Days (link to NHM webpage)

- Guidelines for Village Health and Nutrition Days

- For ICDS Anganwadi Services - Integrated Child Development Services (Scheme)

## **SAMPLE CBL CASE: Department of Pathology**

CASE 1:

Arvind Sharma, a 50 year old male presented with complaints of polyuria, polydipsia and polyphagia. He also complains of feeling fatigued and weak since the last one month. On examination, he was found to have a small ulcer on his foot which had not healed despite applying local antibiotics for the last 10 days.

- What do you think the patient's primary problem is?
- What are the investigations you would like to order in this patient?
- What are the findings that you would expect in the above investigations? How will you interpret them?

## Academy of Basic Medical Sciences 2011-12

Patron	:	Dr MR Shende, Professor & Head, Dept of Anatomy
Officer In-Charge	:	Dr Kanchan Mohod, Assistant Professor, Dept of Biochemistry
President	:	Mr Vijay Singh
Secretary	:	Ms Darshana Udupurkar

All undergraduate students of 2011 batch presented seminars on selected topics in groups of six in eleven sessions. One student from each group made it to the semifinal rounds. Final presentation round was organized in collaboration with MGIMS Academy of Medical Sciences. For this year, following were the participants in the final:

Shiv Joshi	:	Jaundice
Poshika Agarwal	:	Rotation of Gut
Ushma Vora	:	Neuromuscular Transmission
Hardik More	:	Portocaval Anastomosis
Shyam Meda	:	Sickle Cell Anemia

Ms. Poshika Agarwal was declared to be the winner in the final round. Mr. Shyam Meda and Mr. Shiv Joshi were first and second runner-ups respectively.

## Academy of Basic Medical Sciences 2012-13

Patron	:	Dr MVR Reddy, Professor & Head, Department of Biochemistry
Officer In-Charge	:	Dr JE Waghmare, Associate Professor, Department of Anatomy
President	:	Mr Karan Singh
Secretary	:	Ms Adishree Umale

First, all undergraduate students of 2012 batch were divided into three groups randomly and distributed among three disciplines (Anatomy, Physiology & Biochemistry). Each group presented seminars on selected topics in a cluster of seven per day in their respective disciplines. Two students from each day made it to the semifinal rounds. Of the thirty odd students from each discipline who presented in semifinal rounds, two best were selected and six students presented seminars in the final round. This activity was organized in collaboration with the MGIMS Academy of Medical Sciences.

This year, following students reached the final round:

Chetna Periwal	:	Parotid gland
Harshal Tayde	:	Larynx
Karan Singh	:	Long term regulation of blood pressure
Sujata Upadhyay	:	Physiology of pain
Radhika Chauhan	:	Atherosclerosis
Vinita Tripathy	:	Sickle cell anemia

Chetna Periwal was declared the winner, Karan Singh was the first runner-up and Radhika Chauhan was the second runner-up.

## Academy of Basic Medical Sciences 2013-14

Patron	:	Dr AM Tarnekar, Professor, Department of Anatomy
Officer In-Charge	:	Dr Vinod Shende, Associate Professor, Department of Physiology
President	:	Mr Pravin Tambholkar
Vice President	:	Ms Indrani Roy
Secretary	:	Mr Rishabh Lahoti

All the 100 undergraduate students of 2013 batch were divided into three equal groups among the three disciplines of Anatomy, Physiology and Biochemistry to conduct five preliminary rounds in each department. All students presented seminars of which two students were chosen from each preliminary round (along with some merit based wild card entries). Two best students from pre-final rounds of each department entered the final round. The final round was held on 12 Feb 2014. Students presented topics using PowerPoint, models, charts and flow diagrams prepared by them. This activity was held in collaboration with the MGIMS Academy of Medical Sciences.

The students who reached the final rounds were:

First	:	Ms Anagha Potharkar	: Coronary circulation
Second	:	Ms Sadaf Azam	: Facial nerve
Third	:	Ms Shaleen Girdhar	: Gout
Consolation prizes	:	Mr Anik Pal, Ms Sahitya Rao, Ms Apoorva Chawathe	

## Academy of Basic Medical Sciences 2014-15

Patron	:	Dr Satish Kumar, Professor, Dept of Biochemistry
Officer In-Charge	:	Dr Bharat Sontakke, Assistant Professor, Dept of Anatomy
President	:	Ms Savithri Devi PP
Secretary	:	Mr Soham Kshirsagar

All the 65 undergraduate students of 2014 batch were divided into three groups and were placed in Anatomy, Physiology and Biochemistry to participate in preliminary rounds. Twelve preliminary rounds were held; four in each department wherein all students presented their seminars. Two students chosen from each preliminary round entered the semi-final rounds. Four semi-finals were held and two students from each department entered the finals. The final round was held on March 12, 2015 in the Academy of Medical Sciences. A tough competition was witnessed and the following winners were declared:

First	:	Ms Savithri Devi PP
Second	:	Mr Nikhil Honale
Third	:	Mr Himanshu Gohatre
	:	

Certificates and prizes were distributed to all the winners.

# Academy of Basic Medical Sciences 2015-16

Patron	:	Dr VR Wankhede, Associate Professor, Dept of Anatomy
Officer In-charge	:	Dr Vinod Shende, Assistant Professor, Dept of Physiology
Teacher co-ordinators :		Dr Sweta Talhar, Dept of Anatomy, Dr Sachin Pawar, Dept of Physiology Dr Ashwini Kamble, Dept of Biochemistry
President	:	Ms Shambhavi Chaudhari
Secretary	:	Ms Shubhra Chhazed

The body of the Academy of Basic Medical Sciences (2015 batch) was constituted on 26 Nov 2015 in the presence of members of the Advisory committee from the departments of Anatomy, Physiology and Biochemistry. All the 96 undergraduate students of 2015 batch were divided into three equal groups and were placed in Anatomy, Physiology and Biochemistry to participate in preliminary rounds. All students presented their seminars using PowerPoint, models and flow charts. Two students chosen from each preliminary round entered the semi-final rounds and finally two students from each department entered the finals. The final round was held in collaboration with the Academy of Medical Sciences. The winners and their topics of presentation were as follows:

First	:	Ms Shubhra Chhazed	:	Auditory pathway and associated anomalies
Second	:	Ms Priyanka Joshi	:	DNA damage and repair
Third	:	Ms Shambhavi Chaudhari	:	Stretch Reflex

The other finalists were Ankita Fulzele, Divya Dixit and Mehak Saini.  
Certificates and prizes were distributed to all the winners.

The new team the MGIMS Academy of Medical Sciences for the year 2011-12 was installed on 10 Aug 2011. The following activities were organized by the Academy:

### **Symposium on World Health Day**

Theme: Combat antimicrobial drug resistance: No action today, No cure tomorrow

Dr Vijayshri Deotale (Microbiology), Dr Abhishek Raut (Community Medicine), Dr Hitesh Gulhane (Pharmacology)

7 Apr 2011

### **Guest lecture: Recent advances in Oncology**

Dr (Col) R Ranga Rao, Director, BLK Cancer Centre and Head, Dept. of Medical Oncology, New Delhi

8 Jun 2011

### **Symposium on Biomedical Waste Management**

Overview of bio medical waste management: Dr Dipak Thamke

Different aspects of bio medical waste management : Dr Deepashri Maraskolhe

Technology for treatment and disposal: Dr Omprakash Bobade

20 Jul 2011

### **CME on Clampless and Sutureless Vaginal hysterectomy**

Clampless/Sutureless vaginal hysterectomy :

Dr H Pattanaik

Non-descent vaginal hysterectomy: Dr Sasikala Kola  
Vaginal hysterectomy in cases of previous LSCS: Dr H Pattanaik

Vaginal hysterectomy in cases of big sized uterus: Dr Sasikala Kola

Panel discussion on clampless vaginal hysterectomy in present scenario: Panelists: Dr S Chhabra, Dr Sasikala Kola, Dr PV Shivkumar, Dr S Jajoo, Dr Daga, Dr Pajai  
23 Jul 2011

### **Rural/tribal health projects**

Activities at rural health training centre

Dr Ranjan Solanki

Community health projects by Ob/Gyn

Dr Surekha Tayade

3 Aug 2011

### **Clinical Approach- Ayurveda's View**

Vaidya Anuradha Khandekar

17 Aug 2011

### **IAP Quiz: Undergraduate IAP Quiz**

Dept of Pediatrics

24 Aug 2011

### **Symposium on Eye Donation Fortnight**

Dept of Ophthalmology

7 Sep 2011

### **A Journey in the arena of Forensic Medical Examination of Rape victims: A Fruitful endeavor**

Dr Indrajit Khandekar, Forensic Medicine & Toxicology

14 Sep 2011

**An integrated teaching programme on Headache**  
(for undergraduate and post-graduate students)  
Ophthalmology, Medicine, ENT & Neurosurgery  
21 Sep 2011

**Guest Lecture**

Dr Miguel San Sebastian, Umea school of Public Health, Sweden  
28 Sep 2011

**Consumer Protection Act**

Adv Ashok Pawade, Wardha  
12 Oct 2011

**World AIDS Day**

Dr Samarpita Datta : Theme of World AIDS Day 2011

Dr Rahul Lodhe : Clinical suspicion of AIDS and principles in management of AIDS

Dr Manjiri Ramteke : PPTCT : An overview

Dr Reema Godmare : Current Strategies in diagnosis of HIV

1 Dec 2011

**DEPARTMENTAL PRESENTATIONS**

**Dentistry**

Dental Caries: Newer aspects

Dr Shilpa Saxena

6 Jul 2011

**Naturopathy**

Management of Musculo-Skeletal Disorders by Yoga and Naturopathy

Dr T Karthickeyan

**Dept of Physiology**

Nerve Conduction Studies & Electromyography

Dr Dipali Chatur

Brainstem Auditory evoked Potential, Visual Evoked Potential & Reproductive Biology Unit

Dr Pranjali Pahune

23 Nov 2011

**Biochemistry and Radiology**

Dr Ashwini Kamble, Dr Dhananjay Andhure, Dr Ankur Malhotra, Dr Rosie Lalthanpuui

7 Dec 2011

**Dept of Anatomy**

Prafulla Ambulkar: DNA fingerprinting and its applications

14 Dec 2011

Dr Vijay Gujar: Effect of Aspartame on kidney of mice – A histological study

Dr Shweta Talhar: Dermatoglyphic and karyotypic analysis in primary amenorrhea

25 Jan 2012

**Forensic Medicine**

Dr Pawan Wankhede: Study of wrist and elbow joint ossification for age determination in central India

25 Jan 2012

**Workshop on Leprosy**

Dr. MM. Kuchewar, ADHS, Wardha, Dr Das, Principal, HFPTC, Nagpur

Dr Ajay Krishnan, Skin VD, & Dept of Orthopedics, MGIMS

1 Feb 2012

**Sushruta awards**

Dhananjay Andure: Comparison of protective efficacy of single & cocktail vaccines of *W. bancrofti* GST & wBL2 proteins

Srikanth Reddy: Comparative study of development of metabolic syndrome by the use of typical and atypical antipsychotic

Sumedh Jajoo: Practice pattern of treatment of pesticide poisoning

Harshal Pawde: Revisiting and evolving different criteria to differentiate between transudative and exudative effusion

Iadanlang Tiewsoh: Risk factors for chronic kidney diseases in rural population in central India: A case control study

Shailesh Badole: Risk factors for chronic liver diseases in rural population in central India: A case control study  
15 Feb 2012

Final presentation round of "Academy of Basic Medical Sciences"

29 Feb 2012

**ROME Camp Presentation**

Presentation of research activity by 2009 batch during ROME Camp-Determinants of malnutrition in under 5 years children in rural health setting Bhidi:

Amit Sinha, Ankita Sharma, Neha Singh, Akash Gholve

14 Mar 2012

**World TB Day**

Dr Rajesh Deshmukh, WHO consultant RNTCP: Stop TB Strategy and World TB Day

Dr Neelam Somalkar, DTO Wardha: MDR and XDR TB

22 Mar 2012

Concept of Universal Health Coverage

**Dr Reshma Sougajam**, Community Medicine  
HLEG recommendations for Universal Health Coverage in India

**Dr Akash Ranjan**, Community Medicine  
Thailand as a model for Universal Health Coverage in third world countries  
17 Oct 2012

**Dr Neha Gupta**, Psychiatry  
Conceptual understanding and clinical manifestations of autism spectrum disorders

**Dr Akash Bang**, Associate Professor, Pediatrics:  
Early Clinical Markers for diagnosing Autism Spectrum Disorders

## Activities organized

The new team the MGIMS Academy of Medical Sciences for the year 2012-13 was installed on 29 Aug 2012 with Dr Vijayshree Deotale as President and Dr Sonia Jain as Secretary. This year the following presentations from various departments and guests were organized by the Academy:

**Dr P Narang, Dr OP Gupta, Dr AP Jain, Dr Poonam Shivkumar, Dr Akash Bang, Dr Amit Kaushal, Dr Siddharth Mendiratta :**  
What influenced you to choose medical profession as your career?  
3 Sep 2012

**Dr Monica Malgonde**  
Role of Foley's catheter in removal of a big marble pebble from oesophagus  
26 Sep 2012

**Dr S Rawlani**, Associate Professor, Dentistry  
Diseases of Gingiva  
3 Oct 2012

**Dr Asoke Pal**, Professor, Cytogenetics  
Role and relevance of genetic counselling in genetic disorders with special reference to reproductive failures  
10 Oct 2012

**Dr Praveen Khairkar**, Associate Professor, Psychiatry  
Insights in early neuropsychological and diagnostic imaging markers in Autism Spectrum Disorders  
28 Nov 2012

**Dr Abhishek Raut**, Assistant Professor, Community Medicine  
HIV at a glance

**Dr Deepashri Maraskolhe**, Assistant professor, Microbiology  
Guidelines in HIV testing

**Dr Madhuri Bagde**, Assistant Professor, Obs/Gyn  
PPTCT Programmes in Obstetrics  
5 Dec 2012

**Dr Pallavi Dhanvijay**, Pharmacology  
Pharmacovigilance: Basic Concepts

**Dr Arup Misra**, Pharmacology  
Practical Aspects of Pharmacovigilance

**Dr Shailesh Nagpure**, Pharmacology  
Challenges in Pharmacovigilance  
12 Dec 2012

**Dr Manjusha Narayan (Dudhe)**  
Prevention and Control of Infections in Indian ICUs - a mix of Science, Psychology, Philosophy and Resources  
19 Dec 2012

**Dr Ramesh Gupta**

Immunity, Autoimmune Diseases and Future

**Dr(Mrs) Madhavi Gupta**, Physician Advisor at Executive Health Resources

The specialist's approach to treating the migraine patient  
23 Jan 2013

**Dr Bharat Sarkar**, Assistant Professor, Orthopedics

Reconstructive Surgeries in Leprosy  
30 Jan 2013

**Dr BH Tirpude, Dr Indrajit Khandekar, Dr Pravin Zopate, Dr Pawan Wankhade, Dr Vishal Surwade, Dr Sachin Meena**

Establishment of Clinical Forensic Medicine Unit (CFMU) & Forensic Medical Software at MGIMS: an asset to hospital, investigating agencies & judiciary  
13 Feb 2013

**SUSHRUTA AWARDS 2012-13****Dr Benjamin Kiangte, Dr Samarpita Dutta, Dr Manjusha Hivre, Dr Pallavi Dhanvijay, Dr Ajit Srivastava**

27 Feb 2013

**Final round presentations of seminars for Academy of Basic Medical Sciences,**

1st MBBS students:

1 Mar 2013

**ROME camp presentation:** Dept of Community Medicine:

Introduction: Deoyani Ghai

Assessment of Quality of Maternal Health: Payal Gondane

Child Health: Sauhan H K

Nutritional Assessment in Children: Saumya Shivkumar

Focus Group Discussion: Kalyani Sanap

6 Mar 2013

**Dr DV Kaundinya**

Mindfulness meditation - The cure for incurable diseases

13 Mar 2013

**Avinash Kumar**

Prevalence of PAN resistance bacteria from surgical unit of teaching care hospital

**Puja Singh**

Study of the membrane integrity of sperm by hypo-osmotic swelling test in smokers

**Anurag Singh**

Polysomnographic studies in diabetes mellitus

**Aditi Kashikar**

Electrophysiological study in cervical radiculopathy

**Niriti Choudhary**

Analysis of feeding pattern of children below 2 years

**Radhika Vellore**

Oxidative stress in infertile male

3 April 2013

**Dr Akash Ranjan**, Community Medicine

Epidemiology of Hypertension

**Dr Vineeta Singh**, Medicine

Diagnosis and Management of Hypertension

**Dr Anupriya Singh**, Obs/Gyn

Diagnosis and Management of Pre-eclampsia

10 Apr 2013

**Dr Ninad Nagrale**, Forensic Medicine

Exploration and application of cheiloscopy among the inhabitants of central India in view of establishment of various aspects of identification with forensic ideology

**Dr Swapnil Patond**, Forensic Medicine

Estimation of age from knee joint and ankle joint by radiographic assessment of epiphyseal fusion of related bones in population of central India

17 Apr 2013

**Faculty presentation (Surgery/Pediatrics/ Radio-diagnosis)**

Acute abdomen

26 Apr 2013

## Activities organized

The Academy conducts activities every Wednesday from 4- 5 pm. The following activities were organized in 2013-14.

**Presentation of ICMR Short Term Scholarship (STS) projects undertaken by our undergraduate students:** 3 Apr 2013

- Avinash Kumar (2010 batch): Prevalence of Pan resistant bacteria from surgical units of a teaching care hospital
- Puja Singh (2010 batch): Study of the membrane integrity of sperm by hypo-osmotic swelling test in smokers

- Anurag Singh (2010 batch): Polysomnographic studies in diabetes mellitus
- Aditi (2010 batch): Electrophysiological study in cervical radiculopathy
- Niriti Choudhary (2010 batch): Analysis of feeding pattern of children below 2 years
- Radhika Vellore (2009 batch): Oxidative stress in infertile males

## World Health Day Celebrations; Postgraduate Symposium on Hypertension, 10 April 2013

- Dr Akash Ranjan (Dept of Community Medicine): Epidemiology of Hypertension
- Dr Vineeta Singh (Dept of Medicine): Diagnosis and management of hypertension
- Dr Anupriya Singh (Dept of Ob/Gyn): Diagnosis and Management of pre- eclampsia

## Presentations by Dept of Forensic Medicine: 16 Apr 2013

- **Dr Ninad Nagrale:** Exploration and application of cheiloscopy among the inhabitants of central India in view of establishment of various aspects of identification with forensic ideology
- **Dr Swapnil Patond:** Estimation of age from knee joint and ankle joint by radiographic assessment of epiphyseal fusion of related bones in population of central India

## Presentation by Dept of Radiology: 24 Apr 2013

- **Dr Abha Verma:** Imaging in stroke

## Faculty Presentations on Acute abdomen: 26 Jun 2013

- Dr Udit Narang (Dept of Medicine);
- Dr Siddharth Rao (Dept of Surgery)
- Dr Varsha Chavhan (Dept of Pediatrics)
- Dr Abha Verma (Dept of Radio-diagnosis)

## Guest lectures: 9 Jul 2013

- **Dr Chandrika Rao** : Doctors without borders - Emergency life saving projects
- **Monika JP:** Volunteering overseas with MSF (Medecins San Frontieres)

**Case presentations (Dept of Pathology & Ob/Gyn):**  
17 Jul 2013

- **Dr Pravin Chavhan** (Dept of Pathology) : Anaplastic carcinoma associated with Hashimoto's thyroiditis
- **Dr Sachin Badge** (Dept of Pathology): Dedifferentiated chondrosarcoma
- **Dr Naina Kumar** (Dept of Obstetrics & Gynaecology) : Cutaneous metastases of cervical cancer

**Presentations from Department of ENT and Ophthalmology:** 31 Jul 2013

- **Dr Ajay Kamble** (Dept of ENT): Fiberoptic Endoscopic Sinus Surgery (FESS) for management of chronic rhinosinusitis: our experience,
- **Dr Sonu Lohiya** (Dept. of Ophthalmology): Central Retinal Artery Occlusion : Rare ocular complication of oral contraceptive pill

**Symposium on Obesity:** 7 Aug and 14 Aug 2013:

- **Dr Udit Narang** (Dept of Medicine) : Pathophysiology and medical management of obesity
- **Dr Praveen Khairkar** (Dept of Psychiatry): Psychological aspects of obesity
- **Dr Shweta Chandankhede** (Dept of Anesthesia) : Anesthesia in Obesity
- **Dr Firoz Borle** (Dept of Surgery): Bariatric Surgery

**Presentations from Dept of Biochemistry and Physiology:** 21 Aug 2013

- **Dr Kiran Pote** (Dept of Biochemistry): Novel protective immunogens of Brugia malayi filarial parasite
- **Dr Priya Bagde** (Dept of Physiology) Nerve conduction study and electromyography – a diagnostic approach

**Guest Lecture:** 30 Aug 2013

- **Dr Shafik Dharmasi:** Social accountability, opportunities and challenges in medical profession

**Faculty presentation:** 18 Sep 2013

- **Dr Mrs P Narang** : Women in Academic Medicine- Leadership Dilemmas

**Guest Lecture:** 25 Sep 2013

- **Dr SR Thosar**, WHO Surveillance Officer for Polio : 'Polio eradication: future strategies' & 'Measles outbreak surveillance'

**Guest Lecture:** 9 Oct 2013

- **Dr Bhusan Lakhkar:** Pediatric/ Neonatal Chest – An Interactive session

**World AIDS Day Celebrations:** 4 Dec 2013 and 11 Dec 2013

Getting to Zero-Zero new HIV infection, zero discrimination and zero AIDs related deaths'

*First session*

- **Dr Kshama Kedar:** Present scenario of HIV / AIDS in global, Indian and local contexts
- **Dr Shuchi Jain** (Dept of Ob/Gyn): PPTCT- present challenges and changes
- **Dr Pramod Kumar** (Dept of Ob/Gyn): Ways to have zero mortality in Ob/Gyn patients having HIV/ AIDs
- **People awareness programme through street plays:**
- **A road leading us all to zero HIV infection:** Students of Kasturba Nursing college, Sevagram
- **Behavior modification to have zero discrimination in HIV Control:** Students of Kasturba Nursing School, Sevagram

*Second session: Presentations by Dept of Community Medicine*

- **Dr Abhishek Raut:** WHO World AIDS day theme
- **Dr Ashwini Kalantri:** Progress by India in prevention and control of HIV/AIDS
- **Dr Reshma Sougaijam :** NACP IV
- **Dr Himani Shemar:** Updates on HIV/AIDS

**Presentations from department of Psychiatry: 1 Jan 2014**

- **Dr Neha Gupta:** Transcranial Magnetic Stimulation: Therapeutic principles and clinical applications in neuropsychiatry
- **Dr Praveen Khairkar:** rTMS: Technical Modules, Safety and Ethical Concerns

**Presentation from Dept of Orthopedics:** 8 Jan 2014

- **Dr Abhijit Kawalkar:** Cementless total hip arthroplasty for arthritic hip conditions
- **Dr Sandip Borle:** Proximal femoral nail for peritrochanteric fractures

**Guest lecture:** 15 Jan 2014

**Dr Sanjay Bajaj:** CEO & Founder Laxmidevi Bajaj Geriatric & Preventive Research Centre Pvt Ltd Nagpur

Geriatric Population: Docs, popularize the vaccination in elderly to fight aging

**Faculty presentation:** 22 Jan 2014

**Dr Asoke Pal** (Dept of Anatomy): DNA fingerprinting

**Guest Lecture:** 29 Jan 2014

**Dr Mohan Khamgaonkar:** Management tools in hospital administration: Some experiences

**Seminars of Academy of Basic Medical Sciences (2013 batch):** 12 Feb 2014

- Apoorva Chawathe : Mechanism of Hearing (Physiology)
- Anik Pal : Cavernous sinus and its applied aspects (Anatomy)
- Anagha Potharkar : Coronary Circulation (Physiology) (First Prize)
- Sahitya Rao : Biochemical aspects of Diabetes mellitus (Biochemistry)
- Sadaf Azam : Facial nerve ( Anatomy) (Third Prize)
- Shaleen Girdhar : Gout (Biochemistry) (Second Prize)

**Sushruta Awards:** 12, 19 and 26 Mar 2014

- **Dr Abha Verma** : Sonographic evaluation of Fetal transcerebellar diameter as a predictor of gestational age and its correlation with other established fetal biometric parameters
- **Dr Arup Mishra:** Study of diuretic, wound healing and anti-inflammatory effects of extract of *Agave americana* on experimental animals
- **Dr Nikita Oza:** Study of Ethylene diamine tetra acetic acid (EDTA) - Dependent pseudo -thrombocytopenia

- **Dr Priya Bagde:** Study of oxidative stress and status of antioxidants in the plasma of cord blood in preterm and term new born delivered vaginally
- **Dr Prachi Mendhe:** Diagnostic utility of squash smears for rapid intra-operative diagnosis of lesions of the central nervous system
- **Dr Swarnava Tarafdar :** Gray scale ultrasound and color Doppler in diagnosis of appendicitis: A radiodiagnostic study with histopathological correlation
- **Dr Akash Ranjan:** An epidemiological study of maternal morbidity in a primary health center in Maharashtra
- **Dr Nidhi Jais:** Expression of CD34, PCNA and VEGF in in-situ and invasive squamous cell carcinoma of cervix
- **Dr Himani Shemar:** Effect of early child development activities on physical growth of children of 6-35 months of age in a rural area
- **Dr Santosh Balgote:** Comparative study of etiological factors in azoospermic infertile males
- **Dr Yuganti Vaidya:** Histomorphometric alteration in mucosa of small intestine as an effect of chronic use of NSAID- ibuprofen
- **Dr Vina Lakhotiya:** Predicting mortality in acute intracerebral hemorrhage
- **Dr Sheetal Musmade:** Assessment of Modified Glasgow Coma Scale and AVPU Pediatric Response Scale to predict mortality and morbidity in pediatric intensive care unit patients
- **Dr Neha Gupta:** Comparative study of determinants of burden in care givers of patients with subtype of alcohol dependence disorders and schizophrenia
- **Dr Promod K Sahu:** Correlates and bacteriological profile of sepsis among young infants at a district hospital
- **Dr Reshma Sougajam:** To assess the usefulness of mid upper arm circumference for identification of severe acute malnutrition among 6-59 months children in rural area of Wardha District

**Winner** : Dr Vina Lakhotiya (Dept of Medicine)

**Runner up** : Dr Sheetal Musmade (Dept of Pediatrics)

<b>UG Representative</b>	:	Ms Pratibha Nagpure

The team for the year 2014-15 was constituted in the installation ceremony held on 3 Sep 2014 with Dr Prakash Nagpure as President and Dr Praveen Khairkar as Secretary. This year the following activities were organized :

10 Sept 2014

**Dr Kshirod Mishra, Dr Praveen Khairkar, Dr Neha Gupta**

Department of Psychiatry

Workshop on World Suicide Prevention Day

17 Sept 2014

**Dr Mukund Baheti, MD, DM**

Arcane implications of gastro-intestinal tract in newer understandings in neurosciences

05 Nov 2014

**Dr Ramaswamy, PhD**

Professor of Immunology, Assistant Research Dean, University of Illinois, Chicago, USA

Professional pathways to success in the medical profession

12 Nov 2014

**Research Methodology Workshop**

19 Nov 2014

**Dr Chhitij Raj, PhD**

Managing Director, Dale Carnegie office, Indian Branch, Mumbai  
Dale Carnegie Workshop on Memory Enhancement Modules

26 Nov 2014

**Dr Bhushan Madke, MD**

Assistant Professor, Dept of Dermatology, MGIMS, Sevagram  
Unusual infections of the skin: are they becoming commoner?

10 Dec 2014

**World Human Rights Day**

*Patch Adams Movie*

17 Dec 2014

**Stress Management workshop** for JR-1 of MGIMS, Sevagram

**Dr KR Patond**, Dean: Welcome Address

**Dr OP Gupta** : Evidence based need of stress management in resident doctors

**Dr KK Mishra**: Neurobiological changes in stress and coping

**Dr Anupama Gupta**: Gender specific reactivity and coping in stress

**Dr Praveen Khairkar**: Complementary Medicine and Yoga to relieve stress

**BK Madhuri**: Spiritual views on how to manage stress

**Dr Neha Pandey**: Students' feedback

24 Dec 2014

**Dr Himani Khanna**

Consultant Pediatrician, Behavioral interventionist for autistic children, Gurgaon  
Scope of Developmental Pediatrics

31 Dec 2014

**Swami Bramhanandji**

Shri Ramakrishna Mission, Nagpur

Guest talk for medical professionals

07 Jan 2015

**Dr Rahul Narang, MD**

Professor, Dept of Microbiology, MGIMS, Sevagram

Integration of Laboratory Services in resource limited Health-care setting

14 Jan 2015

**Dr Hemant Shewade & 2012 Batch UG Students**

Department of Community Medicine

**Rome Camp Presentations**

21 Jan 2015

**Dr Nitin Jagdhane, MCh**

Assistant Professor, Dept of Neurosurgery, MGIMS, Sevagram

My Journey in Neurosurgery from Manipal to MGIMS, Sevagram

28 Jan 2015

**Dr Sudhir Bhave, MD**

Professor, Dept of Psychiatry, NKP Salve Medical College, Nagpur  
Music and brain

4 Feb 2015

**Dr OP Gupta, MD**

Prof Emeritus, Dept of Medicine, MGIMS  
Efficacy and safety of Hydroxychloroquine in the treatment of Type 2 Diabetes Mellitus : a double blind randomized comparison with Pioglitazone

11 Feb 2015

**Dr Taru Shah**

MS, Consultant, Care India Foundation Mumbai  
Alleviating Maternal Mortality in Bihar: A young obstetrician's effort

16 Feb 2015

**Dr Nitin Shinde, MD, DNB**

Consultant In-charge, Infectious disease, Wokhardt Hospital, Nagpur  
Swine Flu: Facts and Myths

18 Feb 2015

**Dr Neeraj Baheti, MD, DM**

Consultant Neurologist, CIMS, Nagpur

**Dr Praveen Khairkar, MD**

Professor, Psychiatry, MGIMS, Sevagram

**Workshop on EEG in pediatric epilepsy: Basic approach**

25 Feb 2015

**Dr Satwant Pasricha, PhD**

Professor Emeritus, NIMHANS, Bangalore  
Does re-incarnation exist and are amenable to scientific explanations?

11 Mar 2015

**Sushruta Award Presentations: Session 1**

Best of Pre-clinical/Basic Sciences and Para-clinical Sciences theses

18 Mar 2015

**Sushruta Award Presentations: Session 2**

Best of Clinical Sciences theses

25 Mar 2015

**Dr Ravi Wankhede**

Expert, Director, Mohan Foundation  
Unfolding the scope of organ & tissue donation

The team for the year 2015-16 was constituted in the installation ceremony held on 2 Sep 2015 with Dr VJ Vyas as President and Dr R Kothari as Secretary. This year the following activities were organized

9 Sep 2015

**Eye donation fortnight: Eye Donation- Facts and myths**  
Postgraduates from Dept of Ophthalmology

16 Sep 2015

**Symposium on Early Breast Cancer**  
Postgraduates from Dept of Surgery & Radiotherapy

7 Oct 2015

**Visual Evoked Potential: An Imperative Neurophysiological Tool**

Dr Ruchi Kothari, Assistant Professor, Department of Physiology,

**Pattern reversal Visual Evoked Responses in Schizophrenia**

Dr Sneh Babhulkar, Senior Resident, Department of Psychiatry

14 Oct 2015

**Changing Paradigms in Breast Cancer Management**

Dr Ajay Mehta, Director, Central India Cancer Institute, Nagpur

2 Dec 2015

**Osteoporosis**

Postgraduates from Dept of Orthopedics

23 Dec 2015

**Road Safety Awareness**

Mr Shrikant Gudadhe, *Jan Akrosh* Nagpur

11 Jan 2016

**Closing ceremony of ROME camp**

Presentations from undergraduate medical students of 2013 batch

13 Jan 2016

**Genomics in Medicine: An overview with special reference to male infertility**

Dr AK Pal, Professor, Anatomy

**Teratogenicity of acyclovir in developing chick embryo**

Pradeep Bokariya, Assistant Professor, Anatomy

20 Jan 2016

**Maternal Near Miss: How good we are and how bad we are?**

Dr PV Shivkumar, Professor & Head,

Dr Neha Gangane, Dr A Chaurasia, Dr A Suman, Dr P Choudhari

Dept of Obstetrics and Gynecology

27 Jan 2016

**Surgical Anatomy of urinary system**

Dr Tushar Parmeshwar, Dept. of Surgery

**Refluxing Ureter**

Dr Bindev Kumar, Prof & Head, Pediatric Surgery, AIIMS, Patna

3 Feb 2016

**Symposium on Lessons from Ebola**

Postgraduates from Dept of Community Medicine

10 Feb 2016

**American Heart Association (AHA)-2015 update on "Cardiac Arrest during Pregnancy**

Postgraduates from Dept of Anaesthesia

17 Feb 2016

**Hospital Management: The role of good hospital design**

Prof JM Dave, Member, Kasturba Health Society

24 Feb 2016

**Symposium on Delirium**

Postgraduates from Dept of Medicine & Psychiatry

07-03-2016

7 Mar 2016

**International Women's Day: Creating awareness about cancer in women**

Academy of Medical Sciences, Dept. of Radiotherapy and Sanjeevani- Life Beyond Cancer

10 Mar 2016

**Using stories to teach**

Dr Carmi Margolis, Medical Educationist, Ben Gurion University, Israel

16 Mar 2016

**Postgraduate presentations**

Postgraduates from Dept of Forensic Medicine

29 Mar 2016

**World Tuberculosis Day 2016: "Unite to End TB".**

**Find TB: Newer TB diagnostics: need of the hour**

Dr Rahul Narang, Professor, Dept. of Microbiology

**Treat TB: Tuberculosis – Pulmonary & Extra-Pulmonary**

Dr Ajay Lanjewar, Associate Professor, Dept of TB & Chest Medicine

**Working together to eliminate TB:**

Dr Abhay Ambulkar, Asstt. Professor, Dept. of Community Medicine

30 Mar 2016

**Final presentation round of Seminars of**

**Academy of Basic Medical Sciences**

## **E-learning initiative at MGIMS, Sevagram**

In year 2014-15, MGIMS, Sevagram has launched an e-learning platform to complement the classroom, clinical and community-based training of under-graduate and post-graduate students. The institute has decided to use MOODLE as a VLE, which has been installed in a section of MGIMS server.

**The primary objective of the E-learning initiative at MGIMS is to enhance the learning experiences of our Undergraduate and Postgraduate students through principles of blended learning within the campus.** However, once the teachers are trained in E-learning, there would be immense potential for supporting education through e-learning. Some of the potential uses of this platform could be:

- Developing courses on personal and professional development for our students
- Supporting our students during their rural posting
- Developing e-learning courses for continuing professional education of practitioners, both public and private sector
- Developing courses for in-service training of various cadres of health care providers in public health system

After permission from authorities of Kasturba Health Society as well as MGIMS, Sevagram, work on this initiative was started. The following activities have been completed till now.

The following activities have been conducted:

1. **Formation of three institutional level groups/ committees:** For smooth functioning of e-learning initiative, three institutional level groups/ committees have been formed –E-learning advisory committee, Core E-learning team (comprising of trainers and problem solvers), Group of nodal persons from each department (nominated by the head of departments). The first meeting of E-learning advisory committee was held in May 2015. The core E-learning team had several meetings to decide the issues related to training of faculty members
2. **Identification of Moodle as the virtual learning environment and installation over MGIMS server:** Moodle was identified as the virtual learning environment to be used for E-learning at MGIMS, Sevagram and it was installed on the MGIMS server. The url of the MGIMS e-Classroom is <http://www.mgims.ac.in/classroom>
3. **Development of a blended learning course on ‘Developing Course with Moodle’:** a blended learning course was developed on MGIMS e-Classroom. The training comprises of an online course of 4 weeks duration with 4 contact sessions once a week. The online course has been developed on the Moodle platform so that the faculty members get acquainted with Moodle, the virtual learning environment which has been selected for developing the e-learning platform at MGIMS, Sevagram. In addition, for each participant, a separate practice course on our web server is created so that the skills of creating an online course could be easily practiced.
4. **Training of faculty members on the blended learning course ‘Developing Course with Moodle’:** It was decided to train all faculty members in ‘Developing Course with MOODLE’. More than 100 faculty members were trained in 6 batches of this blended learning course by the end of Sep 2015.
5. **E-learning planning cluster meetings:** A 2-3 hours course planning meeting with all the faculty members in five clusters (Pre-clinical disciplines (MBBS Part 1), Para-clinical

disciplines (MBBS Part 2), Community Medicine, Eye & ENT (MBBS Part 3A), Medical specialities, and Surgical specialities (MBBS Part 3B)).

6. **Finalization of guiding principles for E-learning:** A draft document on guiding principles for developing E-learning course was initially developed by core group on E-learning, which was later vetted by all departments during the E-learning planning cluster meetings.
7. **Formative research for scaling e-learning in the institute:** The core e-learning team has also planned a few formative research. In one of these initiatives, the team is assessing the preparedness of faculty and students for e-learning. Under this, survey of undergraduate students, six focus group discussion with under-graduate students, and in-depth interview of 20 faculty members have been planned. The data collection for this will be over by the end of August 2015.
8. **Roll over of rights of course manager within their categories to each department:** The core e-learning team has already started roll over of rights of course manager to two faculty members (on recommendation of Head of Department).
9. **Sensitization meeting with under-graduate students (batch-wise):** Sensitization meeting has been done with 2012, 2013 and 2015 batch.
10. **Development of first online course:** A complementary course for social service camp and village adoption scheme has been prepared by the faculty members in the department of Community Medicine. This course was offered to 2015 batch of students during their social service camp. Subsequently, it is being utilized to disseminate resources and guidelines for monthly village visits to the students.

**The E-learning core team plans the following activities for the future:**

1. **Development of another blended course on 'Competency-based blended learning':** Apart from training on use of MOODLE, the faculty members also require training/ mentoring on best practices in pedagogy while developing an e-learning course and challenges of integrating it with classroom learning. This will mostly come with experience. The core e-learning team is also planning an online course on 'competency based blended learning', through which the best practices while using e-learning in a campus-based scenario will be discussed. The participants of this course will be expected to prepare a high quality practice course demonstrating how blended learning could be used for competency-based medical education.
2. **Preparation of integrated course on diabetes:** This will also serve as a model courses for all faculty members
3. **A system for need-based support to faculty members, while they develop E-learning courses**
4. **A system for training of new faculty members:** A system of training new faculty members needs to be devised for both the courses, 'Developing Course with Moodle' as well as 'Competency-based blended learning', once it is developed.
5. **A system of continuous monitoring and enhancement of blended learning**  
We need to gradually build a system of supervision and monitoring. It needs to be thought in greater detail. However, it may not have any monetary implications.
6. **A regular system of orienting our students for use of the VLE**  
The orientation may be done in a 2 – 3-hour workshop by our faculty members. We will prefer a batch of 25 students for these workshops. We may also explore the possibility of developing e-learning course on Moodle itself for this purpose.

## Faculty members provided leave for attending courses (7 or more days)

Name of Faculty	Details	Duration
Dr. Chetna Maliye	Fellowship	30/10/2011 to 27/11/2011
Dr. Dhiraj Bhandari	higher training certificate course in Cardiac Anaesthesia  IDCCM Course In Critical Care Medicine At Chennai	15/01/2012 to 11/12/2012  17/06/2013 to 30/06/2014

KASTURBA HEALTH SOCIETY SEWAGRAM, WARDHA

Ref. No.: 3103

Date: 08/02/2016

CIRCULAR

Reference: KHS Circular no. 1320 dated 11/07/2012.

An amendment in the rule regarding amount sanctioned for attending International Conference out of country was considered & therefore partial modification in the rule is made as given hereunder:

**AMENDED RULE**

For attending International Conferences out of the country – Faculty is granted permission **once in 5 years**. Amount sanctioned will be **Rs. 1,00,000/-** (Rupees one Lac only) will be sanctioned for the expenditure incurred and preference will be given to the outstanding faculty members which will be decided by the President, KHS. However faculty members can have option to continue with the existing/present rules.

Amount for attending International Conferences will be paid only on production of all relevant documentary evidences.

The above-amended rule will be applicable to the employees of Kasturba Health Society w.e.f. 1<sup>st</sup> February 2016.

The Head of the Departments are requested to kindly bring these amendments to the notice of the employees working under them regarding above amendment.

(Dr. B.S. Garg)  
Secretary

Ref. No.: 386

Date: 01/05/2014

## CIRCULAR

A revision in the rules regarding amount sanctioned for Accommodation charges for Conference/Workshop/CME was considered & the circular previously circulated vide outward No. 1320 dated 11/07/2012 has been revised. The amendment part is as highlighted below. Other rules remain same.

### **Reimbursement of Registration fees, Travelling Allowance and Accommodation Charges (Boarding and Lodging Expenses)**

Faculty members who have been permitted under the rules to attend National, International Conference, Workshops, scientific meets within the country will be entitled for reimbursement of registration fee, Boarding & Lodging expenses and Travel expenses only once in a year as follows:

**For Conference :** Registration fee upto Rs. 10,000/- will be paid only on production of documentary evidence of **paper presentation/chairing session.**

**For Workshop & CME :** Registration fee upto Rs. 10,000/- will be paid only on production of documentary evidence of attendance.

**Amended rule (w.e.f. 01/05/2014):** Rs. 2500/- per day for not more than 3 days for **Boarding and Lodging expenses** will be paid only on production of documentary evidence.

2 Tier AC Train fare on actual basis will be paid only on production of original railway tickets except 3 Tier (IInd Class).

Ref. No.: 1320

Date: 11/07/2012

## CIRCULAR

An amendment in the rules regarding amount sanctioned for International Conference was considered & therefore, the circular previously circulated vide outward No. KHS I-6 (A)/291 dated 09/05/2006 was again circulated vide outward No. 382 dated 11/5/2012. Now again the amount permitted against Registration charges has been revised & therefore in supersession of the previous circulars, the rules are given below:

**Special Leave** : Special leave for a period not exceeding a total number of 15 days in a year will be granted to an employee by the appointing authority for attending educational or a scientific conference or a course approved by the University, State or Central Government or an International Agency inside or outside the country. Out of the above 15 days, special leave may also be granted to a faculty member to enable him to be an examiner in other Medical College/University provided such faculty member spends atleast five days for attending conference/workshop/seminar outside the Institute in a calendar year. Special leave can be combined with any other kind of leave such as Earned leave, Leave without pay, Casual leave etc. No interposing of weekly Off / Holiday will be allowed.

### **Reimbursement of Registration fees, Travelling Allowance and Accommodation Charges (Boarding and Lodging Expenses)**

w.e.f. 1/1/2006 Faculty members who have been permitted under the rules to attend National, International Conference, Workshops, scientific meets within the country will be entitled for reimbursement of registration fee, Boarding & Lodging expenses and Travel expenses only once in a year as follows:

**For Conference** : Registration fee upto Rs. 10,000/- will be paid only on production of documentary evidence of **paper presentation/chairing session.**

**For Workshop & CME** : Registration fee upto Rs. 10,000/- will be paid only on production of documentary evidence of attendance.

75% of the Boarding and Lodging expenses subject to ceiling of Rs. 5000/-, will be paid only on production of documentary evidence. In case of faculty lodging at friend/relatives residence, incidental charges upto Rs. 2,500/- will be admissible.

2 Tier AC Train fare on actual basis will be paid only on production of original railway tickets except 3 Tier (IInd Class).

**For Faculty Members attending National Teachers Training Course** : All rules of reimbursement as per conference/workshop.

**Note:** If reimbursement under conference/workshop has already been availed in the year, then reimbursement for Teachers Training will not be granted.

**IMPORTANT** : ALL THE ABOVE WILL BE PAID FOR ONE CONFERENCE ONLY – CLAIMANT MAY HOWEVER CLAIM THIS AT THE END OF THE CALENDAR YEAR – JANUARY TO DECEMBER. FOR ANY ONE CONFERENCE OUT OF ALL THOSE ATTENDED DURING THAT YEAR. NO SPILL OVER TO THE NEXT YEAR WILL BE PERMITTED.

IF REIMBURSEMENT IS SOUGHT FOR MORE THAN ONE CONFERENCE DURING THE YEAR, PRIOR PERMISSION OF THE PRESIDENT, KHS WOULD BE NEEDED.

For attending **International Conferences** out of the country – Faculty is granted permission once in 3 years. Amount sanctioned will be Rs. 40,000/- (**Forty Thousand Only**) or 1/3 rd of the expenditure incurred, whichever is less and preference will be given to the outstanding faculty members which will be decided by the President, KHS.

Basic Statistical Analysis in MS Excel  
Nagpur, 22 Feb 2012

#### **Pharmacology**

**Varma SK.**  
Pharmacovigilance,  
Indian Institute of Public Health, Delhi, 24 Mar 2012.

**Nagpure S, Dhanvijay P, Nanotkar S.**  
Workshop on Statistical Analysis with Microsoft Excel  
Lata Medical Research Foundation, Nagpur, 22 Feb 2012

**Kale R, Pethe M.**  
ICMR Workshop for training in Reverse Pharmacology  
MRC KHS Mumbai, 26 Mar- 9 Apr 2011

#### **Physiology**

**Pawar S, Gathe, Udan V.**  
CME on Sleep and Sleep disorders  
Armed Forces Medical College, Pune, 4- 5 Jun 2011

**Pawar S, Shende V.**  
Workshop on Research Methodology  
MUHS, Nashik, 18-23 Jul 2011

**Singh R.**  
Executive body meeting of Association of Physiologists & Pharmacologists of India  
AIIMS, New Delhi, Dec 2011 & Feb 2012

**Singh R, Kothari R, Pawar S, Shende V, Udan V.**  
DST sponsored young scientist training workshop on tools and techniques in  
physiological and pharmacological sciences  
AIIMS, New Delhi, 14 Dec 2011

**Singh R, Pajai S.**

Maharashtra State level Workshop on Research in Medical education Technology  
N K P Salve Inst of Medical Sciences & Research Centre, Nagpur, 13 Jan 2012

**Psychiatry**

**Khairkar P, Reddy S, Jakhar M, Gupta N.**

International Workshop on "Polysomnography: Principles, methods and hands on training"

Indian Society for Sleep Medicine

GMC Nagpur, India, 17-18 Apr 2011

**Khairkar P.**

Psychotherapy workshop

Nagpur, 9-10 Jul 2011

**Reddy S, Jakhar MS, Verma K, Babhulkar S, Gupta N.**

Workshop on Psychological Testing

JNMC Sawangi, 1-6 Feb 2012

**Radiodiagnosis**

**Tarafdar S, Pinjari R.**

Obstetric Ultrasound

Hyderabad, 27 Jan 2012

**Radiotherapy**

**Vyas VJ.**

Maharashtra chapter of AROI Meeting

Pune, 13-14 Aug 2011

## Courses Attended (2012-13)

---

- Anesthesia**     **Bhandari D**  
Post Doctoral Certificate Course in Cardiac Anesthesiology and Trans-oesophageal Echocardiography  
SCTIMST, Trivandrum, Kerala, Jan - Dec 2012
- Sharma V**  
Fogarty International Training Programme for Research Methodology for Non-communicable Diseases Medicity Institute of Medical Sciences (MIIMS) campus, Hyderabad, 2-6 Mar 2013
- Biochemistry**     **Reddy MVR**  
8th GSMC-FAIMER Regional Institute Fellowship Programme,  
Seth GS Medical College & KEM Hospital, Mumbai, 9-13 June 2012
- Community  
Medicine**     **Raut A**  
Advanced Course in Health Research Methodology,  
St. John's Medical College and Research Institute, Bengaluru, 3-15 Sep 2012
- Maliye C**  
PSG-FAIMER Fellowship Programme  
PSG FAIMER Regional Institute, Coimbatore, 14-20 Apr 2012
- ENT**     **Gadge S**  
21st Functional Endoscopic Sinus Surgery Course (FESS)  
Hinduja Hospital, Mumbai, 31 Aug-2 Sep 2012
- De S, Agarwal G, Gadge S**  
90th Temporal Bone Dissection Course  
Otology and Skull Base group, Balabhai Nanavati Hospital, 15-17 Feb 2013
- Agarwal G, Lavania M**  
Temporal Bone Dissection Course  
India Institute of Ear Diseases, Muzaffarnagar, 7-8 Jul 2012
- Agarwal G, Gadge S, Lavania M**  
4th Head & Neck Post Graduate Teaching course  
Govt Medical College, Nagpur, 24 Nov 2012
- Medicine**     **Jain VV**  
Advanced Health Research Methodology  
St John's Institute of Medical Sciences, Bengaluru, 3-15 Sep 2012

**Tandon M, Srivastav A**  
Observership in Neurology  
Care Hospital, Hyderabad 1-31 Aug 2012

**Rao T, Khiangte B**  
Observership in Neurology  
Care Hospital, Hyderabad 1-30 Sep 2012

**Microbiology**      **Lakhmawar S**  
Training on Antibiotic susceptibility testing of moulds  
PGI Chandigarh, 3-9 Mar 2013

**Das P**  
Training on Multiplex PCR for AmpC detection  
Prof. Benjamin M Poolimod Laboratories for Infection, Immunity and Inflammation,  
Christian Medical College, Vellore, 11-23 Mar 2013

**Obstetrics & Gynecology**      **Jain S**  
Course on Endoscopy  
Rajesh Modi Endoscopy centre, Akola, 1 Oct- 31 Dec 2012

**Jaiswal A**  
"Helping Babies Breathe" training program  
Lata Medical Research Foundation, Nagpur, 17-21 May 2012.

**Ophthalmology**      **Singh S**  
Intensive LASIK Surgery training  
New Vision LASER Centre, Vadodara, 14-15 Dec 2012

**Orthopedics**      **Yadav A, Supe A, Kumar A, Thakur S**  
Post graduate teaching course  
Miraj, 28-30 Sep 2012

**Borle S, Deshmukh S**  
Fracture fixation course  
Mumbai, 5-6 Oct 2012

**Pediatrics**      **Jain M, Bang A**  
TOT on American Academy of Pediatrics Basic Newborn Resuscitation Course- Helping  
Babies Breathe  
Belgaum, 14-16 May 2012

**Pathology**      **Gangane N, Gupta A.**  
Basic course on digital flow cytometry  
BD-JH FACS Academy, New Delhi, 26-28 Dec 2012

**Anshu.**  
Health in Numbers: Quantitative Methods in Clinical & Public Health Research, PH207x  
Harvard School of Public Health- Online course, 15 Oct 2012-15 Jan 2013.

**Psychiatry**

**Khairkar P**

Mini Fellowship in Non-invasive interventions in neuropsychiatry (rTMS intensive training) Harvard Medical School

Beth Israel Deaconess Medical Centre, Boston, Massachusetts, USA,

Jul-Aug 2012 & Feb –Mar 2013

**Khairkar P**

National Ethics workshop by CIDP/CDSA

PATH and OWH, KEM Mumbai, 7-11 Jan 2013

---

## Conferences Attended (2012-13)

---

### Anatomy

#### **Bokariya P**

CME on MedEqSafe-INDIA 2013  
MGIMS Sevagram, 22 Jan 2013

#### **Shende MR, Pal A, Tarnekar AM, Waghmare JE, Wankhede V, Sontakke BR, Chavan S, Talhar S, Gudadhe D, John S, Vaidya Y, Hiware S**

CME on Review of clinical anatomy of kidney in context of present day needs  
MGIMS, Sevagram, 24 Jan 2013

#### **Wankhede VR.**

International conference on miracles and progress of Neuropsychopharmacology in 21st century  
Dept of Pharmacology & Psychiatry, MGIMS Sevagram, 9 -10 Feb 2013

### Anesthesia

#### **Dhande P, Tidke S, Jain S, Yadav M, Charde K, Chandankhede S**

CME on Nutrition in ICU

Workshop on Hip Arthroplasty  
NKP Salve Institute of Medical Sciences, Nagpur, 24 Feb 2013
- Badole CM, Jain P, Borle S, Kawalkar A, Kumar A**  
Focus shoulder elbow workshop  
Nagpur, 29 Jul 2012
- Badole CM, Kumar V**  
Workshop on total knee replacement  
Sawangi, 30 Sep 2012
- Phadke A**  
Sancheti Fracture fixation workshop  
Pune, 8 Aug 2012
- Pathology**
- Gangane N, Ingole NS, Gupta A, Anshu**  
Basic workshop in research methodology  
MUHS, Pune regional centre, 18-20 June 2012
- Chavhan PS, Waghmare S, Patil B**  
CME of MedEqSafety  
MGIMS Sevagram, 22 Jan 2013
- Kumar A**  
Training on implementation of quality management systems in blood banks  
Maharashtra State AIDS Control Society (NACO), Pune, 1-3 Nov 2012
- Mehra K**  
Workshop on Immunohistochemistry  
MAPCON 2012, PDMC Amravati, 6-7 Oct 2012
- Patil B**  
15th Workshop on Biomedical Informatics  
MGIMS Sevagram, Dec 2012
- Anshu**  
State level VAPM Postgraduate Quiz (*Quiz Master*)  
IGGMC Nagpur, 2 March 2013
- Supe A, Bansal P, Anshu**  
Workshop on Curriculum Innovation Support Programme of the Medical Council of India. (*Faculty and resource person*)  
SEARAME-NCHPE 2012, PSG Coimbatore, 5 Sep 2012
- Anshu, Desai C, Shah C**  
Workshop on Problem based and Case based learning (*Lead faculty*)  
Govt Medical College, Bhavnagar, 16-17 Aug 2012

**Anshu**

Workshop on Qualitative Research (*Lead faculty*)  
GSMC-FAIMER Regional Institute, Mumbai, 11 Jun 2012

**Anshu**

Project Meeting of Core Group: Obama-Singh 21st Century Knowledge Initiative to develop a Masters in Health Professions Education for India and USA,  
Pune, 24 Mar 2013

**Anshu**

Meeting of Board of Studies and Core group members: Developing a Competency based Curriculum for MUHS  
Nashik, 23 Mar 2013

**Anshu**

Meeting with Vice-Chancellor of MUHS on Medical education activities in Vidarbha Govt Medical College, Nagpur, 8 Jul 2012

**Anshu**

Working Group on Integrated teaching, National Subcommittee, Curriculum Implementation Support Programme  
Medical Council of India, New Delhi, 3-4 April 2012

**Anshu**

Workshop on manuscript writing by editors of Education for Health  
Pune, 27 Feb 2013

**Anshu**

Workshop on manuscript reviewing by editors of Education for Health  
Pune, 28 Feb 2013

**Anshu, Parashar D, Oza N, Negi S, Mendhe P, Singhal P**

Workshop on Leukemias and Lymphomas  
JNMC Sawangi Meghe, 26-27 Jan 2013

**Anshu**

Workshop on Leader as Coach  
SEARAME-NCHPE 2012, PSG Coimbatore, 5 Sep 2012

**Pediatrics****Jain M.**

Advancing Science of Vaccinology. (*Faculty*)  
Amravati, 8 Apr 2012

**Jain M, Bang A.**

Training of Trainers on American Academy of Pediatrics Basic Newborn Resuscitation Course- "Helping Babies Breathe" (*Faculty*)  
Nagpur, 18-20 May 2012

**Bang A.**

ASIP Study: 4th Investigators' Meeting  
Mumbai, 9-10 Jun 2012

**Bang A.**

Pediatric Advanced Life Support (*Faculty*)  
Aurangabad, 20-21 Oct 2012

**Bang A**

Understanding and managing a child with autism and cerebral palsy  
Nagpur, 14 Sep 2012

**Jain M**

TOT on Comprehensive Child Care Program- IAP Mission Uday,  
Kolkata, 15-16 Jan 2013

**Jain M**

Instructor update on Advanced Neonatal Resuscitation,  
Pune, 27 Jan 2013

**Bang A.**

Evaluation of the progress, successes and challenges in implementation of "Helping Babies Breathe" Training Programme  
Organised by Chief Secretary, Govt of Maharashtra, Nagpur, 23 Dec 2012

**Chauhan VH.**

Training of Trainer workshop on Vector Borne Diseases.  
Conducted by MGIMS Sevagram, in collaboration with National Institute of Health and Family Welfare, New Delhi, at Sevagram, 7 – 11 Jan 2013

**Bang A.**

Planning and Coordination Meeting of the State Academic Coordinators of Indian Academy of Pediatrics & National Neonatology Forum Neonatal Resuscitation Training- First Golden Minute Project  
Kolkata, 14 Jan 2013

**Bang A.**

National TOT of Advanced NRP & IAP NNF Neonatal Resuscitation Training- First Golden Minute (*Faculty*)  
Kolkata, 15-16 Jan 2013

**Chauhan VH.**

MedE Safety Workshop  
Sevagram, 22 Jan 2013

**Bang A.**

Steering Committee meeting of the Global Network for Women and Children's Health of the Eunice Kennedy Shriver National Institute of Child Health and Human Development

NIH, Fort Lauderdale, Florida, USA, 27 – 31 Jan 2013

**Pharmacology**

**Verma SK**

Research methodology Workshop  
GMC, Nagpur, 29-31 Oct 2012

**Verma SK**

Refresher Course for HPLC  
Mumbai, 23-24 Aug 2012

**Verma SK**

Research Methods Workshop Series  
Indian Institute of Public Health, New Delhi, 21-24 Feb 2013.

**Kale R**

MedEqSafe –INDIA (CME)  
MGIMS, Sevagram, 22 Jan 2013

**Chimurkar L**

Basic Course in medical education technology  
JNMC, Sawangi, 9-10 Oct 2012

**Reddy P**

15th Workshop on Biomedical Informatics  
MGIMS, Sevagram, 2 Dec 2012

**Physiology**

**Pajai S**

National level workshop on intellectual property rights  
Bapurao Deshmukh Engineering college, Sevagram, 29 Oct 2012

**Bansod N**

Research Methodology Workshop  
Panjabrao Deshmukh Memorial Medical College, Amravati, 10-12 Aug 2012

**Bansod N**

Hands on Physiology Workshop for Researchers and Educators  
Dept of Physiology, Indira Gandhi Government Medical College, Nagpur, 6 Sept 2012

**Bansod N**

15th Workshop on Biomedical Informatics  
MGIMS, Sevagram, 2 Oct 2012

**Kothari R**

Workshop on "MedEqSafe-INDIA 2013"  
MGIMS, Sevagram, 22 Jan 2013

**Kothari R**

CME on “A Review of Clinical Anatomy of Kidney in Context of Present Day Needs”  
Department of Anatomy, MGIMS, Sevagram, 24 Jan 2013

**Pawar S, Shende V, Waghmare S, Udan V**

ICMR sponsored National Workshop-cum-Seminar on Research Methodology and Publications  
JIPMER, Puducherry, 23-25 Aug 2012

**Radiology**

**Tayade AT , Aglawe S , Ingley P, Tarafdar S , Gupta V, Pinjari R, Gulhane A ,  
Meena LK, Rekha**

Color Doppler Application and Basics  
JNMC Sawangi, 2 Dec 2012

**Surgery**

**Gupta D**

Workshop for Board of Studies members of MUHS Nashik on Application of competency Based Education to create Good Indian Medical Doctor  
Nashik, 23 Mar 2013

**Gupta D**

Workshop on Research Methodology  
MUHS, Pune 18–20 Jun 2012.

**Gupta D**

Meeting of Board of Studies  
MUHS Nashik, 2 Jan, 30 Jan 13 & 7 Mar 2013.

**Gupta D**

Governing council meeting of ARSI  
Bacchao, Bhuj, Gujarat, 24 Feb 2013

## Courses Attended (2013-14)

---

<b>Anesthesia</b>	<b>Bhandari D.</b> Fellowship in Critical Care Medicine Sundaram Medical Foundation, Chennai, 17 – 30 Jun 2014
	<b>Sharma V.</b> AHA Certified - Basic & Advance cardiac life support (Provider course), Chennai, 10-12 Dec 2013
	<b>Sharma V.</b> AHA Certified - Basic & Advance cardiac life support (Instructor course) Chennai, 19-20 Mar 2014
<b>Biochemistry</b>	<b>Kumar S.</b> LII International Auditor & Quality Management Systems Certificate Course Foundation for Quality (India) Lokmanya Tilak Municipal Medical College & General Hospital, 17 - 20 Feb 2014.
<b>ENT</b>	<b>Singh NK.</b> 95th Temporal Bone dissection Course Otology and skull base Nanavati Hospital, Mumbai, 20 – 22 Dec 2013.
	<b>Agarwal G, Kumar M, Kumar P.</b> Hands on Cadaveric Dissection XII Basic course in Endoscopic Surgery LTMG Hospital, Mumbai, 25 - 28 Jul 2013
	<b>Garg D, Malgonde M.</b> Hands on Workshop on Temporal Bone Dissection Course AFMC, Pune, 13 – 15 Sep 2013
	<b>Nagpure PS, Kumar M.</b> Hands on Cadaver dissection on Anterior and Lateral skull base surgery Command Hospital, Jodhpur, 29 – 30 Mar 2014
<b>Microbiology</b>	<b>Narang R.</b> Level II Internal Auditor & Quality Management Systems Certificate Course Foundation for Quality (India), Lokmanya Tilak Municipal Medical College & General Hospital, Mumbai, 17-20 Feb 2014.

**Attal R.**

19th Short term training course on 'Molecular techniques as applied for infectious disease research'

Dept. of Biochemistry, MGIMS, Sevagram, 24 Feb - 1 Mar 2014.

**Das S.**

Staining and Drug Sensitivity Testing of M.TB

National Institute of Research in Tuberculosis, Chennai, 6 - 14 Jun 2013

**Lambe A.**

Routine Laboratory Procedures and Operations, MGIT 320 DST system,

Dept. of Microbiology, MGIMS, Sevagram, 2 Sep 2013.

**Tiwari S.**

ICMR-WHO-PGI -Training Course in Medical Mycology

Dept. of Microbiology, PGIMER, Chandigarh, 18 – 21 Dec 2013

**Obstetrics &  
Gynecology****Shivkumar PV, Kumar P.**

Training on PPIUCD.

Health and Family Planning Training, Nagpur, 25-27 Sep 2013

**Tayade S.**

First onsite session of PSG-FAIMER fellowship

PSG- FAIMER Regional Institute, Coimbatore, 6-12 Apr 2013

**Orthopedics****Patond K, Jain P.**

Advances in Operative arthroplasty

Pune, 12- 13 Nov 2013

**Supe A.**

Basic Arthroplasty Workshop,

TNMC & BYL Nair Charitable Hospital,

Mumbai, 26-29 Sep 2013

**Borle S, Landge S.**

Post graduate teaching course,

Miraj, 16-17 Sep 2013

**Landge S, Borle S, Kawalkar A.**

15th MAMC Post Graduate Instructional Course in Orthopaedics,

Delhi, 13- 16 Nov, 2013

**Kawalkar A.**

HOME, Hyderabad, 22-24 Jan 2014

**Pathology****Gupta A.**

Internal auditor & quality management systems Certificate course

LTMMC, Sion, Mumbai, 17-20 Feb 2014

**Pediatrics**     **Bang A.**  
WHO Training on Good Clinical Practices,  
Pune, 31 May – 1 Jun 2013

**Deshmukh I, Chaudhary R, Singh M.**  
IAP NNF Advanced Neonatal Resuscitation Training,  
MGIMS, Sevagram, 21 Mar 2014

**Radio-therapy**     **Singh A.**  
Radio-biology course  
Shimla, 21 Sep 2013

**Surgery**     **Gupta DO.**  
Clinical surgery course & master class (*faculty*)  
Tatanagar, 3 – 8 Jul 2013

**Gaur P.**  
Panel certificate course in Hepato Pancreatico Biliary Surgery  
JIPMER, Puducherry, 28 Aug - 1 Sep 2013

---

## Conferences Attended (2013-14)

---

### Anesthesia

#### Jain S.

CME on Pain Management & Installation ceremony of ISSP,  
Nagpur city branch, Near Nagpur Airport, 13 Jul 2013

#### Dhande P, Tidke S, Jain S, Premendran B, Sharma V, Mahalle A, Khobragade P, Fulzele M, Yeole S, Chandankhede S, Yadav M, Khiangte A, Bele A, Sarkar C, Podder R, Patil P, Singh P.

CME on 'Pain Management – An arena to explore' in collaboration with 'Travelling Pain  
School', Hyderabad

Dept. of Anesthesiology, MGIMS, Sevagram, 14 Jul 2014.

#### Dhande P, Tidke S, Chandankhede S, Singh P.

29th Annual South Zone ISA Conference PONSZAC,  
Anesthesia Conference, Tamil Nadu Medical Council  
Puducherry, 23 - 25 Aug 2013

#### Dhande P, Khiangte A.

37th Annual State Conference of Indian Society of Anesthesiologists, ISACON,  
Kerala, 25-27 Oct 2013

#### Dhande P, Ingley P.

1st Maharashtra State Biennial CME – 2013  
I.M.A. Hall, Nagpur, 23 – 24 Nov 2013.

#### Tidke S, Jain S, Verma A, Verma A, Kurundwadkar M.

CME - Neuro anesthesia  
Dept. of Anaesthesiology,  
JNMC, DMIMS, Sawangi (Meghe), 2 Mar 2014.

#### Jain S, Sharma V, Fulzele M, Bele A, Sarkar C, Podder R, Jakhar M, Patil P, Singh P, Pawaskar S, Yadav N, Lambe A, Verma A.

CME on 'Current Concepts and Latest Trends in Caesarean Section'

Dept. of Obstetrics & Gynaecology, MGIMS, Sevagram & SWOGS, Wardha 28 Mar 2014

### Biochemistry

#### Reddy MVR.

TROPACON-2013

VII National Conference of the Indian Academy of Tropical Parasitology (IATP)  
Sanjay Gandhi Postgraduate Institute of Medical Sciences (SGPGIMS),  
Lucknow 6-8 Sep, 2013

- Community Medicine**      **Garg BS.**  
WHO sponsored session on quality of care.  
58th Annual National Conference of Indian Public Health Association  
Sri Venkateswara Medical College, Tirupati, 22-24 Jan 2014
- Mehendale AM**  
Non- communicable diseases and behavioral disorders.  
58th Annual National Conference of Indian Public Health Association  
Sri Venkateswara Medical College, Tirupati, 22-24 Jan 2014

Derma zone west and CUTICON Maharashtra 2013  
Powai, Mumbai, 18 - 20 Oct 2013
- ENT**              **Agarwal G, Gadge S, Kumar M.**  
MENTCON- 45th Maharashtra State ENT Conference  
Federation of Maharashtra State Branches of AOI  
Armed Forces Medical College, Pune, 13-15 Dec 2013
- Agarwal G, Kumar M, Kumar P.**  
66th National Conference of Association of Otolaryngologists of India  
JSS Medical College, Mysore, 9 – 12 Jan 2014
- Microbiology**              **Goswami B.**  
Microcon-2013,XXXVII National Conference of Indian Association of Medical Microbiologists,  
HICC, Hyderabad, 21 – 24 Nov 2013
- Narang P, Mendiratta DK, Deotale V, Thamke D, Maraskolhe D, Attal R, Bhunia S, Wankhade S, Goswami B, Lakhmawar S, Bankar N, Das P.**  
CME on Tuberculosis under RNTCP,  
Dept. of Microbiology, MGIMS, Sevagram, 18 Dec 2013
- Mendiratta DK, Bhunia S, Wankhade S, Goswami B**  
National Symposium on Innovation in TB Diagnostics, Drugs Target and Biomarkers and  
CME on Molecular and Immunodiagnosics for PTB & EPTB, JB Tropical Disease Research Centre & Dept. of Biochemistry, MGIMS, Sevagram, 27-28 Jan.2014
- Medicine**                      **Gupta OP**  
Annual Conference of Indian Association of Medical Journal Editors (IAMJE)  
All India Institute of Medical Sciences (AIIMS), New Delhi, 16-17 Nov 2013.
- Saxena A**  
Basics of Cardiology 2013,  
Cardiology Society of India, Nagpur, 16 Jun 2013.

**Saxena A, Agrawal S**

3rd Advanced Clinical Course in Cardiology (ACCC 2013)  
Cleveland Clinic, USA in Association with Arneja Heart Institute,  
Nagpur, 30 Apr 2013

**Yelwatkar S**

VAPICON 2014  
6th Annual Conference of Association of Physicians of India- Vidarbha Chapter,  
Nagpur 8 -9 Feb 2014

**Yelwatkar S, Agrawal S**

CME on Pain Management – An Arena to Explore  
Department of Anesthesiology, MGIMS, Sevagram, 14 Jul 2013

**Obstetrics &  
Gynecology**

**Chhabra S.**

Gestational Trophoblastic Neoplasms.  
57th ACOG, 2014  
Patna, 3 -5 Feb 2014

**Bagde N.**

CME on Post partum Haemorrhage  
Deoli-Sawangi Obstetrics & Gynaecology Society,  
JNMC, Sawangi, 22 Jun 2013

**Jain S.**

HYPFICON 2013  
International live workshop and conference on Fibroids and Hysterectomy.  
Travancore-Cochin Medical College, Cochin, 27 -29 Sep 2013

**Kumar P, Ramteke M, Sanap R.**

CME 'Pain Management – An Arena to Explore'  
Department of Anesthesiology, MGIMS, Sevagram, 14 Jul 2013

**Tembhare A, Thokal P, Saharan K, Namgyal A, Thakre P.**

CME on management of labour.  
Deoli-Sawangi Obstetrics & Gynaecology Society,  
JNMC, Sawangi, 11 Aug 2013

**Shivkumar PV, Jain S, Shrivastava P, Rewatkar M, Wattamwar A.**

National Symposium on Innovation in TB Diagnostics, Drugs Target and Biomarkers and  
CME on Molecular and Immunodiagnosics for PTB & EPTB, JB Tropical Disease Research  
Centre & Dept. of Biochemistry, MGIMS, Sevagram, 27-28 Jan.2014

**Kumar N, Thakare P.**

Live surgical workshop on 'Recent Trends in Micro Ear Surgery'  
Department of ENT, MGIMS, 8 - 9 Mar 2013

**Orthopedics****Patond KR.**

CME on Pain Management.  
Department of Anesthesia, MGIMS, Sevagram, 28 Jun 2013

**Patond KR.**

Pre-Conference Workshop. ( *Faculty*)  
VOSCON 2013 Nagpur, 10 Jan 2014

**Patond KR.**

Injuries unique to the pediatrics population.  
Pediatric trauma workshop, Nagpur, 15 Sep 2013

**Badole CM.**

CME on distal end radius fractures.  
Nagpur, 24 Nov 2013

**Wandile K.**

CME on distal end radius fractures.  
Nagpur, 24 Nov 2013

**Jain P, Wandile K, Kawalkar A, Deshmukh S, Landge S, Chaugle P.**

VOSCON 2013 Nagpur, 10 Jan 2014

**Badole CM.**

VOSCON 2013  
Nagpur, 12 Jan 2014

**Badole CM, Jain P, Verma G.**

NAILSCON 2013, Nagpur, 24-26 Oct 2013

**Jain P, Deshmukh S, Borle S.**

58th Annual Conference of the Indian Orthopedic Association  
IOACON 2013, Agra, 6-8 Dec 2013

**Thakur S, Kawalkar A, Jawade G, Chavhan A.**

CME on Distal End radius fracture, Nagpur, 24 Nov 2013

**Pathology****Anshu**

National Conference of Health Professions Education (NCHPE 2013)  
KEM Hospital Mumbai, 24-28 Sep 2013

**Pediatrics****Vilhekar KY, Jain M, Chauhan VH.**

24th Annual Conference of Maharashtra Academy of Pediatrics 'MAHAPEDICON 2013'  
and 9th annual conference of Nagpur Academy of Pediatrics  
Nagpur, 18-20 Oct 2013

**Jain M.**

51st Annual National conference of Indian Academy of Pediatrics- PEDICON 2014,  
Indore, 9-12 Jan 2014.

**Pharmacology****Misra A, Rapelliwar A, Bahekar S, Nanotkar S**

CME 'Pain Management – An Arena to Explore'

Department of Anesthesiology, MGIMS, Sevagram, 14 Jul 2013

**Rapelliwar A, Mundale N.**

CME on 'Recent Advances in non communicable diseases.'

Department of Community Medicine, JNMC, Sawangi (M), Wardha, 1 Feb 2014

**Mundale N, Awari B, Zhilate S.**

CME on Hepatitis Viruses: An Update.

Department of Microbiology,

Jawaharlal Nehru Medical College Sawangi (M), Wardha, 7 Jan 2014

**Mundale N.**

CME on 'Management of common pigmentary disorders.'

Department of Dermatology, MET Hall JNMC, Sawangi (Meghe), Wardha

**Mundale N, Zhilate S.**

CME on Current concepts and latest trends in caesarean section (Skill, Will and Drill)

Dept. of Obstetrics &amp; Gynecology, MGIMS, Sevagram, 28 Mar 2014

**Nanotkar S.**

Interdisciplinary CME on 'Immunity and Immunization',

Dept. of Pharmacology, DMIMS, Sawangi (Meghe), Wardha, 14 Feb, 2014.

**Physiology****Pawar S.**

CME 'Pain Management – An Arena to Explore'

Department of Anaesthesiology, MGIMS, Sevagram, 14 Jul 2013

**Psychiatry****Mishra K.**

Mental health literacy in India.

Annual National Conference of Indian Psychiatric Society, Pune, 16 – 19 Jan 2014

**Khairkar P.**

Prevention of domestic violence and suicide.

19th Annual National Conference of Indian Association of Social Psychiatry,

Kolkatta, 9 -12 Nov 2013

**Mishra K.**

Mid-Term National CME

Tirupati, 10 - 11 Aug 2013

**Khairkar P.**

Mid-Term West-zone CME

Kolhapur, 22 - 23 Jun 2013

**Babhulkar S.**

Symposium on Child and Adolescent Psychiatry,

Mumbai, 28 Feb – 2 Mar 2014

**Sakekar G.**

Symposium on Child and Adolescent Psychiatry  
Mumbai, 28 Feb – 2 Mar 2014

**Ransing R, Sarkar G.**

Developmental neurology & rehabilitation in mental retardation.  
NIMH, Secunderabad 26- 30 Nov 2013

**Ransing R, Sarkar G.**

Developmental neurology & rehabilitation in mental retardation.  
NIMH, Secunderabad 26- 30 Nov 2013

**Radiology**

**Verma A, Dhawas A, Kumari R.**

CT Fest, Mumbai, 25-27 Oct 2013

**Meena M, Kumari R.**

67th Annual conference of IRIA, Agra, 23-26 Jan 2014

**Tayade A, Ingley P, Dhawas A, Meena L.**

CME on ANC, Nagpur, 2 Jun 2013

**Tayade A, Pinjari R, Verma A, Tarafdar S, Dhawas A, Dhok A, Asthankar P, Kumari R.**

REC on Chest radiography.  
DDHS, Nagpur, 25 Aug 2013

**Tayade A, Kale SK, Dhawas A, Dhok A, Asthankar P, Bhandari A, Kumari R.**

CME on Chest radiography.  
JNMC, Sawangi, 15 Sep 2013

**Tayade A, Pinjari R, Verma A, Dhawas A, Dhok A, Bhandari A, Kumari R.**

CME on Head, neck and face imaging.  
Nagpur, 20 Oct 2013

**Tayade A, Meena L, Kumari R.**

REC on Excretory System.  
NKP SIMS& LMH, Nagpur, 1 Dec 2013

**Surgery**

**Yadav S, Hampher K.**

CME & Live workshop on inguinal hernia  
Nagpur Chapter of Association of Surgeons of India (ASI)  
NKP Salve Institute of Medical Sciences, 19 Apr 2013

**Gupta DO.**

5th International conference of IFRS & 21st Annual conference of ARSI  
Bhachau, Kutch, Gujarat, 22 - 24 Nov 2013.

**Gupta DO, Jain SC.**

Vidarbha level NASICON  
Nagpur, 30 Nov 2013

**Gupta DO.**

Vidarbha level NASICON (*faculty*)

Nagpur, 30 Nov 2013

**Radiotherapy**

**Vyas VJ.**

Maharashtra and Karnataka Chapter of AROI (*Faculty*)

Goa, 9 - 10 Aug 2013

**Vyas VJ.**

Indian Cancer Congress (*Faculty*)

New Delhi, 24 - 27 Nov 2013

**Vyas VJ.**

CCC Course. (*Faculty*)

Indore, 30 Jan - 1 Feb 2014

**Singh A.**

Maharashtra and Karnataka Chapter of AROI

Goa, 9 - 10 Aug 2013

## **Workshops/ Meetings/Consultancy (2013-14)**

---

- Anatomy**     **Bokariya P.**  
Workshop of Biostatistics (Statistics in Medical Research)  
LMRF Nagpur, 6 - 7 Sep 2013
- Sontakke BR.**  
Training programme on Empanelment criteria under Rajiv Gandhi Jeevandayee Arogya Yojana,  
National Accreditation Board of Hospitals (NABH), Yashada, Pune, 1-4 Mar 2014
- Anesthesia**     **Dhanda P, Tidke S, Chandankhede S, Singh P.**  
Workshop on 'Advanced Anaesthesia Workstations'  
29th Annual South Zone ISA Conference, PONSZAC, 2013,  
JIPMER, Puducherry 23 Aug 2013
- Jain S, Yeole S.**  
Workshop on Labour-analgesia.  
RAJISACON – 2013 and WISACON 2013  
RNT Medical College, Udaipur, Rajasthan, 27 Sep 2013.
- Jain S, Yeole S.**  
Workshop on USG guided Nerve Blocks.  
RAJISACON – 2013 and WISACON 2013  
RNT Medical College, Udaipur, Rajasthan, 27 Sep 2013.
- Tidke S.**  
Internal counselor programme on NABH Standards.  
Quality Council of India,  
MGIMS, Sevagram, Wardha, 25 – 27 Oct 2013
- Tidke S, Jain S, Sharma V, Fulzele M, Bele A, Sarkar C, Podder R, Jakhar M, Patil P, Singh P, Pawaskar S, Yadav N, Lambe A, Verma A.**  
Workshop on Current Concepts and Latest Trends in Caesarean Section (Skill, Will and Drill) MGIMS, Sevagram, Wardha, 28 Mar 2014
- Premendran B.**  
Meeting on POISE – 2 Study (Clinical Trial)  
Washington D.C, USA, 28 – 29 Mar 2014
- Biochemistry**     **Goswami K.**  
Statistical aspects of quality control (*Faculty*)  
Research Methodology Workshop  
DMIMS Sawangi, Feb. 2014

**Goswami K.**

Parametric and Non - Parametric tests in Statistics (*Faculty*)  
Research Methodology Workshop, DMIMS Sawangi, Apr. 2013

**Kumar S.**

Scientific Advisory Committee (SAC) meeting of ICMR NIC Project – ‘National Databases of Indian Medical Journals’  
NIC, New Delhi, 1 May 2013.

**Kumar S.**

25th Annual DBT’s BTISnet Coordinators Meeting  
CSIR-National Institute of Oceanography,  
Dona Paula, Goa, 27-28 Feb 2014

**Community  
Medicine**

**Garg BS.**

Meeting on Reproductive Health in Tribal population,  
ICMR, New Delhi, 6 Jun 2013.

**Garg BS.**

WHO meeting on Maternal and Reproductive Health for Program Managers,  
Phuket, Thailand, 10-12 June 2013.

**Garg BS.**

High level committee meeting on Reorganization of Directorate General of Health Services, New Delhi, 13 Jun 2013.

**Garg BS.**

Integration of Medical education with Primary and Secondary health care,  
Chhatisgarh Academy of Administration, CIPS, Raipur, Chhatisgarh, 7 Aug 2013.

**Garg BS.**

Investigators Meeting Phase III, Multicenter, Randomized, Double-Blind, Placebo-Controlled study to evaluate the efficacy and safety of live attenuated Bovine-Human Rotavirus Reassortant Pentavalent Vaccine (BRV-PV) Against Severe Rotavirus Gastroenteritis In Healthy Indian Infants,  
Goa, 17-21 Sep 2013.

**Gupta SS.**

A training workshop on ‘implementation of NABH hospital standards’,  
MGIMS, Sevagram, 25-27 Oct 2013.

**Garg BS.**

MCI meeting to finalize Curriculum of Community Medicine,  
MCI, New Delhi, 31 Oct 2013.

Teaching with Moodle: An Introduction (Awarded "International Moodle Completer Certificate Badge")  
Online course run by Moodle, Moodle Headquarters

## Academy of Basic Medical Sciences

Patron	:	Dr VR Wankhede, Associate Professor, Dept of Anatomy
Officer In-charge	:	Dr Vinod Shende, Assistant Professor, Dept of Physiology
Teacher co-ordinators	:	Dr Sweta Talhar, Dept of Anatomy, Dr Sachin Pawar, Dept of Physiology Dr Ashwini Kamble, Dept of Biochemistry
President	:	Ms Shambhavi Chaudhari
Secretary	:	Ms Shubhra Chhazed

The body of the Academy of Basic Medical Sciences (2015 batch) was constituted on 26 Nov 2015 in the presence of members of the Advisory committee from the departments of Anatomy, Physiology and Biochemistry. All the 96 undergraduate students of 2015 batch were divided into three equal groups and were placed in Anatomy, Physiology and Biochemistry to participate in preliminary rounds. All students presented their seminars using PowerPoint, models and flow charts. Two students chosen from each preliminary round entered the semi-final rounds and finally two students from each department entered the finals. The final round was held in collaboration with the Academy of Medical Sciences. The winners and their topics of presentation were as follows:

First	:	Ms Shubhra Chhazed	:	Auditory pathway and associated anomalies
Second	:	Ms Priyanka Joshi	:	DNA damage and repair
Third	:	Ms Shambhavi Chaudhari	:	Stretch Reflex

The other finalists were Ankita Fulzele, Divya Dixit and Mehak Saini.

Certificates and prizes were distributed to all the winners.

# Conferences Attended

---

- Anatomy**     **Shende MR.**  
63 NATCON, KGMC, Lucknow, 22 Nov 2015

ICMR, New Delhi, 19-20 Feb 2016

**Chhabra S**

Scientific Advisory Committee Project meeting  
Burapetha, Assam University, Assam, 22 Feb 2016

**Shivkumar PV**

Community Meeting of All Children Thriving (ACT)  
The African Academy of Sciences, Grand Challenge, Nairobi, Kenya, 20 -25 Feb 2016

**Shivkumar PV**

Meeting of Neonatal Action group to discuss the implementation of recent revision/  
upgradation  
Guidelines related to management of new born care, New Delhi, 11 -12 Mar 2016

**Jain S**

TOT training programme of Maternal Near Miss Review  
Government of India, Ministry of Health and Family Welfare,  
Hyderabad, 31 Mar-1 Apr 2016

**Tayade S**

Workshop on Training health professionals in infertility management (*Resource person*)  
Bringing quality to Maternal and Child Health Services: Indian Midwives take the  
challenges  
Yenepoya University, Mangalore, 20 -22 Nov 2015

**Tayade S, Jain S**

Master Class Infertility-II  
Lakshmi Shrikhande IVF and Surrogacy Centre  
Nagpur, 28-29 Nov 2015

**Chhabra S**

AGOICON-2015

Association of Gynecological Oncologists of India and Basavatarakam Indo American Cancer Hospital and Research Institute, Hyderabad, 27- 29 Nov 2015

**Tayade S**High deficiency unit and high risk obstetrics unit (*Observer*)

State Hospital, Canberra

Canberra, Australia, 24 -30 Mar 2016

**Ophthalmology****Shukla AK**3rd National Diabetic Retinopathy Task Force meeting,  
New Delhi, 2 Nov 2015**Singh S**2nd Sensitization Programme for Attitude and Communication (AT-COM) module  
MCI Nodal Centre for National Faculty Development,  
JNMC, Sawangi, Wardha, 3 Dec 2015**Bang P**Workshop on Basic Life Support,  
MGIMS Sevagram, 19 Apr 2015**Bang P**Building Blocks Workshop for slow learners,  
Mumbai, 19-20 Sep 2015**Orthopedics****Jawade G, Godara A, Vyas A**

Focus Workshop on lower extremity course, Nagpur, 19 Apr 2015

**Badole CM, Godara A, Vyas A**Workshop on Arthroscopy,  
Nagpur, 12 Jun 2015**Pathology****Shivkumar VB**Grand Challenges- All Children Thriving Community Meeting,  
Sponsored by Bill and Melinda Gates Foundation  
Nairobi, Kenya, 20-24 Feb 2016**Anshu, Dandekar SP, Salagre S**Workshop on mentoring skills (*Faculty and resource person*)  
GSMC-FAIMER Institute, Mumbai, 27 Apr 2015**Anshu**Sessions on (1) Blueprinting (2) Written Assessment- long and short answer questions  
(3) Multiple choice questions (4) Change management (5) Questionnaire design. (*Faculty and resource person*)

Advanced Course in Health Sciences Education, IMETTT, Pune, 30 Jul-1 Aug 2015

**Anshu, Joshi M, Jayalakshmi, Chacko TV**Abstract writing. (*Faculty and resource person*)

PSG FAIMER Regional Institute, Coimbatore, 21 Jun 2015

**Anshu, Dandekar S, Joshi M, Ramalingam S, Chacko TV**  
Good teaching practices: Competency based medical education.  
(Faculty and resource person)  
PSG FAIMER Regional Institute, Coimbatore, 21 Jun 2015

**Anshu, Dandekar S, Joshi M.**  
Performance based assessment. (Faculty and resource person)  
PSG FAIMER Regional Institute, Coimbatore, 22 Jun 2015

**Joshi M, Anshu, Dandekar SP**  
Reflective practice. (Faculty and resource person)  
PSG FAIMER Regional Institute, Coimbatore, 22 Jun 2015

**Anshu, Dandekar SP, Suvetha K, Jayalakshmi**  
Sustaining change. (Faculty and resource person)  
PSG FAIMER Regional Institute, Coimbatore, 20 Jun 2015

**Anshu, Salagre S.**  
Mini-CEX. (Faculty and resource person)  
GSMC-FAIMER Institute, Mumbai, 27 Apr 2015

**Anshu**  
Training of trainers on Sample collection and pre-analytical best practices,  
Labs for Life project, Ministry of Health and Family Welfare, New Delhi, 25-28 Aug 2015

**Anshu**  
IAP Basic Life Support (BLS) Provider and Instructor Workshop,  
Indian Academy of Pediatrics, MGIMS Sevagram, 5 Apr 2015

**Anshu**  
Pre-conference workshop on "How to set up a skills laboratory"  
National Conference on Health Professions Education (NCHPE 2015),  
Maulana Azad Medical College, New Delhi, 19 Nov 2015

Sensitization programme for AT-COM module at MCI Nodal Centre,  
JNMC, Sawangi, 7 Sep 2015

## **Pediatrics**

**Bang A**  
Basic Workshop on Functional Echocardiography  
Pune, 11 Mar 2016

**Bang A**  
Training of Trainers Workshop on Infectious Diseases- "Monsoon Maladies"  
Mumbai, 31 May 2015

**Bang A**  
Cochrane South Asia Network workshop on How to perform Systematic Review and  
Meta-Analysis  
MGIMS, Sevagram, 24-26 Aug 2015

**Vilhekar KY, Jain M, Bang A, Chauhan V**

Training Workshop on Peritoneal Dialysis for Pediatricians  
MGIMS, Sevagram, 26 Sep 2015

**Bang A**

IAP NNF Basic Neonatal Care and Resuscitation workshop (*Faculty*)  
CPS, Mumbai, 7 Jun 2015

**Bang A**

IAP NNF Training of Trainers in Basic Neonatal Care and Resuscitation (*Faculty*)  
LTMC and Sion Hospital, Mumbai, 11 Jun 2015

**Bang A**

IAP NNF Basic Neonatal Care and Resuscitation workshop (*Faculty*)  
KD Ambani Hospital and Research Center, Mumbai, 12 Jun 2015

**Jain M, Bang A**

Indian Academy of Pediatrics – Advanced Life Support workshop (*Faculty*)  
Aurangabad, 4 -5 Jul 2015

**Jain M, Bang A**

IAP NNF Field Testing workshop on “Helping 100K Babies Survive and Thrive Initiative India” (*Faculty*)  
Meerut, 20-23 Aug 2015

**Jain M, Bang A. (Faculty)**

1st IAP NNF Training of Trainers of “Helping 100K Babies Survive and Thrive Initiative India” (*Faculty*)  
Hyderabad, 17-20 Jan 2016

**Bang A**

IAP-FOGSI Perinatology Workshop (*Faculty*)  
Nagpur, 31 Jan 2016

**Pharmacology**

**Chimurkar L.**

3T Bio-Ethics training program workshop for medical teachers.  
MUHS, Nashik, 25-28 May 2015

**Varma SK, Bhowre H.**

Advanced training on Pharmacovigilance,  
Dept. of Clinical Pharmacology, Seth GSMC and KEM, Mumbai, 19 Mar 2016

**Jankar BB, Das M, Kirde S, Singh PK**

18th Workshop on Molecular modeling and drug- protein interactions  
MGIMS, Sevagram, 11-12 Jan 2015

**Kirde S.**

International Workshop on Pharmacovigilance.  
Dept of Pharmacology, SRMC and RI and Central Research Facility,  
Sri Ramachandra University, Chennai, 27 Oct 2015

- Psychiatry**     **Mishra KK, Khairkar P.**  
Indo-US workshop on Markers on Biological Psychiatry,  
N S Vahia Foundation, Mumbai, 9– 10 Jan 2016
- Mishra KK.**  
Physical Co-morbidities in Schizophrenia  
Workshop for Mental Health Professionals, Raipur, 20 Feb 2016
- Khairkar P.**  
Workshop on Subliminal Therapy by Edwin Yager  
12th International Psychiatry Congress in Collaboration with Egyptian Psychiatric  
association (EPA) and World Psychiatric association (WPA)  
Alexandria, Egypt, 26 - 28 Nov 2015
- Khairkar P.**  
2nd Neuropsychiatry Update  
Neurokrish Foundation, Chennai, 30 Dec 2015
- Babhulkar S.**  
Workshop on ECT  
Masina hospital, Mumbai, 8 Aug 2015
- Babhulkar S, Agrawal G**  
Workshop on Psychometrics  
DMIMS, Sawangi, 9– 11 Sep 2015
- Surgery**     **Gupta DO**  
Workshop on inclusion of Bioethics in UG and PG curriculum  
MUHS Nashik, 23 Apr 2015
- Gupta DO**  
GC meet of ARSI,  
Karad, 15 Mar 2015
- Gupta DO**  
BOS Meet  
MUHS Nashik, 23 – 24 Apr, 5 Oct 2015
- Radiology**     **Tayade AT.**  
Workshop on Capacity Building for planning and conducting systematic reviews and  
meta analysis.  
MGIMS, Sevagram, 24 – 26 Aug 2015

## Academic activities organized by Medical Education Unit

<b>Theme/Title</b>	<b>: Basic Course Workshop in Medical Education Technology</b>
<b>Date</b>	: 28-30 Apr 2011
<b>No of Delegates</b>	: 10
<b>Course Coordinator:</b>	: Dr Ramji Singh
<b>Resource persons</b>	: Dr Ramji Singh, Dr AM Mehendale, Dr Anshu, Dr Anupama Gupta, Dr Ranjan Solanki, Dr BK Mehra, Dr JE Waghmare, Dr Benhur Premendran, Dr. Smita Singh, Dr Aditya Tarnekar, Dr Dilip Gupta, Dr Kalyan Goswami, Dr Alka Rawekar, Dr Sonia Jain
<b>Key topics</b>	: Group dynamics; Systems approach, Learning process and adult learning; Taxonomy of learning; Microteaching; Appropriate use of media; Curriculum designing; Student assessment; Assessment of clinical and practical skills; Importance and skills of giving effective feedback; Interactive teaching learning methods; E-learning; Good teaching practices
<b>Theme/Title</b>	<b>: Basic Course Workshop in Medical Education Technology</b>
<b>Date</b>	: 16-18 Jan 2012
<b>No of Delegates</b>	: 22
<b>Course Coordinator:</b>	: Dr Ramji Singh
<b>Resource persons</b>	: Dr Ramji Singh, Dr AM Mehendale, Dr Anshu, Dr Anupama Gupta, Dr Ranjan Solanki, Dr BK Mehra, Dr JE Waghmare, Dr Benhur Premendran, Dr. Smita Singh, Dr Aditya Tarnekar, Dr Dilip Gupta, Dr Kalyan Goswami, Dr Alka Rawekar, Dr Sonia Jain
<b>Key topics</b>	: Group dynamics; Systems approach, Learning process and adult learning; Taxonomy of learning; Microteaching; Appropriate use of media; Curriculum designing; Student assessment; Assessment of clinical and practical skills; Importance and skills of giving effective feedback; Interactive teaching learning methods; E-learning; Good teaching practices
<b>Theme/Title</b>	<b>: Basic Course Workshop in Medical Education Technology</b>
<b>Date</b>	: 28-30 Aug 2012
<b>No of Delegates</b>	: 26
<b>Course Coordinator:</b>	: Dr Ramji Singh
<b>Resource persons</b>	: Dr Ramji Singh, Dr AM Mehendale, Dr Anshu, Dr Anupama Gupta, Dr DK Mendiratta, Dr Ranjan Solanki, Dr BK Mehra, Dr JE Waghmare, Dr Benhur Premendran, Dr. Smita Singh, Dr Aditya Tarnekar, Dr OP Gupta, Dr Dilip Gupta, Dr Swanand Pathak, Dr N Gaikwad, Dr Kalyan Goswami, Dr Alka Rawekar, Dr Sonia Jain
<b>Key topics</b>	: Group dynamics; Systems approach, Learning process and adult learning; Taxonomy of learning; Microteaching; Appropriate use of media; Curriculum designing; Student assessment; Assessment of clinical and practical skills; Importance and skills of giving effective feedback; Interactive teaching learning methods; E-learning; Good teaching practices
<b>Theme/Title</b>	<b>: Workshop on Multiple Choice Questions (MCQ) Construction</b>
<b>Date</b>	: 08-09 Mar 2013
<b>No of Delegates</b>	: 26

**Resource persons** : Dr Tejinder Singh Dr PV Shivkumar, Dr Smita Singh, Dr Anupama Gupta, Dr Anshu

**Theme/Title** : **Workshop on Mentoring**  
**Date** : 07 Mar 2013  
**No of Delegates** : 27  
**Resource persons** : Dr Tejinder Singh, Dr Chetna Maliye, Dr Aditya Tarnekar, Dr Sonia Jain

**Theme/Title** : **Basic Course Workshop in Medical Education Technology**  
**Date** : 19 - 21 Mar 2013  
**No of Delegates** : 25  
**Course Coordinator:** Dr MVR Reddy, Dr Anshu  
**Resource persons** : Dr Ramji Singh, Dr Anshu, Dr Anupama Gupta, Dr DK Mendiratta, Dr SP Kalantri, Dr VB Shivkumar, Dr Tripti Srivastava, Dr SR Tankhiwale, Dr Subodh S Gupta, Dr Ranjan Solanki, Dr BK Mehra, Dr JE Waghmare, Dr Benhur Premendran, Dr. Smita Singh, Dr Aditya Tarnekar, Dr OP Gupta, Dr Dilip Gupta, Dr Swanand Pathak, Dr N Gaikwad, Dr Kalyan Goswami, Dr Alka Rawekar, Dr Sonia Jain

**Key topics** : Group dynamics; Systems approach, Learning process and adult learning; Taxonomy of learning; Microteaching; Appropriate use of media; Curriculum designing; Student assessment; Assessment of clinical and practical skills; Importance and skills of giving effective feedback; Interactive teaching learning methods; E-learning; Good teaching practices

**Theme/Title** : **Workshop on Curriculum planning and Innovations**  
**Date** : 20 Dec 2013  
**No of Delegates** : 26  
**Key topics** : Use of Matrix to review current curriculum and identify areas that need attention/strengthening, Designing new curriculum components using specific framework, Curriculum and its essential components, type of curriculum followed in MGIMS

**Resource persons** : Dr Thomas V Chacko, Dr Marina Thomas

**Theme/Title** : **National conference on Health Professions Education**  
**Date** : 24-27 Sep 2014  
**No of Delegates** : 200 (approx)  
**Key topics** : Connecting the health system to health professions education, Symposium: MCI reforms are round the corner: Is your institution ready?, Growth of health professions education in India, Symposium: Selection of medical students in India, Symposium on inter-professional education, Symposium on interprofessional education

**Resource persons** : Dr.Arun.Jamkar, Dr BS Garg, Ms Ralf Graves, Dr Abraham Joseph, Dr SubhashSalunke, Dr Rita Sood, Dr AvinashSupe, Dr Tejinder Singh, Dr Thomas Chacko, Ms. Mary Beth Scallen, Dr Anshu, Dr Bulbul Sood, Ms Namita Kumar, Dr VivekSaoji, Dr BV Adkoli

**Theme/Title** : **PRE-CONFERENCE WORKSHOP 1: Innovative practices in community oriented medical education**  
**Date** : 25 Sep 2014  
**No of Delegates** : 20

**Key topics** : Experiences of implementing Community-based Medical Education in India; Community-based Medical Education in a competency-based framework; Making a beginning for 'Community-oriented health professions' education'

**Resource persons** : Dr Abraham Joseph, Dr Arvind Kasthuri, Dr Subodh S Gupta, Dr Chetna Maliye

**Theme/Title** : **PRE-CONFERENCE WORKSHOP 2: Engage your learners: Promote active and deep learning in your large classes**

**Date** : 25 Sep 2014

**No of Delegates** : 30

**Intended outcome** : Participants will leave this workshop with a portfolio of effective interactive techniques to activate large lecture classes.

**Resource persons** : Mary Beth Scallen, AM Ciraj, Sucheta Dandekar, VB Shivkumar

**Theme/Title** : **PRE-CONFERENCE WORKSHOP 3: How to design, implement and assess a competency based curriculum**

**Date** : 25 Sep 2014

**No of Delegates** : 30

**Intended outcome** : Participants will have the opportunity to write a 'competency based syllabus' on a topic of their choice

**Resource persons** : Dr Nivriti Patil, Dr Rita Sood, Dr Anuj Chawla, Dr Smita Singh

**Theme/Title** : **PRE-CONFERENCE WORKSHOP 4: Appraisal of faculty performance: How can we do it?**

**Date** : 25 Sep 2014

**No of Delegates** : 11

**Intended outcome** : Following the workshop, participants will appreciate and value the benefits of teacher appraisal, will be able to design and implement a teacher appraisal system in their own context, and will be able to use teacher appraisal for educational improvement and faculty development

**Resource persons** : Dr Gagandeep Kwatra, Dr Henal Shah and Dr Sonia Jain

**Theme/Title** : **PRE-CONFERENCE WORKSHOP 5: Inter-professional Education**

**Date** : 25 Sep 2014

**No of Delegates** : 19

**Intended outcome** : Following the workshop, participants will appreciate the need for Inter-professional education, enhance collaboration between professions in the health sciences education, and promote collaborative practices and team spirit among health care professionals.

**Resource persons** : Dr Anice George, Dr Gauri Lele, Dr Selvam Ramachandran, Dr Poonam V Shivkumar

**Theme/Title** : **PRE-CONFERENCE WORKSHOP 6: Simulation in Medical Education**

**Date** : 25 Sep 2014

**No of Delegates** : 21

**Intended outcome** : Following the workshop, participants will be aware of importance of use of simulation in training and assessment, will use/prepare a module based on simulation for training/assessment of skills, and will

be able to address this important gap in the curricula and impart training in standardized way

**Resource persons** : Dr Avinash Supe, Dr Vivek Saoji, Dr R Anand, Dr Benhur Premendran

**Theme/Title** : **PRE-CONFERENCE WORKSHOP 7: Curriculum Review and Planning: Towards Transformative Health Professions Education**

**Date** : 25 Sep 2014

**No of Delegates** : 22

**Intended outcome** : Following the workshop, participants will be able to identify the current stage of progression towards Transformative Education in their home institution, and use a matrix to review current curriculum and identify areas that need attention/strengthening to make it transformative

**Resource persons** : Dr Thomas Chacko, Dr Nirmala Rege, Dr Animesh Jain, Dr Anupama Gupta

**Theme/Title** : **PRE-CONFERENCE WORKSHOP 8: Reflective Practice: Looking back to look forward**

**Date** : 25 Sep 2014

**No of Delegates** : 12

**Intended outcome** : Following the workshop, participants will be sensitized to the concept of reflective practice, will be able to reflect on their professional experiences on a regular basis, and will be able to introduce concept of reflection in their institution.

**Resource persons** : Dr Medha Joshi, Dr Henal Shah, Dr Ashwini Appaji, Dr MVR Reddy

**Theme/Title** : **PRE-CONFERENCE WORKSHOP 9: How to get your research papers published**

**Date** : 25 Sep 2014

**No of Delegates** : 30

**Intended outcome** : At the end of the workshop, participants will be familiar with the structure of scientific papers, identify common reasons why reviewers and editors reject manuscripts and be able to prevent these potential errors

**Resource persons** : Dr Chetna Desai, Dr Satendra Singh, Dr Anshu

**Theme/Title** : **Basic Course Workshop in Medical Education Technology**

**Date** : 20-22 Jan 2015

**No of Delegates** : 23

**Course Coordinator** : Dr Subodh S Gupta

**Resource persons** : Dr AK Shukla, Dr. Anupama Gupta, Dr. Anshu Gupta, Dr. Jyoti Jain, Dr. Kalyan Goswami, Dr. Surekha Tayade, Dr. Chetna Maliye, Dr. Rahul Narang, Dr. Vishakha Jain, Dr. Puja Hingorani-Bang, Dr. Abhishek Raut, Dr. Amardeep Tembhare, Dr. Subodh S Gupta

**Key topics** : Group dynamics; Systems approach, Learning process and adult learning; Taxonomy of learning; Microteaching; Appropriate use of media; Curriculum designing; Student assessment; Assessment of clinical and practical skills; Importance and skills of giving effective feedback; Interactive teaching learning methods; E-learning; Good teaching practices

**Theme/Title** : **1<sup>st</sup> Blended learning course on 'Developing course with Moodle'**

**Dates** : 28 Feb – 27 Mar 2015

**Course Coordinator** : Dr Subodh S Gupta  
**Resource persons** : Dr Subodh S Gupta, Dr. Anshu  
**No of Delegates** : 18  
**Key topics** : Overview of Moodle, Setting up a course in Moodle, Adding resources and blocks, Adding activities, More about blocks, Adding quiz, Report and Gradebook, Course completion status, Adding course badges and certificates, Offering one course to more than one batch, How to back-up your course and restore, Discussion and group work on blended learning, Preparing video of your presentation

**Theme/Title** : **2<sup>nd</sup> Blended learning course on 'Developing course with Moodle'**  
**Dates** : 4 Apr –4 May 2015  
**No of Delegates** : 15  
**Course Coordinator** : Dr Subodh S Gupta  
**Resource persons** : Dr Subodh S Gupta, Dr Anupama Gupta, Dr Anshu, Dr SA Tayade, Dr Akash Bang,  
Dr Abhishek Raut, Dr Purvasha Narang  
**Key topics** : Overview of Moodle, Setting up a course in Moodle, Adding resources and blocks, Adding activities, More about blocks, Adding quiz, Report and Gradebook, Course completion status, Adding course badges and certificates, Offering one course to more than one batch, How to back-up your course and restore, Discussion and group work on blended learning, Preparing video of your presentation

**Theme/Title** : **3<sup>rd</sup> Blended learning course on 'Developing course with Moodle'**  
**Dates** : 27 Jun – 25 Jul 2015  
**No of Delegates** : 12  
**Course Coordinator** : Dr Subodh S Gupta  
**Resource persons** : Dr Subodh S Gupta, Dr Anshu, Dr AT Tayade, Dr P Hingorani, Dr Purvasha Narang  
**Key topics** : Overview of Moodle, Setting up a course in Moodle, Adding resources and blocks, Adding activities, More about blocks, Adding quiz, Report and Gradebook, Course completion status, Adding course badges and certificates, Offering one course to more than one batch, How to back-up your course and restore, Discussion and group work on blended learning, Preparing video of your presentation

**Theme/Title** : **4<sup>th</sup> Blended learning course on 'Developing course with Moodle'**  
**Dates** : 29 Jun-25 Jul 2015  
**No of Delegates** : 23  
**Course Coordinator** : Dr Anupama Gupta  
**Resource persons** : Dr Anupama Gupta, Dr Abhishek Raut, Dr Sonia Jain, Dr Surekha Tayade, Dr Vishakha Jain, Dr. Subodh S Gupta  
**Key topics** : Overview of Moodle, Setting up a course in Moodle, Adding resources and blocks, Adding activities, More about blocks, Adding quiz, Report and Gradebook, Course completion status, Adding course badges and certificates, Offering one course to more than one batch, How to back-up your course and restore, Discussion and group work on blended learning, Preparing video of your presentation

**Theme/Title** : **5<sup>th</sup> Blended learning course on 'Developing course with Moodle'**  
**Dates** : 27 Jul – 24 Aug 2015  
**No of Delegates** : 22  
**Course Coordinator** : Dr Abhishek Raut  
**Resource persons** : Dr SS Gupta, Dr Anupama Gupta, Dr Akash Bang, Dr. Surekha Tayade, Dr. Udit Narang, Dr Subodh S Gupta  
**Key topics** : Overview of Moodle, Setting up a course in Moodle, Adding resources and blocks, Adding activities, More about blocks, Adding quiz, Report and Gradebook, Course completion status, Adding course badges and certificates, Offering one course to more than one batch, How to back-up your course and restore, Discussion and group work on blended learning, Preparing video of your presentation  
**Resource persons** : Dr SS Gupta, Dr Anshu

**Theme/Title** : **6<sup>th</sup> Blended learning course on 'Developing course with Moodle'**  
**Dates** : 01-31 Aug 2015  
**No of Delegates** : 18  
**Resource persons** : Dr Puja Hingorani, Dr Anshu, Dr Sonia Jain, Dr Vishakha Jain, Dr Subodh S Gupta  
**Key topics** : Overview of Moodle, Setting up a course in Moodle, Adding resources and blocks, Adding activities, More about blocks, Adding quiz, Report and Gradebook, Course completion status, Adding course badges and certificates, Offering one course to more than one batch, How to back-up your course and restore, Discussion and group work on blended learning, Preparing video of your presentation

**Theme/Title** : **Workshop on Developing Good Study Skills**  
**Dates** : 31 Oct 2015  
**No of Delegates** : 31  
**Resource persons** : Dr Anshu, Dr MVR Reddy, Dr Subodh S Gupta, Dr Puja Hingorani, Dr Abhishek Raut  
**Key topics** : Learning styles, Habits of successful students, Using learning strategies to match your learning style, Knowing how you learn, Time management for a healthy work and life balance, Concept maps, Cornell's note taking technique, Learning together, Best practices in writing answers, The wonders of viva voce, Take home messages

**Theme/Title** : **Basic Workshop on 'Health Sciences Educational Technology' for Nursing Faculty and Students**  
**Dates** : 21-23 Jul 2015  
**No of Delegates** : 30  
**Resource persons** : Dr Poonam V Shivkumar, MVR Reddy, Dr Smita Singh, Dr. VB Shivkumar, Dr Anupama Gupta, Dr Anshu, Dr Subodh S Gupta, Dr Jyoti Jain, Dr Vijayshri Deotale, Dr Surekha Tayade, Dr Chetna Maliye, Dr Kalyan Goswami, Dr Bharati Taksande, Dr Puja Hingorani, Dr Abhishek Raut, Dr Vishakha Jain, Dr Aditya Tarnekar, Dr JE Waghmare, Dr Benhur Premendran, Dr Ruchi Kothari  
**Key topics** : Group dynamics; Systems approach, Learning process and adult learning; Taxonomy of learning; Microteaching; Appropriate use of media; Curriculum designing; Student assessment; Assessment of clinical and practical skills; Importance and skills of giving effective feedback; Interactive teaching learning methods; Good teaching practices

# Academic activities for capacity building in Research Methodology

<b>Theme/Title</b>	: <b>Workshop in Research Methodology for Post-graduate students</b>
<b>Date</b>	: 03-09 Oct 2011
<b>No of Delegates</b>	: 55
<b>Key Topics</b>	: Introduction to Research Methodology, Basics of research, Descriptive epidemiological study, Experimental & Quasi-experimental study, Sampling methods & sample size, Bias & confounding, Risk measurement, association & causation, Designing data collection tool, Writing a Research Protocol, Observational Epidemiological, Studies, Diagnostic Accuracy Research, Sampling methods & Sample size, Literature search, Qualitative research, Experimental Designs, Designing Questionnaire, Ethical aspects of research, Data analysis & Presentation, Critical evaluation of journal article
<b>Resource Person</b>	: Dr AP Kulkarni, Dr BS Garg, Dr Ramji Singh, Dr MVR Reddy, Dr Poonam V Shivkumar, Dr SP Kalantri, Mr MS Bharambe, Dr PR Deshmukh, Dr Chetna Miliye
<b>Theme/Title</b>	: <b>Workshop in Research Methodology for Post-graduate students</b>
<b>Date</b>	: 16-22 Nov 2011
<b>No of Delegates</b>	: 11
<b>Key Topics</b>	: Introduction to Research Methodology, Observational epidemiological study, Diagnostic accuracy research, Basics of research, Experimental & Quasi-experimental study, Sampling methods & sample size, Bias & confounding, Risk measurement, association & causation, Designing data collection tool, Writing a Research Protocol, Observational Epidemiological, Studies, Diagnostic Accuracy Research, Sampling methods & Sample size, Literature search, Qualitative research, Designing Questionnaire, Ethical aspects of research, Data analysis & Presentation, Critical evaluation of journal article
<b>Resource Person</b>	: Dr BS Garg, Dr Ramji Singh, Dr MVR Reddy, Dr Poonam V Shivkumar, Dr SP Kalantri, Mr MS Bharambe, Dr PR Deshmukh, Dr Chetna Miliye
<b>Theme/Title</b>	: <b>Workshop in Research Methodology for Nursing College Faculty</b>
<b>Date</b>	: 24- 27 April 2012
<b>No of Delegates</b>	: 26
<b>Key Topics</b>	: Introduction to Research Methodology, Writing a Research Protocol, Observational Epidemiological, Studies, Diagnostic Accuracy Research, Sampling methods & Sample size, Literature search, Qualitative research, Experimental Designs, Designing Questionnaire, Ethical aspects of research, Data analysis & Presentation, Critical evaluation of journal article
<b>Resource Person</b>	: Dr Ramji Singh, Dr Pradeep Deshmukh, Dr Vishakha, Mr MS Bharambe, Dr Anshu, Mr PV Bahulekar, Dr Jyoti Jain, Dr Pradeep Deshmukh, Dr MVR Reddy, Dr Chetna Maliye

**Theme/Title** : **Workshop in Research Methodology for Post-Graduate students**  
**Date** : 6-12 Aug 2012  
**No of Delegates** : 35  
**Key Topics** : Introduction to Research Methods and Scope of Research, Sampling methods & Sample size, Observational epidemiological studies, (cross-sectional, case-control & cohort), Diagnostic Accuracy Research, Literature Search, Designing a Questionnaire, Experimental & quasi-experimental designs, Qualitative Research, Data analysis & presentation, Construction of Research Protocol, Ethical aspects of research, Critical evaluation of a journal article  
**Resource Person** : Dr BS Garg, Mr MS Bharambe, Dr PV Shivkumar, Dr Pradeep Deshmukh, Dr Anshu, Dr Subodh S Gupta, Dr Jyoti Jain, Mr PV Bahulekar, Dr Mr MS Bharambe, Dr Ramji Singh, Dr MVR Reddy, Dr Chetna Maliye

**Theme/Title** : **Workshop in Research Methodology for postgraduates**  
**Date** : 17-24 Sep 2012  
**No of Delegates** : 24  
**Key Topics** : Introduction to Research Methods and Scope of Research, Sampling methods & Sample size, Literature Search, Designing a questionnaire, Ethical aspects of research, Cross-sectional study, Case-control study, Cohort study, Experimental & quasi-experimental designs, Diagnostic Accuracy Research, Data analysis & presentation, Construction of Research Protocol, Qualitative Research, Critical evaluation of a journal article  
**Resource Person** : Dr BS Garg, Mr MS Bharambe, Dr Anshu, Dr Abhishek Raut, Dr MVR Reddy, Dr PV Shivkumar, Dr Shuchi Jain, Dr Subodh S Gupta, Dr Pradeep Deshmukh, Mr PV Bahulekar, Dr Chetna Maliye

**Theme/Title** : **Basic Workshop in Research Methodology for faculty**  
**Date** : 7-12 Jan 2013  
**No of Delegates** : 20  
**Key Topics** : Introduction to Research Methodology, Writing a Research Protocol, Observational Epidemiological, Studies, Diagnostic Accuracy Research, Sampling methods & Sample size, Literature search, Qualitative research, Experimental Designs, Designing Questionnaire, Ethical aspects of research, Data analysis & Presentation, Critical evaluation of journal article  
**Resource Person** : Dr BS Garg, Dr SP Kalantri, Dr SS Gupta, Dr Anshu, Mr MS Bharambe, Dr MVR Reddy

**Theme/Title** : **Basic Workshop in Research Methodology for faculty**  
**Date** : 18-22 Feb 2013  
**No of Delegates** : 27  
**Key Topics** : Introduction to Research Methodology, Writing a Research Protocol, Observational Epidemiological, Studies, Diagnostic Accuracy Research, Sampling methods & Sample size, Literature search, Qualitative research, Experimental Designs, Designing Questionnaire, Ethical aspects of research, Data analysis & Presentation, Critical evaluation of journal article  
**Resource Person** : Dr BS Garg, Dr SP Kalantri, Dr SS Gupta, Dr CH Maliye, Dr PV Shivkumar, Dr PR Deshmukh, Dr Poonam Shivkumar, Dr Anshu, Mr MS Bharambe, Dr MVR Reddy

**Theme/Title** : **Workshop on Research Methodology for Post-graduate Students**  
**Date** : 26-31 Aug 2013  
**No of Delegates** : 38  
**Key Topics** : Introduction to Research Methodology, Writing a Research Protocol, Observational Epidemiological, Studies, Diagnostic Accuracy Research, Sampling methods & Sample size, Literature search, Qualitative research, Experimental Designs, Designing Questionnaire, Ethical aspects of research, Data analysis & Presentation, Critical evaluation of journal article  
**Resource persons** : Dr BS Garg, Dr SP Kalantri, Dr Bhupendra Mehra, , Dr PR Deshmukh, Dr Poonam Shivkumar, Dr Shuchi Jain, Dr Anshu, Dr Chetna Maliye, Mr MS Bharambe, Dr MVR Reddy, Dr Kalyan Goswami

**Theme/Title** : **Workshop on Research Methodology for Post-graduate Students**  
**Date** : 16-21 Dec 2013  
**No of Delegates** : 21  
**Key Topics** : Introduction to Research Methodology, Writing a Research Protocol, Observational Epidemiological, Studies, Diagnostic Accuracy Research, Sampling methods & Sample size, Literature search, Qualitative research, Experimental Designs, Designing Questionnaire, Ethical aspects of research, Data analysis & Presentation, Critical evaluation of journal article  
**Resource persons** : Dr BS Garg, Dr SP Kalantri, Dr Bhupendra Mehra, Dr PR Deshmukh, Dr Abhishek Raut, Dr Poonam Shivkumar, Dr Anshu, Dr Chetna Maliye, Mr MS Bharambe

**Theme/Title** : **Workshop on Research Methodology for Nurses**  
**Date** : 12-14 Dec 2013  
**No of Delegates** : 30  
**Key Topics** : Introduction to Research Methodology, Writing a Research Protocol, Observational Epidemiological, Studies, Diagnostic Accuracy Research, Sampling methods & Sample size, Literature search, Qualitative research, Experimental Designs, Designing Questionnaire, Ethical aspects of research, Data analysis & Presentation, Critical evaluation of journal article  
**Resource persons** : Dr SS Gupta, Dr PR Deshmukh, Dr PV Shivkumar, Dr C Maliye, Dr Anshu, Mr MS Bharambe, Dr MVR Reddy, Dr Kalyan Goswami

**Theme/Title** : **Workshop on Research Methodology for Post-graduate Students**  
**Date** : 04-09 Aug 2014  
**No of Delegates** : 29  
**Key Topics** : Introduction to Research Methodology, Writing a Research Protocol, Observational Epidemiological, Studies, Diagnostic Accuracy Research, Sampling methods & Sample size, Literature search, Qualitative research, Experimental Designs, Designing Questionnaire, Ethical aspects of research, Data analysis & Presentation, Critical evaluation of journal article  
**Resource persons** : Dr BS Garg, Dr SP Kalantri, Dr Bhupendra Mehra, , Dr PR Deshmukh, Dr Poonam Shivkumar, Dr Shuchi Jain, Dr Anshu, Dr Chetna Maliye, Mr MS Bharambe, Dr MVR Reddy, Dr Kalyan Goswami, Dr Vishakha Jain, Dr. Hemant Shewade

**Theme/Title** : **Workshop on Research Methodology for Post-graduate Students**  
**Date** : 25-30 Aug 2014

**No of Delegates** : 33  
**Key Topics** : Introduction to Research Methodology, Writing a Research Protocol, Observational Epidemiological, Studies, Diagnostic Accuracy Research, Sampling methods & Sample size, Literature search, Qualitative research, Experimental Designs, Designing Questionnaire, Ethical aspects of research, Data analysis & Presentation, Critical evaluation of journal article  
**Resource persons** : Dr BS Garg, Dr SP Kalantri, Dr Bhupendra Mehra, Dr PR Deshmukh, Dr Abhishek Raut, Dr Poonam Shivkumar, Dr Anshu, Dr Chetna Maliye, Dr Vishakha Jain, Mr MS Bharambe, Dr Hemant Shewade

**Theme/Title** : **Research Methodology Workshop for Post-graduate Students**  
**Date** : 21-26 Sep 2015  
**No of Delegates** : 34  
**Key topics** : Introduction to research methodology, How to write a good research question, Study designs, Qualitative research methods, Literature search, Sampling: methods and sample size, Computer assistance in data entry and analysis, Designing data collection tools, Inferential statistics, Critical appraisal of a journal article, Research on evaluation of diagnostic test, Writing research protocol, Ethical concerns in medical research  
**Resource persons** : Dr BS Garg, Dr MVR Reddy, Dr PV Shivkumar, Dr SS Gupta, Dr Anshu, Dr PR Deshmukh, Dr BK Mehra, Dr CH Maliye, Dr Shuchi Jain, Dr AV Raut, Dr K Goswami, Mr MS Bharambe, Dr Ramesh Pawar and Dr Ashwini Kalantri

**Theme/Title** : **Research Methodology Workshop for Post-graduate Students**  
**Date** : 28 Sep - 05 Oct 2015  
**No of Delegates** : 40  
**Key topics** : Introduction to research methodology, How to write a good research question, Study designs, Qualitative research methods, Literature search, Sampling: methods and sample size, Computer assistance in data entry and analysis, Designing data collection tools, Inferential statistics, Critical appraisal of a journal article, Research on evaluation of diagnostic test, Writing research protocol, Ethical concerns in medical research  
**Resource persons** : Dr BS Garg, Dr MVR Reddy, Dr PV Shivkumar, Dr SS Gupta, Dr Anshu, Dr PR Deshmukh, Dr BK Mehra, Dr CH Maliye, Dr Shuchi Jain, Dr AV Raut, Dr K Goswami, Mr MS Bharambe, Dr Ramesh Pawar and Dr Ashwini Kalantri

**Theme/Title** : **Research Methodology Workshop for Nursing Faculty and Students**  
**Date** : 21- 23 Dec 2015  
**No of Delegates** : 30  
**Key topics** : Introduction to research methodology, How to write a good research question, Study designs, Qualitative research methods, Literature search, Sampling: methods and sample size, Computer assistance in data entry and analysis, Designing data collection tools, Inferential statistics, Critical appraisal of a journal article, Research on evaluation of diagnostic test, Writing research protocol, Ethical concerns in medical research

**Resource persons** : Dr SS Gupta, Dr Anshu, Dr PR Deshmukh, Dr Rahul Narang, Mrs Ancy Ramesh, Dr BK Mehra, Dr CH Maliye, Dr A Bang, Dr AV Raut, Dr Ranjan Solanki, Mr MS Bharambe, Dr Ashwini Kalantri, Dr Abhay Ambilkar, Mrs Vidya Sahare, Mr Vinay Gawali

**MAHARASHTRA UNIVERSITY OF HEALTH SCIENCES, NASHIK**

---

---

**DIRECTION NO.: 04/2013 (Amended)**

**SUBJECT: "PROCEDURE OF DOUBLE EVALUATION (EVALUATION & RE-EVALUATION) SYSTEM OF ASSESSMENT OF THEORY ANSWER BOOKS PERTAINING TO ALL UNDER GRADUATE AND POST GRADUATE COURSES".**

---

---

WHEREAS the Maharashtra University of Health Sciences Act 1998 (Maharashtra Act No. X of 1999) has come into force from 03<sup>rd</sup> June 1998;

AND

WHEREAS it is the duty of the University to frame rules for teaching, training programme and examinations for Under Graduate & Post Graduate courses in affiliated colleges / institutes in various faculties as provided under sub - section (1) of section 29 of the said Act;

AND

WHEREAS prescribing rules for conduct of examinations is a subject matter of Ordinance as provided under section 50 (vi) of the said Act;

AND

WHEREAS there is an ordinance 01/2002 in existence for conduct of examinations;

AND

WHEREAS Rule 61 of the said Ordinance prescribes the system of moderation but there is no provision of 100% Re-evaluation of all Under Graduate & Post Graduate theory papers;

AND

WHEREAS due to non availability of 100% Re-evaluation of all the Answer book(s), the University has extended the facility of Challenge Re-evaluation of theory examination answer books for all Under Graduate & Post Graduate courses vide Direction No.03/2012 and 04/2012;

AND

WHEREAS as per decision of the Academic Council of the University, the facility of Challenge Re-evaluation has been abolished by withdrawing the Direction No.03/2012 & Direction No.04/2012;

AND

WHEREAS consequent upon the abolition of challenge Re-evaluation, it is expedient to introduce the appropriate system of evaluation to ensure the students to receive a fair and just evaluation of their performance in theory examination;

AND

WHEREAS if the new system of evaluation is being introduced it is essential to repeal/modify/amend the existing rule 61 of the ordinance No.01/2002 suitably;

AND

WHEREAS making or modifying an Ordinance is a time consuming process;

AND

THEREFORE, I Prof. Dr. Arun Jamkar, Vice-Chancellor of Maharashtra University of Health Sciences, in exercise of powers conferred upon me under sub-section (8) of section 16 of Maharashtra University of Health Sciences Act, 1998 issues the following direction.

- 1.** i) This Direction shall be called as "PROCEDURE OF DOUBLE EVALUATION (EVALUATION & RE-EVALUATION) SYSTEM OF ASSESSMENT OF THEORY ANSWER BOOKS PERTAINING TO ALL UNDER GRADUATE AND POST GRADUATE COURSES".
- ii) It shall come into force with effect from the date of its issuance, by repealing/ amending the Rule 61 of the Ordinance No.01/2002.

## 2) **DEFINITIONS:-**

- (i) **Evaluation:** - Means the assessment of the answer book(s) done by the I<sup>st</sup> Examiner.
- (ii) **Re-Evaluation:-** Means the assessment of the answer book(s) done by the II<sup>nd</sup> Examiner.
- (iii) The definitions given in the Maharashtra University of Health Sciences Act, 1998 shall be applicable to this Direction, unless there is anything repugnant in the subjects or context.

## 3) **APPLICABILITY:-**

This Direction shall apply only to theory papers (Section-B & Section-C) of all Under Graduate & Post Graduate University conducted theory examinations and shall not applicable for viva/clinical/practical examinations. This Direction shall also not applicable to Ph.D, Super Specialty and Fellowship programme examinations.

## 4) **PROCEDURE FOR ASSESSMENT:-**

- (i) All the answer book(s) shall be evaluated by the First Examiner at the CAP (i.e. Central Assessment Programme) as directed by the University.
- (ii) The CAP custodian shall tear off mark slip of answer book assessed by the First Examiner and keep all of them in appropriate order.
- (iii) The CAP custodian shall arrange for Re-Evaluation of all the answer book(s) by the Second Examiner as directed by the University.
- (iv) The CAP custodian shall keep all **Mark Slips** of Answer book(s) on which First Examiner have allotted the marks and **Mark List** in one envelope marked as "**Packet-A**".
- (v) The CAP custodian shall keep all **Mark Slips** of Answer books on which Second Examiner have allotted the marks and **Mark List** in one envelope marked as "**Packet-B**".
- (vi) It shall be the responsibility of the CAP custodian to ensure that all attempted answers are assessed by both of the Examiners.
- (vii) The scrutinizer working under CAP custodian shall do totaling of marks and if, finds any error/mistake in totaling of the marks shall immediately bring to the notice of the CAP custodian. It is also the

duty of the scrutinizer to see that every answer has been assessed by the first and the second examiner.

- (viii) It shall be the CAP custodian's responsibility to get rectified such totaling mistake(s) (if any) from the concerned examiners and also to get assessed the unassessed answer(s) (if any) by both the examiners.
- (ix) The CAP custodian shall submit such sealed envelopes of Mark Slips & Mark List (Packet A & B) to the Examination department of the University as directed by the University.
- (x) **The Result Section of Examination department of the University shall take higher of the total marks given by either of the two examiners i.e. best of two for final computation of the result. Such higher marks shall be considered as marks obtained by the concerned examinee for the particular Paper/subject as applicable.**

**For e.g. If the total marks given by the first examiner in evaluation of Answer sheet is suppose 40 and the total marks given by the second examiner in re-evaluation of Answer sheet is suppose 42, the University will considered 42 marks as marks obtained by the concerned student in the particular paper/subject.**

- 5) The Evaluation and Re-Evaluation i.e. double evaluation shall be carried out simultaneously at respective CAP Centers.
- 6) The separate Re-evaluation facility shall not be available to the candidates as double evaluation i.e. Evaluation and Re-evaluation has been carried out by the University before declaration of the results.
- 7) The existing facility of Verification/Re-totaling of marks shall be continued for theory (Section- B & Section- C) and practical answer sheets and mark lists.

**7.1) The non-refundable fees for Verification/ Re-totaling shall be Rs.500/- per Paper/Per Practical** (For Example if the candidate applying say for verification for both of the paper-I and paper-II, for the subject of Anatomy, he/she will have to pay Rs.1000/- and like wise). The University reserves the right to change the said fees from time to time by way of issuing suitable notification displaying on University website.

- 7.2)** The candidate who has failed in practical examination(s) head and desires for Verification/ Re-totaling of marks of the practical answer sheet and mark list may apply to the University through his/her College within a period of 10 days after the declaration of the results in the prescribed format attached to this Direction. **(Annexure- A)**
- 7.3)** The applications for Verification/ Re-totaling of Answer book(s) and Mark Lists received at the University after such a period shall not be considered. The postal delay/ delay on the part of concerned College or Student shall also not be considered by the University.
- 7.4)** The candidate desirous to apply for Verification/Re-totaling should submit only one application for one or more subject's or part of the subject.
- 7.5)** The photocopy of theory answer book(s) will be provided to the candidates for their information & records only.
- 7.6)** The photocopy of theory examination paper will also be provided to the concerned student under Right to Information Act, 2005 after payment of necessary prescribed fees within its retention period.
- 7.7)** The prescribed format for obtaining the photocopy of theory Answer book is attached to this Direction. **(Annexure- B)**
- 7.8)** The fees for photocopy of answer book(s) shall be Rs.500/- (Non-refundable) per paper/ answer book. The University reserves the right to change the said fees from time to time by way of issuing suitable notification displaying on University website.
- 7.9)** The candidate desirous to obtain photocopy(s) of theory examination paper (Section-B & Section-C) shall have to apply within 30 days from the date of declaration of the results.
- 7.10)** The incomplete/incorrect application without prescribed fees shall be rejected. Applications received after due period shall not be considered by the University under any circumstances. The University shall not entertain any correspondence in this respect.
- 8)** This Direction shall remain in force until an Ordinance is made in this behalf by the University.

**Date: 22 May 2014**

(Prof. Dr. Arun Jamkar)  
**VICE- CHANCELLOR**

**X Table**

<b>Must Perform Procedures</b>	<b>Must Assist Procedures</b>	<b>Must observe procedures</b>
1. Use Epidemiology as a tool to make rational decision relevant to the community	1. Departmental Projects	
2. Collect, analyze, interpret and present simple community and hospital based data	2. School health surveys	
3. Diagnose and manage common health problems and emergencies at the individual, family and community levels	3. Mass Immunization Programmes	
4. Immunization against common infectious diseases	4. Implementation of National Health Programmes	
5. Preparation of ORS		
6. Participate in programmes in prevention and control of locally prevalent endemic disease including nutritional disorders		
7. Be capable of conducting a survey and employ its findings as a measures towards arriving at a community diagnosis		
8. Provide health education to an individual/ community on a. Tuberculosis, Leprosy, Malaria b. Small family, spacing, use of appropriate contraceptives c. Applied nutrition and care of mothers and children d. Immunization		
9. Use of essential drugs in the community with the awareness of availability, cost and side effects		
10. Develop capability for analysis of hospital based morbidity and mortality statistics		
11. Acquire managerial skills, delegation of duties to Paramedical staff and other health professionals		

## Y Table

<b>Procedures for evaluation</b>	<b>Marks obtained out of 10 per procedure</b>
1. Immunization against common infectious diseases	
2. Preparation of ORS	
3. Preparation of Survey Proforma	
4. Tabulation & presentation of given data	
5. Calculation of morbidity and mortality indicators from given data	
6. Health education to an individual a. Tuberculosis, Leprosy, Malaria b. Small family, spacing, use of appropriate contraceptives c. Applied nutrition and care of mothers and children d. Immunization	
7. Cold chain maintenance	
8. Dietary advice	
9. Health check-up	
10. Testing and potability of drinking water	

## **Guidelines according to the MCI booklet**

Interns shall acquire skills to deal effectively with an individual and the community in the context of primary health care. This is to be achieved by hands on experience in the district hospital and primary health center. The details of the training are as under:

### **I Community Health Center (Rural Hospital)/ District Hospital/ Attachment to General Practitioner**

*I.1 During this period of internship an intern must acquire:*

I.1.1 Clinical competence for diagnosis of common ailments, use of bed side investigation and primary care techniques

I.1.2 Gain information on 'Essential drugs' and their usage

I.1.3 Recognize medical emergencies, resuscitate and institute initial treatment and refer to suitable institution

*I.2 Undergo specific Government of India/ Ministry of Health and Family Welfare approved training using Government of India prescribed training manual for Medical Officers in all National Programmes (e.g. Child Survival and Safe Motherhood - EPI, COD, ARI, FP, ANC, Safe Delivery, Tuberculosis, Leprosy and Others, as recommended by Ministry of Health and Family Welfare)*

I.2.1 Gain full expertise in immunization against infectious diseases

I.2.2 Participate in programmes in prevention and control of locally prevalent endemic diseases including nutritional disorders

I.2.3 Learn skills first hand in family welfare planning procedures

I.2.4 Learn the management of National Health Programmes

*I.3 Be capable of conducting survey and employ its findings as a measure towards arriving at a community diagnosis*

*I.4 Conduct programmes of health education*

I.4.1 Gain capability to use audiovisual aids

I.4.2 Acquire capability of utilization of scientific information for promotion of community health

*I.5 Be capable of establishing linkages with other agencies as water supply, food distribution and other environmental/ social agencies*

## **II Primary Health Center**

*II.1 Initiate and participate in Family composite health care (birth to death, Inventory of events)*

*II.2 Participate in all of the modules on field practice for community health, e.g. safe motherhood, nutritional surveillance and rehabilitation, diarrhea disorders etc.*

*II.3 Acquire competence in diagnosis and management of common ailments, e.g. malaria, tuberculosis, enteric fever, congestive heart failure, hepatitis, meningitis, acute renal failure etc.*

*II.4 Acquire proficiency for Family Welfare Programmes (antenatal care, normal delivery, contraception care etc.)*
