The course is designed to give me adequate knowledge in all areas of	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

medicine

At completion of the course I feel confident in dealing with patients

The course allowed me to analyze issues and reflect independently

The theory part was dealt with in adequate depth

The overall teaching by the faculty was effective

My relationship with teachers was good

We got ample opportunity to clarify doubts and ask questions

I got adequate hands on experience in practicals, demonstrations and clinics

The assessment pattern was fair

We got timely and adequate feedback on our performance in the formative assessment

We learnt the skills of self directed learning

Classes were held as per schedule

Overall class time was used effectively

Clinics were taken satisfactorily and on time

Discipline was maintained at all times

Overall, I was satisfied with the quality of this course.
