Hi Sneha Yadav,

Congratulations on being part of a winning team during our MIT COVID-19 Challenge, India Turning The Tide! As promised, we are contacting you regarding several resources and support we want to bring to all continuing teams.

### **You Won!**

As a winning team, your team will receive \$500 USD (for the overall team). Please decide amongst yourselves and reply to this email with the name, address, and country of citizenship of the person to whom the check will be mailed.

Please complete the [Post-Hackathon Survey](#) by October 2nd, 2020, if you haven't already.

We truly hope that you and your teams will continue forging ahead to make your pitches become a reality! We hope you have completed the continuation survey to indicate whether your team is continuing on or whether you, as an individual, would like to continue on another team. This survey will help us match you to the mentors and partners that would be most helpful to your team's success as well as help match individuals with teams looking for those particular skill sets.

### **Leverage our Resources**

Please make use of all available resources in the [Post Hackathon Guide](#). If you would like to revisit any parts of the weekend (including checking out the pitches for the other tracks), in it you can find links to each Zoom session recording.

*Tell us your stories - we want to hear from YOU!*
