Ph.D.

Anatomy, Physiology, Biochemistry, Pathology, Microbiology, Pharmacology, Community Medicine, Orthopaedics, Obst. & Gynae.

Courses duration & Training:

1. It will be a three years residency system for degree course and two years for Diploma Course (as per MCI rules). Degree course after Diploma will also be for two years.
2. The period of training as a post graduate student will be a full time assignment & the candidate shall put in regular attendance for the period prescribed by Mahatma Gandhi Institute of Medical Sciences to the entire satisfaction of his/her guide & Head of the Department.
It is mandatory to all Post Graduate students to attend minimum 80% of training during each year starting from 1st May to 30th April. Any candidate who fails to fulfill said criteria, term of such candidates shall be extended till such time, said candidate fulfills 80 % attendance during a year as specified above.
3. In case students' term is extended they will have to complete the extended term with required attendance. However, stipend will be paid for only 37 months in case of Degree and 25 months in case of diploma.
4. Every Candidate who joins M.D. /M.S. course is required to submit a plan of thesis approved by the Institutes Ethics Committee within 6 months. Of his /her joining the course or by last date prescribed by MUHS, Nashik, whichever is earlier. He /she is required to submit the final thesis after completion of 2 ½ year of his/her joining the course or as per the requirement of the University.
5. The candidate will be eligible to take the M.D. /M.S. final examination only after approval of his/her thesis.
6. All candidate are required to put in 6 complete terms of training in the concerned department after registration for degree & 4 terms in diploma course.
7. All the students admitted to the post graduate course shall maintain a log book which is mandatory as per the affiliating university, MUHS, Nashik. The aim of log-book is to evaluate the training program on a day to day basis so as to ascertain the eligibility of the the candidate to appear for the final university examination for the degree/diploma. Following are the objectives of maintaining of the log book:
 1. To help the resident to maintain the day to day records of work done by him/her.
 2. To enable the faculty to have first hand information about the work done by the resident & suggest improvement for better performance .
 3. To confirm the participation in post graduate training activities like ward rounds , presentation of scientific article at journal club, case clinics, post graduate seminars, clinical symposia & book reviews .
 4. Assessing the skills acquired by residents in patients care, teaching & research.
 5. To confirm level & degree of participation in research activities.

Leave Rule for P.G.

The registered P.G. Students can avail leave as follows:

1. Those registered for P.G. Degree/diploma courses can avail 15 days Earned leave and 15 days casual leave for each year starting from 1st May to 30th April. Casual leave can not be carried over from one year(as specified above) to another year. However earned leave can be carried over but can not be encashed by taking accumulated earned leave at the end of PG course as preparatory leave.
2. Thus a candidate registered for PG degree can avail a total of 90 days leave during the three years course, whereas the candidate registered for PG diploma course can avail a total of 60 days leave during entire course of two years. This leave has to be availed within the prescribed duration of the PG course i.e. up to the 30th April of the last years of the course. It can not be carried over after that .Any candidate who avails leave more than that specified above, the total tenure will be extended by one or more terms as the case may be.
3. Normally Casual leave for more than 3 days at a time will not be sanctioned.
4. There is no provision of sick leave, maternity leave and preparation leave (before examination).
