Sub.: Mahatma Gandhi Institute of Medical Sciences, Sevagram, Wardha - Increase of MBBS seats from 65 to 100 u/s 10(A) of the IMC Act, 1956 for the academic session 2012-13 - Regarding.

Sir,

In continuation to this Council's Letter of Intent dated 05.06.2012 and with reference to your letter dated 09.06.2012, I am directed to convey the approval of the Board of Governors for the Increase in MBBS seats from 65 to 100 at Mahatma Gandhi Institute of Medical Sciences, Sevagram, Wardha under Maharashtra University of Health Sciences, Nashik with prospective effect i.e. from the academic year 2012-2013 u/s 10A of the IMC Act, 1956, as amended.

This permission of the Board of Governors, Medical Council of India for increase of seats and admission of students against the increased intake is initially for a period of one year subject to renewal on annual basis on achievements of annual targets set out in the project report and verification thereto by the Medical Council of India.

In addition to above, this is further to inform you that while making admissions of your college to MBBS course it shall be ensured that:

- (i) No admission is permitted beyond the sanctioned intake capacity;
- (ii) Selection of Students to the Medical College is in accordance with the requirements laid down in the Graduate Medical Education Regulations, 1997;
- (iii) No admission is permitted beyond the cut-off date.

It shall be incumbent upon the Medical College that the information relating to admissions should be submitted within a fortnight of closure of admissions to the Council. Any failure to submit the information within this time limit would be construed that the admissions in the College were not in accordance with the statutory requirements, thereby enabling the Council to proceed in accordance with law against the College.

I am further directed to inform that you and your institution are fully responsible to fulfill and maintain norms including the infrastructure both physical and human resource, teaching faculty and clinical material, etc. throughout the academic year, as stipulated in Regulation of Medical Council of India. In case false/wrong declaration or fabricated documents have been used for procuring permission of the Board of Governors for the increased intake and the said misconduct is brought to notice or comes to the knowledge of MCI at any stage during the current academic year, your institution is not liable to be considered for renewal of permission for the increased intake for the next academic year and this letter of permission for the increased intake is also liable to be revoked for current academic year. Besides, MCI is entitled to take all such measures against you and your college/institution as permissible under the law.

MEDICAL COUNCIL OF INDIA**

E:\My Documents\Medug10\Approved Letters (compliance).doc

The College shall not admit more than one batch of students against this letter of permission on the increased intake. The college shall also apply to Medical Council of India for renewal of permission against the increased intake well before the commencement of next academic session. While applying for such renewal, the achievements in terms of infrastructure, staff and equipments as spelt out in the time bound action plan and as per the norms by Medical Council of India, must be clearly indicated. The next batch of students against the increased intake shall not be admitted unless renewal of permission is granted by the Board of Governors, Medical Council of India/Central Government.

This permission is subject to furnishing of undertaking to the effect by the Dean that the college shall provide funds in their plan budget regularly till the requisite facilities are fully provided as per the time bound programme as per MCI norms. The admission process for the academic year 2012-13 has to be completed in accordance with the time schedule indicated in the Graduate Medical Education Regulation, 1997, as amended.

Yours faithfully,

Maharashtra,

Subject: Renewal of permission for admission of 5th Batch of MBBS students against increased intake i.e. from 65-100 at Mahatma Gandhi Institute of Medical Sciences, Wardha for the academic year 2016-17.

Sir/Madam,

I am directed to refer to MCI's letter No.MCI-37(1)(RI-52)(UG)/2015-Med./108908 dated 14.05.2016 on the subject mentioned above and convey the approval of the Central Government for Renewal of Permission for admission of 5th Batch of MBBS students against increased intake i.e. from 65-100 for the academic year 2016-17 at Mahatma Gandhi Institute of Medical Sciences, Wardha under Maharashtra University of Health Sciences, Nasik.

2. The permission is valid for one year and for admitting only one batch of MBBS students against increased intake i.e. from 65-100 during the academic session 2016-17. The next batch of students in MBBS course against increased intake will be admitted in the college only after permission of Central Government for renewal/recognition.
3. The Government Medical College (except those located in J&K, Andhra Pradesh & Telangana States) shall contribute 15% of MBBS seats for which the renewal permission is granted for all India quota.
4. Admissions made in violation of the above condition will be treated as irregular and action will be initiated under IMC Act & Regulations made thereunder.
5. Discrepancies, if any, may be immediately brought to the notice of MCI and the Central/State Government.

Sub. : Continuation / Extension of Affiliation for the A.Y. 2015-16.

Ref. : 1) University letter No. MUHS/E-1/UG/1504/34/2636/15 dated 14/07/15.
2) Ministry of Health & Family Welfare, Govt. of India Letter dated 04th August, 2015.

Sir / Madam,

With reference to the subject cited above and letter referred at sr. no. 01, your college was given Continuation / Extension of affiliation to the M.B.B.S. course for the Academic Year 2015-2016 for the intake **65**. However with reference no. 2, as per received letter from Ministry of Health & Family Welfare, Govt. of India, it is revealed that Your College has recognized for 65 seats and permitted for renewal of permission for increase of seats from 65 to 100 for Academic Year 2015-16 subject to the outcome of SLP filed by the MCI in Hon'ble Supreme Court.

Hence, the letter of Continuation / Extension of affiliation of your college referred at sr. no. 1 **stands amended**. Kindly treat the intake of Mahatma Gandhi Institute of Medical Sciences, Wardha for the Academic year 2015-16 as **100**.

Thanking you,

Yours faithfully,

Registrar

India

12 July 2013

Dear Dr Garg,

Subject: Redesignation of Dr. Sushila Nayar School of Public Health, Mahatma Gandhi Institute of Medical Sciences, Wardha, India as a WHO Collaborating Centre for Research and Training in Community Based Maternal, Newborn and Child Health (WHO CC NO IND-100)

I would like to thank you for the valuable contribution made by your institution during its previous period of designation as WHO collaborating centre. I am pleased to inform you that the World Health Organization has redesignated Dr. Sushila Nayar School of Public Health, Mahatma Gandhi Institute of Medical Sciences, Wardha, India as a WHO Collaborating Centre for Research and Training in Community Based Maternal, Newborn and Child Health, under WHO's reference number (WHO CC No. IND-100).

As previously agreed, you will act as Head of the Centre. Should there be any change in the future, I would be grateful if you would inform WHO without delay.

The agreed terms of reference and workplan of the Centre are attached. We wish to emphasize that institutions designated as WHO collaborating centres are expected to implement the agreed workplan in a timely manner and to the highest possible standard of quality. Any issue that may affect the implementation of the agreed workplan should be brought to the attention of the WHO responsible officer, Dr Arvind Mathur, Medical Officer, Making Pregnancy Safer (MPS) Tel:+91-11-23309322 (D) Email: mathrua@who.int For information on administrative matters, please visit the WHO website <http://www.who.int/collaboratingcentres/information/en/>.

Ref no: H9/72/1

12 July 2013

We wish to also emphasize that institutions designated as WHO Collaborating Centres must also comply with the attached Terms and conditions for WHO collaborating centres. We wish to draw your particular attention to the fact that the WHO name and emblem may only be used by a WHO Collaborating Centre as described in those terms and conditions.

Finally, please note that institutions designated as WHO collaborating centres must complete a short online progress report form once a year. On the anniversary of the designation date, details will be sent to the email address of the Head of the Centre specified in the designation form.

The designation as a WHO Collaborating Centre will be effective for a period of 4 years of redesignation, as from **15 July 2013**, and will automatically end on **15 July 2017**, unless redesignation has been approved by WHO before that date. During the period of designation, either party may revoke the designation at any time by giving three months advance notice in writing.

Again, I would like to express my appreciation for your past contribution and I look forward to our continuing successful collaboration.

Yours sincerely,

Dr Samle P. Prangchang
Regional Director

Dear Sir,

Director-General of the Council sanctions the above mentioned research scheme initially for a period of one year from 1-1-2010 subject to extension upto the total duration specified in para 3(3) below.

Director-General of the Council also sanctions the budget allotment of Rs. 12,07,003 (Rs. Twelve lakh seven thousand three only) as detailed in the attached statement for the period 2009-2010.

The grant-in-aid will be given subject to the following conditions:-

1. The payment of the grant will be made *in lump-sum to the* Officer-in-Charge, NCRP. The first installment of the grant will be paid generally as soon as a report regarding the commencement of the project and appointment of the staff is received by the Council. The demand for payment of the subsequent installment of the grant should be placed with the Council in the prescribed proforma attached.
2. The staff appointed on the project should be paid as indicated in the budget statement attached.
3. The approved duration of the scheme is Five years. The annual extension will be given after review of the work done on the scheme during the previous year.
4. A report on the progress made will be submitted to the Council

as and when called for.

5. The Institute will maintain a separate account of the receipts and the expenditure incurred on the scheme and will furnish a utilization certificate and an audited statement of account pertaining to the grant.

6. The terms and conditions of the project are indicated on the web site of ICMR.

The receipt of this letter may please be acknowledged.

Yours faithfully,

(Sushila Kargaonkar)
Administrative Officer

<ul style="list-style-type: none"> • 1.6 Composition of the Peer Team which undertook the on-site visit: • Chairman • Member Coordinator • Member • Member • Member • NAAC Officer 	<ul style="list-style-type: none"> • Dr.Chandrakant Kokate • Dr.V.Mohan Kumar • Dr.S.P.Srivastava • Dr.T.Dogra • Dr.Mandavi Singh

Section II: CRITERION WISE ANALYSIS	Observations (Strengths and/or Weaknesses) on Key-Aspects (Please limit to three major ones for each and use telegraphic language (It is not necessary to indicate all the three bullets each time; write only the relevant ones))
2.1 Curricular Aspects:	
2.1.1 Curricular Design & Development:	<ul style="list-style-type: none"> • Institute strives to produce doctors who will have Gandhian values. • Follows curriculum of affiliating university and MCI. • Six faculty members are in BOS and two in Academic Council of Maharashtra University of Health Sciences, Nashik.
2.1.2 Academic Flexibility:	<ul style="list-style-type: none"> • Options for flexibility for undergraduate syllabi and curriculum are limited as they are prescribed by regulatory bodies. • 1 UG, 19 PG, 9 Diploma and Ph.D. in 9 disciplines offered. • Annual system of instructions is followed.
2.1.3 Feedback on Curriculum	<ul style="list-style-type: none"> • Efforts are on for feedback from students and faculty. • Analysis of feedback and its use for academic improvisation is visible.
2.1.4. Curriculum Update	<ul style="list-style-type: none"> • Suggestions are sent to the University. • Limited role for curriculum update, as it is an affiliated college. • Guidelines of MCI and affiliating university are followed.
2.1.5 Best Practices in Curricular Aspects (If any):	<ul style="list-style-type: none"> • Orientation of under-graduates during first 15 days in camp at Gandhi Ashram.

2.2 Teaching-Learning & Evaluation:	
2.2.1 Admission Process and Student Profile	<ul style="list-style-type: none"> • The institute conducts its own All India Entrance Examination for MBBS course at 6 places. • All students are required to complete 2 years rural service before they are eligible to apply to the post graduate course. • The institute has constitutional reservation in admission. • Students' profiles are well maintained.
2.2.2 Catering to the Diverse Needs:	<ul style="list-style-type: none"> • Special sessions are arranged to improve communication skills, proficiency in inter-personal relationships etc. • Encouragement to advanced learners is given. • Remedial coaching for slow learners is provided.
2.2.3 Teaching-Learning Process:	<ul style="list-style-type: none"> • Good clinical material is made available to students. • OSCE and OSPE are introduced in most departments. • Academic Calendar is in place. • Teacher diaries are yet to be maintained.
2.2.4 Teacher Quality:	<ul style="list-style-type: none"> • There are 127 permanent and 25 temporary qualified teachers, of these 10 hold Ph.D. degrees. • Members of the faculty are selected by a Selection committee of the Maharashtra University of Health Sciences. • The institute encourages faculty to train and learn more advanced skills. • Shortage of faculty in Psychiatry and Radio-diagnosis.
2.2.5 Evaluation Process and Reforms:	<ul style="list-style-type: none"> • Evaluation reforms undertaken by the affiliating University are implemented by this Institution. • Introduction of MCQs, SAQs and long answer questions proportionately has improved objective assessment and improved pass percentage.

	<ul style="list-style-type: none"> • Progress of students monitored and periodically communicated to parents.
2.2.6 Best Practices in Teaching-Learning and Evaluation (If any):	<ul style="list-style-type: none"> • Sensitization of students to rural medical practice.
2.3 Research, Consultancy & Extension:	
2.3.1 Promotion of Research:	<ul style="list-style-type: none"> • Institute promotes faculty participation in research. • Research Committee is in place.
2.3.2 Research and Publications Output:	<ul style="list-style-type: none"> • Quality publications with good impact factor from the departments of Medicine, Biochemistry, Microbiology, Community Medicine and Obstetrics & Gynaecology. • 9 Departments are recognized for Ph.D. guidance by the affiliating university.
2.3.3 Consultancy:	<ul style="list-style-type: none"> • The Institute promotes its faculty members to provide free consultancy services to other organizations. • No significant financial input from consultancy. • Expertise available for consultancy is yet to be publicized.
2.3.4 Extension Activities:	<ul style="list-style-type: none"> • Impressive tribal health care oriented programme at Melghat. • Unique programme for care of babies of unwed mothers and widows. • Health Insurance Scheme for local community is an unique feature.
2.3.5 Collaborations:	<ul style="list-style-type: none"> • The Institute works in close collaboration with the Government Health System, by providing manpower training and education. • International collaboration is visible in Community Medicine, Microbiology and Psychiatry. • Signing of MOU with International Agencies is to be encouraged.

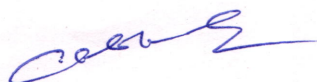

2.3.6 Best Practices in Research, Consultancy & Extension (If any):	<ul style="list-style-type: none"> • Sevagram projects of healthcare of babies and unwed mothers.
2.4 Infrastructure and Learning Resources:	
2.4.1 Physical Facilities for Learning:	<ul style="list-style-type: none"> • Eco friendly campus of 450.75 acres in rural area. • The available infrastructure facilities are adequate. • Good facility for hospital waste management.
2.4.2 Maintenance of Infrastructure:	<ul style="list-style-type: none"> • There is provision for annual service contracts for maintenance of equipments and instruments. • Separate budget allocation for maintenance of hospital and academic blocks. • Overall maintenance is satisfactory.
2.4.3 Library as a Learning Resources	<ul style="list-style-type: none"> • Library Advisory Committee is in place. • Services are largely computerized. • Space availability is limited.
2.4.4 ICT as Learning Resources:	<ul style="list-style-type: none"> • Online access for search and retrieval of medical literature through ERMSS is available. • Bioinformatics center with software for proteomics, genomics etc. is in place. • Internet usage by students is limited.
2.4.5 Other Facilities:	<ul style="list-style-type: none"> • Hostel facilities are adequate. • Facilities for Gymnastics in hostel. • Sufficient staff quarters.
2.4.6 Best Practices in the development of Infrastructure and Learning Resources (If any):	<ul style="list-style-type: none"> • Oxidation of liquid waste as a practice of hospital waste management. • Recycling of fabrics and papers.
2.5 Student Support and Progression:	
2.5.1 Student Progression:	<ul style="list-style-type: none"> • Drop out rate is negligible. • Pass percentage of university exam results are between 90 to 100%. • More than 60% of the students pursue

	higher medical studies.
2.5.2 Student Support:	<ul style="list-style-type: none"> • Government scholarships are available for weaker sections as per Govt. rules. • Prospectus and handbooks are made available to the students at the beginning of academic year. • Health insurance is available for students.
2.5.3 Student Activities:	<ul style="list-style-type: none"> • College magazine is published annually. • Activities of NSS and Red Ribbon are visible. • Alumni Association is yet to be registered and further strengthened.
2.5.4 Best Practices in Student Support and Progression (If any):	<ul style="list-style-type: none"> • Rural Camps help students in having community oriented approach towards medical practice.
2.6 Governance and Leadership:	
2.6.1 Institutional Vision and Leadership:	<ul style="list-style-type: none"> • Vision and mission of the institution are in tune with the objectives of the education policies of the nation. • Management of Mahatma Gandhi Institute of Medical Sciences, Sevagram closely works with the staff members in overall improvement of the institute. • Inspiring leadership of President, Governing Council and Dean.
2.6.2 Organizational Arrangements:	<ul style="list-style-type: none"> • The Local Managing Committee functions within the policy and framework laid down by Kasturba Health Society. • Funds, assets and resources of Kasturba Health Society are also used for Kasturba Hospital, Sevagram to create a healthy and disease free society. • Grievance Redressal Cell for employees is in place.
2.6.3 Strategy Development and Deployment:	<ul style="list-style-type: none"> • Institute has good hospital information system.

	<ul style="list-style-type: none"> Academy of Medical Sciences and the Journal of MGIMS are two mechanisms used for knowledge sharing. Different Committees are constituted for management of institutional activities.
2.6.4 Human Resource Management:	<ul style="list-style-type: none"> The institution has a time-bound personal promotion system. Welfare measures are in place for the staff and faculty.
2.6.5 Financial Management and Resource Mobilization:	<ul style="list-style-type: none"> The institution gets 50% financial support from Central Government, 25% from the Government of Maharashtra and rest 25% is managed by Kasturba Health Society. There is provision for internal and external auditing. Adequate budget allocation for day to day expenses.
2.6.6 Best Practices in Governance and Leadership (If any):	<ul style="list-style-type: none"> Institute does not accept any sponsorship from pharmaceutical companies.
2.7 Innovative Practices:	
2.7.1 Internal Quality Assurance System:	<ul style="list-style-type: none"> Apart from imparting quality medical education, institute also inculcates the idea of becoming a good individual in society. IQAC is yet to be established.
2.7.2 Inclusive Practices:	<ul style="list-style-type: none"> There is reservation for economically backward, socially backward, rural, differently-abled students and girl candidates. Support for economically weak students not coming in constitutional reservations categories is procured from philanthropic organizations and alumni. Analysis of impact of teaching to disadvantaged sections is in process.
2.7.3 Stakeholder Relationships:	<ul style="list-style-type: none"> Feedback is collected from students, staff, patients and prominent community leaders to improve existing policy and strategies

	<ul style="list-style-type: none"> • Overall climate is conducive for teaching, learning process. • Parent Teachers Association (PTA) is yet to be established.
--	---

Section III: OVERALL ANALYSIS	Observations (Please limit to five major ones for each and use telegraphic language) (It is not necessary to denote all the five bullets for each)
3.1 Institutional Strengths:	<ul style="list-style-type: none"> • The institute believes in producing health professionals who possess a sound community orientation. • All India Entrance Examination has a mandatory paper on Gandhian thoughts besides Physics, Chemistry and Biology. • There is reservation for rural students, girls and disabled students. • Good hospital information system. • Participation of faculty in unique systems like Aakansha and other outreach programmes.
3.2 Institutional Weaknesses:	<ul style="list-style-type: none"> • Negligible paid consultancy. • Deficiency of staff in a few departments. • Absence of super-specialty courses. • Lack of good Auditorium facility. • Inadequate peer reviewed quality publications.
3.3 Institutional Opportunities:	<ul style="list-style-type: none"> • Resource mobilization with the involvement of Alumni Association. • Establishment of strong links with parents and other stakeholders. • Development of super-specialties. • Attracting more research funding. • Organization of more number of international conferences.
3.4 Institutional Challenges:	<ul style="list-style-type: none"> • Strengthening of activities related to resource mobilization. • Increasing UG and PG seats. • Introduction of super-specialties. • Starting of M.P.H. program.

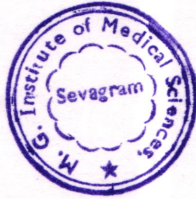

Section IV: Recommendations for Quality Enhancement of the Institution

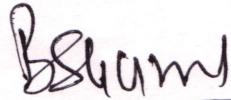

(Please limit to *ten major ones* and use telegraphic language)

(It is not necessary to indicate all the ten bullets)

- A few value added programmes / courses like hospital administration, hospital waste management, clinical research may be initiated.
- MPH programme may be started.
- Some Super-specialties may be introduced.
- A question bank of validated MCQs may be established.
- Teacher diaries may be introduced.
- Good Auditorium may be created.
- Indoor game facilities may be further strengthened.
- Parent - Teacher Association (PTA) may be established.
- Involvement of Alumni Association in the development of institution may be encouraged.

I agree with the Observations of the Peer Team as mentioned in this report.
